Gothic Antiquity Dale Townshend, 2019-09-19 Gothic Antiquity History Romance and the Architectural Imagination 1760 1840 provides the first sustained scholarly account of the relationship between Gothic architecture and Gothic literature fiction poetry drama in the late eighteenth and early nineteenth centuries Although the relationship between literature and architecture is a topic that has long preoccupied scholars of the literary Gothic there remains to date no monograph length study of the intriguing and complex interactions between these two aesthetic forms Equally Gothic literature has received only the most cursory of treatments in art historical accounts of the early Gothic Revival in architecture interiors and design In addressing this gap in contemporary scholarship Gothic Antiquity seeks to situate Gothic writing in relation to the Gothic architectural theories aesthetics and practices with which it was contemporary providing closely historicized readings of a wide selection of canonical and lesser known texts and writers Correspondingly it shows how these architectural debates responded to and were to a certain extent shaped by what we have since come to identify as the literary Gothic mode In both its survivalist and revivalist forms the architecture of the Middle Ages in the long eighteenth century was always much more than a matter of style Incarnating for better or for worse the memory of a vanished Gothic age in the modern enlightened present Gothic architecture be it ruined or complete prompted imaginative reconstructions of the nation's past a notable visionary turn as the antiquary John Pinkerton put it in 1788 in which Gothic writers architects and antiquaries enthusiastically participated The volume establishes a series of dialogues between Gothic literature architectural history and the antiquarian interest in the material remains of the Gothic past and argues that these discrete yet intimately related approaches to vernacular antiquity are most fruitfully read in relation to one another

The Hermit in the Garden Gordon Campbell, 2013-03-28 Tracing its distant origins to the villa of the Roman emperor Hadrian in the second century AD the eccentric phenomenon of the ornamental hermit enjoyed its heyday in the England of the eighteenth century It was at this time that it became highly fashionable for owners of country estates to commission architectural follies for their landscape gardens These follies often included hermitages many of which still survive often in a ruined state Landowners peopled their hermitages either with imaginary hermits or with real hermits in

some cases the landowner even became his own hermit Those who took employment as garden hermits were typically required to refrain from cutting their hair or washing and some were dressed as druids Unlike the hermits of the Middle Ages these were wholly secular hermits products of the eighteenth century fondness for pleasing melancholy Although the fashion for them had fizzled out by the end of the eighteenth century they had left their indelible mark on both the literature as well as the gardens of the period And as Gordon Campbell shows they live on in the art literature and drama of our own day as well as in the figure of the modern day garden gnome This engaging and generously illustrated book takes the reader on a journey that is at once illuminating and whimsical both through the history of the ornamental hermit and also around the sites of many of the surviving hermitages themselves which remain scattered throughout England Scotland and Ireland And for the real enthusiast there is even a comprehensive checklist enabling avid hermitage hunters to locate their prey

Robert Morris's Folly Ryan K. Smith,2014-09-23 In 1798 Robert Morris financier of the American Revolution confidant of George Washington former U S senator plunged from the peaks of wealth and prestige into debtors prison and public contempt How could one of the richest men in the United States one of only two founders who signed the Declaration of Independence the Articles of Confederation and the Constitution suffer such a downfall This book examines for the first time the extravagant Philadelphia town house Robert Morris built and its role in bringing about his ruin Part biography part architectural history the book recounts Morris s wild successes as a merchant his recklessness as a land speculator and his unrestrained passion in building his palatial doomed mansion once hailed as the most expensive private building in the United States but later known as Morris s Folly Setting Morris s tale in the context of the nation s founding this volume refocuses attention on an essential yet nearly forgotten American figure while also illuminating the origins of America s ongoing ambivalent attitudes toward the superwealthy and their sensational excesses *Shakespeare's Great Stage of Fools*

R. Bell,2011-09-26 This lively lucid book undertakes a detailed and provocative study of Shakespeare s fascination with clowns fools and fooling Through close reading of plays over the whole course of Shakespeare s theatrical career Bell highlights the fun wit insights and mysteries of some of Shakespeare s most vibrant and often vexing figures **The Rough Guide to Britain** Robert Andrews,2004 The Rough Guide to Britain is the ultimate insiders handbook to England Wales and Scotland The full colour introduction brings the countries highlights to life from the Eden Project in Cornwall to Edinburgh s Royal Mile The authors provide lively accounts of every sight from the latest attractions such as the Cardiff Bay area and Gateshead s Baltic Centre to established landmarks from the Tower of London to Edinburgh Castle For every town and region there are lively reviews of the best places to stay eat and drink to suit all pockets and with accompanying maps pinpointing each location There s also practical tips on exploring the great British countryside from the rugged Pembrokeshire coastline to the picturesque valleys of the Yorkshire Dales **The Rough Guide to Great Britain (Travel Guide eBook)** Rough Guides,2018-08-04 Discover Rough Guides home patch with the most incisive and entertaining

guidebook on the market Whether you plan to tuck into a balti in Birmingham get your thrills at Blackpool Pleasure Beach or tackle Scotland's majestic North Coast 500 The Rough Guide to Great Britain will show you the ideal places to sleep eat drink shop and visit along the way Independent trusted reviews written with Rough Guides trademark blend of humour honesty and insight to help you get the most out of your visit with options to suit every budget Full colour maps throughout navigate the medieval lanes of York or Bath's Georgian streets without needing to get online Stunning images a rich collection of inspiring colour photography Things not to miss Rough Guides rundown of Britain's best sights and experiences Itineraries carefully planned routes to help you organize your trip Detailed regional coverage whether off the beaten track or in more mainstream tourist destinations this travel guide has in depth practical advice for every step of the way Areas covered include London and the southeast the Cotswolds Bath Bristol and the southwest East Anglia the Midlands and the Peak District Leeds Manchester and the northwest Yorkshire Newcastle and the northeast Cardiff and South Wales Snowdonia Edinburgh and the Lothians Glasgow and the Clyde the Scottish Highlands and Islands Attractions include Hampton Court Palace Oxford's colleges the Eden Project Manchester's Northern Quarter Hadrian's Wall the Lake District Portmeirion Welsh castles Edinburgh Festival and the West Highland Railway Basics essential pre departure practical information including getting there local transport accommodation food and drink the media festivals and events sports and outdoor activities Background information a Contexts chapter devoted to history and film plus recommended books Make the Most of Your Time on Earth with The Rough Guide to Great Britain
