Follow The Lamb:

Follow the Lamb Rob Dalrymple, 2018-02 Dalrymple's guide provides key principles in reading Revelation responsibly The first key is that the book is about Jesus his supremacy and sovereignty The second key is that the language and images used in the book of Revelation derive from the Old Testament Though many readers get caught up in the mire of John's imagery and the exhaustive efforts to discern what the symbols mean this principle simplifies the search for meaning Each chapter in *Follow the Lamb* concludes with an important For Further Study section making it an ideal resource for individual or group study These questions and exercises and reflection guides make personal application of Revelation meaningful and rich

Follow the Lamb Wherever He Goes Andy Rapko, 2022-01-24 The world is changing at a rapid pace and most people are busy just trying to keep up Some are moving in the right direction some in the wrong direction and many are just running without much thought about where they are going Who will you follow today What are you living for What are you willing to die for The book of Revelation brings these questions to the forefront and presents us with clear concise answers about the world situation our life and eternity Most importantly though Revelation introduces us to Jesus the Lamb of God As you meet Jesus you will be astounded by His beauty power and glory But you will also be faced with a choice Will you be one who follows the Lamb wherever He goes In this book Pastor Andy Rapko presents clear Biblical teaching balanced with practical insights *Follow the Lamb wherever He goes* will challenge you to live life to the fullest through a life transforming relationship with Jesus the Lamb of God

Follow the Lamb Douglas D. Webster, 2014-09-16 The Revelation builds conviction inspires worship and encourages patient endurance This is a prison epistle like no other a disciple making tract a manifesto an extraordinary treatise on Christ and culture and a canonical climax We come expecting to learn the ABCs of the end times and the Apostle John gives us the fullness and fury of his Spirit inspired praying imagination Meaning is not found in cleverly devised interpretations but in God's redemptive story The apostle's purpose was to strengthen the people of God against cultural assimilation and spiritual idolatry not to stimulate end times speculation The Revelation is a sustained attack against diluted discipleship with an unrelenting focus on the immediacy of God's presence in the totality of life Nothing escapes the gaze of Christ
