Following Jesus: An Approach to Christian Spirituality provides a basis for understanding how the Lordship of Christ is the essential criterion for determining how Christianity functions as a relational experience with God. With that relational experience for the believer in Christ being the product of supernatural experience with the Holy Spirit, the book functions as an organizing tool to be used for a conscientious inquiry into how a Christian worldview operates in four relational categories of experience. With these relational categories act as a basis for understanding how our choices affect our lives and our futures both now and in life and eternally and how it is that God loves us and will give our lives the meaning and purpose that we all long for.

I Am a Follower Leonard Sweet, Leonard I. Sweet, 2012. In this examination of leadership and followership, Sweet proposes an intentional shift from leadership cults to followership cultures. Following Jesus Christ John K. Goodrich, Mark L. Strauss, 2019-11-19. A Comprehensive Guide to Discipleship in the New Testament and Today's World. Although the concept of discipleship is an integral part of New Testament teaching, it has largely faded from discussion in both the academy and the local church. To revive and reclaim this teaching for believers in the twenty-first century, editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship, providing a comprehensive biblical picture. In addition, other contributors explore discipleship in the context of the local church, spiritual formation, and the life of the mind. Together, these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives. An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and in the academy. Rich with insight, *Following Jesus Christ* represents a major advance in this essential area of study. Craig A. Evans, Houston Baptist University. We are treated here to a survey of what discipleship means in the New Testament from experts in the field, and we also see some of the wider dimensions of discipleship in this important work. All those wanting to understand discipleship will find this to be a valuable resource. Thomas R. Schreiner, The Southern Baptist Theological Seminary.
