Following Percy Lewis A. Lawson, 1988 **Walker Percy's Voices** Michael Kobre, 2000 Walker Percy's novels are fraught with characters struggling toward a destiny and purpose in life who must sort through conflicting inner voices and the voices of family friends therapists and mentors until they finally find their own paths Through trial error and retrial Percy's characters continuously reinvent themselves struggling until they reach solutions satisfaction and maturity In this multifaceted work Michael Kobre analyzes Walker Percy's major fiction works *The Moviegoer* *The Last Gentleman* *Love in the Ruins* *Lancelot* *The Second Coming* and *The Thanatos Syndrome* in terms of the Russian philosopher and literary scholar Mikhail Bakhtin's critical theory Kobre begins with an introduction to Percy's view of language and consciousness and a clear accessible explanation of Bakhtin's ideas His subsequent discussion of the novels connects each work in turn with Percy's advancing career and explores the deepening conflict in Percy's fiction between his desire to express his own religious and moral beliefs and his commitment to the essential freedom of his art the play of many voices in his narratives *Walker Percy's Sacramental Landscapes* Allen Pridgen, 2000 Sometimes oblivious to the sacramental signs of life sometimes clear eyed both Will at the end of *The Second Coming* and Tom at the end of *The Thanatos Syndrome* finally assent to the wondrous possibilities these signs signify They begin to believe in the possibilities for a life that waits for them on the horizon and down the road **BOOK JACKET** **A Political Companion to Walker Percy** Peter Augustine Lawler, Brian A. Catholic Novelist Kieran Quinlan, 1996 **Walker Percy** Gary M. Ciuba, 2010-09-01 In Walker Percy Books of Revelations Gary M Ciuba examines how Percy's apocalyptic vision inspires the structure themes and strategies of his fiction This book explores the unity of the southern novelist's fiction by focusing on its religious and artistic design one of the first studies to approach Percy's work from this perspective Ciuba considers Percy's six published novels The Moviegoer The Last Gentleman Love in the Ruins Lancelot The Second Coming and The Thanatos Syndrome and also offers the first extended critical analysis of his unpublished work The Gramercy Winner Although the novels are often seen as increasingly satiric jeremiads about the possible doom of America Ciuba argues that Percy's fiction is principally shaped by a demythologized and partially realized form of eschatology This apocalyptic vision has less to do with the end of the external world than with the demise of the protagonists internal worldviews According to Ciuba Percy does more than offer direly comic warnings about the end of the world he shows how the world actually ends and then may begin again in the everyday lives and extraordinary loves of his astonished seers **The Intellectual in Twentieth-Century Southern Literature** Tara Powell, 2012-01-09 Never in its long history has the South provided an entirely comfortable home for the intellectual In this

thought provoking contribution to the field of southern studies Tara Powell considers the evolving ways that major post World War II southern writers have portrayed intellectuals from Flannery O'Connor's ironic view of intellectuals to Gail Godwin's southerners striving to feel at home in the academic world Although Walker Percy like his fellow Catholic writer O'Connor explicitly rejected the intellectual label for himself he nonetheless introduced the modern novel of ideas to southern letters Powell shows by placing sympathetic non-caricatured intellectuals at the center of his influential works North Carolinians Doris Betts and her student Tim McLaurin made their living teaching literature and creative writing in academia and Betts's fiction often includes dislocated academics while McLaurin's superb memoirs often funny frequently point up the limitations of the mind as opposed to the heart and the spirit Examining works by Ernest Gaines Alice Walker and Randall Kenan Powell traces the evolution of the black American literacy narrative from a stress on the post Emancipation conviction which saw formal education as an essential means of resisting oppression to the growing suspicion in the post civil rights era of literacy acts that may estrange educated blacks from the larger black community Powell concludes with Godwin who embraces university life in her fiction as she explores what it means to be a southern female intellectual in the modern world a world in which all those markers inscribe isolation

The Literary Percys Bertram Wyatt-Brown, 1994 Few families in America can claim so many gifted writers as the Percys This examines the role of gender and family history in the writings of this exceptional lineage

