Saturday Night ,1990 **Fools and Jesters in Literature, Art, and History** Vicki K. Janik,1998-05-21 Jesters and fools have existed as important and consistent figures in nearly all cultures Sometimes referred to as clowns they are typological characters who have conventional roles in the arts often using nonsense to subvert existing order But fools are also a part of social and religious history and they frequently play key roles in the rituals that support and shape a society s system of beliefs This reference book includes alphabetically arranged entries for approximately 60 fools and jesters from a wide range of cultures Included are entries for performers from American popular culture such as Woody Allen Mae West Charlie Chaplin and the Marx Brothers literary characters such as Shakespeare s Falstaff Rabelais Gargantua and Pantagruel and Singer s Gimpel and cultural and mythological figures such as India s Birbal the American circus clown the Native American Coyote Taishu Engeki of Japan Hephaestus Loki the Norse fool schlimiels and schlimazels and the drag queen The entries written by expert contributors are critical as well as informative Each begins with a biographical artistic religious or historical background section which places the subject within a larger cultural and historical context A description and analysis follow This section may include a discussion of the fool s appearance gender role ethical and moral roles social function and relationship to such themes as nature time and mortality The entry then discusses the critical reception of the subject and concludes with an extensive bibliography of general works

Canadian Saturday Night ,1990 **Jacob Campo Weyerman and his Collection of Artists' Biographies** Lyckle de Vries,2020-02-25 Weyerman s collection of artists biographies 1729 is exceptional for three reasons Firstly he includes a great number of painters not mentioned elsewhere Secondly he does not limit his selection to good artists only he also discusses failed painters and their abortive careers Thirdly he writes as an art critic who does not hesitate

to pass judgments sometimes severe on his chosen subjects In the process Weyerman provides much information on the social and economic circumstances of art production He found that a bohemian lifestyle was pernicious to a painter's career and argued that artists should live and think as merchants In addition to analyzing Weyerman's art critical terminology and his ideas on art theory De Vries includes translations of two full chapters along with the original Dutch [Poole's Index to Periodical Literature: 1892-1896](#) William Frederick Poole,1897 **The Saturday Review of Politics, Literature, Science and Art** ,1879 [The Saturday Review of Politics, Literature, Science, Art, and Finance](#) ,1892 **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **Poole's Index to Periodical Literature** ,1897 *Poole's Index to Periodical Literature* William Isaac Fletcher, Franklin Osborne Poole,1897 **The Athenaeum** ,1874 **Literature in Letters, Or, Manners, Art, Criticism, Biography, History, and Morals Illustrated in the Correspondence of Eminent Persons** James Philemon Holcombe,1866 *The Publisher* ,1901 **Wild Visionary** Golan Y.
