Guntermann,2003-01-16 FOOTNOTES FROM GOD depicts the reader as the beloved child of God as evidenced by the words teachings and miracles of Jesus of Nazareth In a world where selfishness and hatred are daily experiences a daily dose of the love of God is greatly needed And God whose perfect love includes boundaries and warnings for His children offers some of the most comforting assurances in the words and deeds of His only Son Jesus Uncontaminated with doctrines and traditions the Gospels are the eyewitness accounts of men who walked with Jesus on this earth These accounts are the best evidence of Jesus existence His example and His assurance for every human being The author simply takes from the ample supply of truth afforded by these Gospels and applies those truths to the modern daily lives of western world readers It is it s heart touching quality that makes this book an important read for anyone searching for meaning in modern life especially since September 11th 2001 To Know Him Rev. **Christian Religion □ Volume I** John Calvin, The City of God Volumes I & II Revised Aurelius Augustine, 2019-08-27 One of Augustine's most famous works this book tells of the fall of the Roman Empire and the rise of the holy and righteous City of God from the ashes While building a utopia much like The Republic does Augustine uses sound theology to build the foundations of the cities morals and lawful authority Many theologies especially within the Catholic tradition owe their beginnings to the teachings of Augustine and this work is one of the starts of the field Now in larger print The Works of Jonathan Edwards: Volume II □ I Revised Jonathan Edwards, **The Tyranny of the Trinity** P.R. Lackey, 2008-07-29 For 1700 years the Trinity has been considered the cornerstone of Christianity by all mainstream churches But the Bibles words for God appearing thousands of times never mean a triune God The concept of the Trinity has been taught to churchgoers based solely on implication and inference The truth is the Scriptures dont support the doctrine of the Trinity but it has been indoctrinated into the minds of otherwise intelligent and well educated Christians and perpetuated as a mystery not meant to be understood The majority of Christians have not bothered to investigate the doctrine for themselves and consequently have been duped Ms Lackey suggests that far too many Christians attend church with the attitude Tell me pastor what do I believe today Ms Lackey expressed her resentment at being accused of being a heretic not being a Christian and being condemned to hell because of her strong belief in the human Jesus the Messiah and Son of God as opposed to being the one Almighty God Her strong conviction led her to collaborate with biblical Unitarian authors to create a book that challenges the centuries old man made doctrines of the Trinity the mainstay of ecclesiastical tradition Ms Lackey sees the Trinity as blight on the true Christianity taught by Jesus Christ for the benefit of humanity and feels Trinitarian Christians have traded Hebrew theology for Geek mythology with barely a question asked She further contends that the majority of Christians believe in the Trinity primarily because they are expected to Not to accept this dogma would place them under condemnation from both their brethren and the clergy Ms Lackey invites churchgoers everywhere to consider that they may have been drawn into a thinly veiled polytheism a belief in more than one God She adamantly contends that Christians must take more responsibility for their beliefs and stop settling for centuries old creeds and doctrines as scriptural truth The cover illustration depicts the agony experienced by Michael Servetus a brilliant Spanish physician and theologian who as one of the first Protestants to challenge the Trinity was slowly burned at the stake in 1553 his book fastened to his thigh at the instigation of the Protestant reformer John Calvin The City of God, Volumes I & II Aurelius Augustine, 2017-10-24 One of Augustine's most famous works this book tells of the fall of the Roman Empire and the rise of the holy and righteous City of God from the ashes While building a utopia much like The Republic does Augustine uses sound theology to build the foundations of the cities morals and lawful authority Many theologies especially within the Catholic tradition owe their beginnings to the teachings of Augustine and this work is one of the starts of the field This is a revised version of Devoted Publishing's 1st edition of this work **Hanging by a Thread** Richard N.