Handbook of Literary Apologetics Thomas L. Martin, 2025-08-18 Literature's probative force travels across the realm of sense in this world to what lies beyond it When we speak of what is beyond our grasp in this world we think most immediately of the world of the spirit Shakespeare famously celebrates literature's power to explore the forms of things unknown How many great works of literature guide us through a familiar world to the edge of the spiritual unknown Not only Shakespeare but Dante Milton Dostoevsky Hopkins Eliot O'Connor and many others in these pages carry us there This book follows their quest Literary apologetics is the study of the characteristic moves by the authors who take readers on their journey of faith with them Most notably that tradition begins with Latin authors spreads across Europe in a continuous literary culture and extends over world literature to the present day While early apologetics is proclamation rhetoric philosophy and poetry above all it is witness to the faith manifesting itself in time The early faith community produces a distinct literary culture as Christian witness takes all these forms and more From then until now this kind of literature probes ultimate questions adumbrates numinous experience and extrapolates ethical outcomes of Christian teachings across a wide variety of literary forms The Handbook of Literary Apologetics provides an authoritative introduction to the scope of this tradition and its major figures

Research Guide to American Literature John Cusatis, 2010 Covers American literature during the postwar period

REAL Volume 8 (1991/1992), 1992 *Queer Chivalry* Tison Pugh, 2013-12-09 For the U S South the myth of chivalric masculinity dominates the cultural and historical landscape Visions of white southern men as archetypes of honor and gentility run throughout regional narratives with little regard for the actions and at times the atrocities committed by such men In *Queer Chivalry* Tison Pugh exposes the inherent contradictions in these depictions of cavalier manhood investigating the foundations of southern gallantry as a reincarnated and reauthorized version of medieval masculinity Pugh argues that the idea of masculinity particularly as seen in works by prominent southern authors from Mark Twain to Ellen Gilchrist constitutes a cultural myth that queerly demarcates accepted norms of manliness often by displaying the impossibility of its achievement Beginning with Twain's famous critique of the Sir Walter disease that pilloried the South Pugh focuses on authors who questioned the code of chivalry by creating protagonists whose quests for personal knighthood prove quixotic Through detailed readings of major works including Twain's *A Connecticut Yankee in King Arthur's Court* Flannery O'Connor's short fiction John Kennedy Toole's *A Confederacy of Dunces* Robert Penn Warren's *A Place to Come To* Walker Percy's novels and Gilchrist's *The Annunciation* Pugh demonstrates that the hypermasculinity of white knight ideals only draws attention to the ambiguous gender of the literary southern male Employing insights from gender and psychoanalytic theory *Queer Chivalry* contributes to recent critical discussions of the cloaked anxieties about gender and sexuality in southern literature Ultimately Pugh uncovers queer limits in the cavalier mythos showing how facts and fictions contributed to the

ideological formulation of the South *Critical Survey of Long Fiction: Thomas McGuane-J.B. Priestley*, 2000 **Selected Letters of Robert Penn Warren** Robert Penn Warren, 2008-05-01 Volume four of the Selected Letters of Robert Penn Warren covers a crucial time of personal and professional rejuvenation in Warren's life. During the fifteen year period spanned by this correspondence he completed *Brother to Dragons*, *Segregation*, *The Inner Conflict in the South*, and *Who Speaks for the Negro*. As these titles suggest these years were marked by Warren's immersion in American history and his maturing interest in race relations. They also saw his return to lyric poetry after a ten year hiatus with the publication of the Pulitzer Prize winning collection *Promises*. Along with seeing the completion of some of his most successful work this period was a time of momentous change in Warren's life including his move to Yale University, his marriage to his second wife Eleanor, and the birth of his two children. As a chronicle of Warren's thoughts on his family, his work, his friends, the state of literary studies, and the culture at large, these letters are invaluable. Unlike many writers, Warren rarely drafted his correspondence with future readers and scholars in mind; he typically saved his prepared statements about the human condition and the state of the world for his poetry, fiction, and social commentary. His letters offer a candid and personal glimpse of Warren's relationships as well as his personal views on literature, politics, and social trends. Their recipients include Ralph Ellison, Allen Tate, Saul Bellow, Robert Lowell, Eudora Welty, and Louis Rubin, as well as Warren's editors, reviewers, collaborators, and other friends. Providing an unusually vivid and personal account of Warren's rich and fully realized life, these missives are equally revealing of his thoughts on the state of contemporary American culture during this dynamic time in American history.
