Prophetic Encounters Dan McKanan, 2011-11-01 A broad definitive history of the profound relationship between religion and movements for social change in America Though in recent years the religious right has been a powerful political force making religion and conservatism synonymous in the minds of many the United States has always had an active vibrant and influential religious Left In every period of our history people of faith have envisioned a society of peace and justice and their tireless efforts have made an indelible mark on our nation's history In *Prophetic Encounters* Dan McKanan challenges simple distinctions between religious and secular activism showing that religious beliefs and practices have been integral to every movement promoting liberty equality and solidarity From Frederick Douglass John Brown and Elizabeth Cady Stanton in the nineteenth century to Dorothy Day Martin Luther King Jr and Starhawk in the twentieth American radicals have maintained a deep faith in the human capacity to transform the world This radical faith has always been intertwined with the religious practices of Christians and Jews pagans and Buddhists orthodox believers and humanist heretics Their vision and energies powered the social movements that have defined America's progress the abolition of slavery feminism the New Deal civil rights and others In this groundbreaking definitive work McKanan treats the histories of religion and the Left as a single history showing that American radicalism is a continuous tradition rather than a collection of disparate movements Emphasizing the power of encounter encounters between whites and former slaves between the middle classes and the immigrant masses and among activists themselves McKanan shows that the coming together of people of different perspectives and beliefs has been transformative for centuries uniting those whose faith is a source of activist commitment with those whose activism is a source of faith Offering a history of the diverse religious dimensions of radical movements from the American Revolution to the present day *Prophetic Encounters* invites contemporary activists to stand proudly in a tradition of prophetic power

View From the Murney Tower Richard Allen, 2008-06-15 Salem Goldworth Bland 1859 1950 was among the most significant religious leaders in Canadian history A Methodist and later United Church minister Bland's long career and widespread influence made him a leading figure in the popularizing of liberal theology social reform and the Social Gospel movement He was also a man who struggled with the polarities of evangelical faith and worldly culture and who sought a unifying world view in the mentoring of Sir J William Dawson in the sciences George Monro Grant in public affairs and John Watson in philosophy *The View from the Murney Tower* is a two volume biography of Salem Bland by Richard Allen author of *The Social Passion Religion and Reform in Canada* 1914 28 This first volume begins with Bland's upbringing in the home of an educated industrialist turned preacher It goes on to explore his emergence as a liberating mind and eloquent speaker prepared to support new currents of scientific

and social thought as well as to discuss their implications for Christian faith and life Allen concludes this first volume with Bland's departure from central Canada for the west in 1903 by which time he had become a somewhat controversial figure amongst conservative evangelicals throughout the country More than just biography however *The View from the Murney Tower* is also an examination of progressive religion in late Victorian Canada a time in which Darwinism and other Biblical social and intellectual controversies were profoundly affecting the growth of a young nation *The Quest for Citizenship* Kim Cary Warren, 2010 With clarity insight and understanding Kim Cary Warren vividly brings to life the heroic educational struggles of African Americans and Native peoples as they embraced alternative conceptions of citizenship during a transformative period of American history William J Reese Author of *America's Public Schools From the Common School to No Child Left Behind* Emotional Reinventions Melanie Dawson, 2015-07-14 A historically informed approach to realist era American fiction engaging with contemporary affect theory evolutionary theory studies of realism and studies of affect in American literature **The Second Chance for God's People** Timothy W. Seid, 2008-09-26 For centuries the New Testament book of Hebrews has been interpreted as though it had been written for Jewish Christians in danger of lapsing back into legalism and religious ceremony This view is now being challenged by current scholarship Rather than attacking the Old Testament and Judaism the author of Hebrews praises the person and work of Jesus through a series of comparisons on which he bases exhortations and warnings to the present people of God Hebrews urges God's people to learn from past mistakes and failures and to take up the challenge in difficult times to live faithfully in the new relationship to God through Jesus God's Son In *The Second Chance for God's People* Messages from Hebrews Quaker pastor and professor Timothy W Seid encourages today's church to respond to the challenge of Hebrews first individually by progressing in spiritual and moral maturity and second collectively by being God's faithful people in the world In the light of ancient Greek language and rhetoric after having extensively researched Hebrews Seid interprets the text of Hebrews section by section in an accessible and nontechnical way while also illustrating and applying the meaning of the text for the contemporary church **The Protestant Clergy in the Great Plains and Mountain West, 1865-1915** Ferenc Morton Szasz, 2004-01-01 The mainline Protestant churches played a vital role in the settlement of the West Yet historians have for the most part bypassed this theme This account recreates the unique religious and cultural mix that sets this region apart from the rest of the nation From itinerant circuit riders to powerful urban bishops western clergy were continually involved in the maturation of their communities Their duties on the frontier extended far beyond delivering Sunday sermons they also served as librarians counselors social workers educators booksellers peacekeepers and general purveyors of culture Weaving together the varied experiences of men and women from the five major Protestant denominations Baptist Methodist Presbyterian Congregational and Episcopal the author discusses their responses to life on the frontier the violence the tumultuous growth of the cities the isolation of farm life and the widespread hunger especially among women for refinement *The Word and Its Witness*

Gregory S. Jackson, 2009-03-15 This book explores the history of evangelical culture that began during the Great Awakening revealing its profound impact on the development of media in America **The Encyclopedia of Christian Literature**

George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles *American Religious Leaders* Timothy L. Hall, 2014-05-14 Profiles the lives and achievements of more than 270 spiritual leaders arranged alphabetically who made major contributions to the history of American religious life *A Kingdom on Earth* Paul T. Phillips, 1996 Social Christianity was a major force in the life of the United States Canada and Britain for more than sixty years beginning in the closing decades of the Victorian age As a tide of concern swept through Protestantism in the face of mounting social ills Social Gospellers and Christian Socialists urged a less competitive more compassionate society They pioneered in many fields of modern social science and actively engaged in social work and party politics In *A Kingdom on Earth* Paul T Phillips provides an unusually broad view of the movement from both sides of the Atlantic including the usually neglected Canada He is also unique in carrying the story up to 1940 thereby tying Social Christianity to the origins of the welfare state Using a wide range of sources *A Kingdom on Earth* places the activities of Social Christians firmly in the social and cultural contexts of the day Phillips s analysis reveals the dilemmas of a movement that sought to achieve social harmony and justice through close cooperation with secular reformism Such dilemmas invariably led to rivalries with competing ideologies and brought secularizing influences into the churches themselves In spite of these worldly aspects however Phillips finds that the inspiration and essence of the movement were essentially religious
