## **Following Jesus What It Means To Live As A Christian:**

Now That I'm a Christian C. Michael Patton, 2014-02-28 How do we help our friends who have just become Christians or are young in the faith In this concise and accessible book Mike Patton unpacks the basics of the Christian faith helping new believers think rightly about God and live fully for God as they begin their new life in Christ In ten easy to read chapters Patton introduces readers to the foundational teachings and life giving practices of Christianity from the doctrine of the Trinity to reading and understanding the Bible Designed for individual use or small group discussion this handbook on the Christian faith has the potential to become the go to guide for new believers wanting to follow Jesus with their heads and their hands Invitation, The Greg Sidders, 2011-04 With a gentle encouraging style the author helps readers strip away the non essentials and discover the exhilaration of simply following Jesus **By the Way** Derek Vreeland, 2019-06-18 an inspiring read from beginning to end Midwest Book Review Includes discussion questions at the end of each chapter Foreword by Derwin Gray founding pastor of Transformation Church and former NFL player What if asking Jesus into our hearts is not the heart of the gospel In *By the Way* pastor and author Derek Vreeland reframes everything we've been told about Christianity and what it means to follow Jesus Discipleship isn't an add on Jesus didn't say Go into all the world and get people saved or Get people to ask me into their hearts Jesus said Go therefore and make disciples Reclaiming discipleship as the heart of the Christian faith means seeing anew the gospel the cross the resurrection transformation and the community of faith We learn the ways of Jesus by practicing them Vreeland says and in *By the Way* he introduces us to the ways of Jesus Discipleship means joining God's joyful mission of reconciliation on earth not just saving souls for the afterlife Following Jesus is more like taking a long walk in the woods than sitting in a classroom *Living by the Way* takes practice and that's the point **Following Jesus in a Culture of Fear (The Christian Practice of Everyday Life)** Scott Bader-Saye, 2007-06-01 Through politics marketing news programming and popular culture we are taught to fear often in ways that profit others But what does all this fear do to our moral lives as it forms or deforms our character and our judgment Drawing on Christian scripture and tradition *Following Jesus in a Culture of Fear* articulates a response to fear that resists an ethic of security in favor of fostering an ethic of risk The Christian virtues of hospitality peacefulness and generosity are presented as the way to defeat the counter virtues of suspicion preemption and control Pastors students and lay people will find this unique book both accessible and intriguing EXCERPT Do not be afraid We live in a time when this biblical refrain cannot be repeated too often Both John Paul II in 1978 and his successor Benedict XVI in 2005 used these words to begin their papacies Among all the things the church has to say to the world today this may be the most important No one has to be convinced that we live in fearful times though we are not always sure what we should be afraid of and why We suspect that our fears make us vulnerable to manipulation but we find it hard to quell the fear long enough to analyze how it is being produced and directed for the benefit of others One reason we are a more fearful culture today despite the fact that the dangers are not objectively

greater than in the past is because some people have incentives and means to heighten manipulate and exploit our fears Fear is a strong motivator and so those who want and need to motivate others politicians advertisers media executives advocacy groups even the church turn to fear to bolster their message I call this the fear for profit syndrome and it is rampant We have become preoccupied with unlikely dangers that take on the status of imminent threats producing a culture where fear determines a disproportionate number of our personal and communal decisions The sense of ever increasing threats can overwhelm our ability to evaluate and respond proportionately to each new risk thus we allow fear to overdetermine our actions

an organizing tool to be used for a conscientious inquiry into how a Christian worldview operates in four relational categories of experience With these relational categories act as a basis for understanding how our choices affect our lives and our futures both now and in life and eternally and how it is that God loves us and will give our lives the meaning and purpose that we all long for     *The Thinking Christian* Gene Wesley Marshall,2020-04-13 The practice of Christianity is going through a transition that is deeper than the Reformation The Thinking Christian explores two main questions 1 What is religion as a general social process that can link humans to Profound Reality and 2 what is a meaningful and appropriate mode of Christian theologizing communal life and mission to this planet for a viable and vital next Christian practice These are profound probes and they are communal and activist guidelines for general readers Such union of the profound and the practical pertains to the needs of scholars as well     *The Matrix of Christian Ethics* Patrick Nullens,Ronald T. with Jesus core message Christian universities that train pastors missionaries and priests dont have courses that teach what Jesus taught and its been this way for hundreds of years The majority of believers in Christ have little or no understanding of what Jesus said or what He meant when He said it God is realigning His church with the message Jesus preached and Hes doing it to prepare us for Jesus return Get ready for a journey through the Bible that will help you Challenge your Christian experience and knowledge of Jesus teachings Learn the true heart of Christs teachings as recorded in Gods Word Discover the Kingdom life Jesus provided for exemplified and taught Shed any belief barriers that have inhibited your spiritual life to this point Embrace and renew a walk with God that is alive growing fresh and purposeful Following Jesus, the Servant King Jonathan Lunde, 2010-11-23 What does the Bible say about who Jesus is and what he asks of us his followers Throughout the Old Testament and into the New God not only demands righteousness from his people but also showers on grace that enables them to act Jesus of course provides the ultimate fulfillment of these twin aspects of God s relationship to humanity In biblical terms Jesus is the King who demands righteous obedience from his followers and Jesus is the Servant who provides the grace that enables this obedience In Following Jesus the Servant King Jonathan Lunde makes plain how having a strong understanding of covenantal theology opens us to greater discipleship From the angle of biblical teaching Lunde tackles some of the most poignant questions about being a disciple of Christ What does it mean to follow Jesus What does God expect from his followers How can we be and do what is required While answering these essential questions Lunde thoroughly details God s covenants throughout the whole of Scripture explaining what this means in terms of our relationship with God and how Jesus fulfills each of them in turn \_\_\_\_\_ Part of the Biblical Theology for Life series this practical and robust book will help you ground your discipleship on the solid foundation of biblical understanding and reflection
