For Gods Sake Do Something Selected Sermons From The Old Testament:

For God's Sake, Do Something! Jerry Gladson, 2003-01-01 Filling a gap in Christian literature for sermons based on the Old Testament from a Christian perspective *For God s Sake Do Something* intentionally connects the Old Testament with issues of current spiritual and theological interest in the contemporary church The author combines good homiletical technique with sensitivity to the deeper theological and exegetical concerns of the biblical text Each sermon passage offering a fresh new translation of the ancient Scripture has been carefully translated from the Hebrew original by the author Pastors and lay ministers engaged in the preaching task will find these sermons useful for their own thinking and preparation in dealing with the topics they address All Christians will find them both encouraging and challenging for their own devotional and spiritual life *For God's Sake, Do Something!* Jerry A. Gladson, 2003 **Reignite** Jack Graham, 2021-03-30 Even pastors struggle to keep going sometimes When Dr Jack Graham had a major surgery ten years ago he knew it would take a physical toll but to his surprise he also found himself wiped out emotionally and spiritually He wrestled with depression and a lack of spiritual energy and he struggled to find joy and growth in his walk with Christ Maybe you ve been through a crisis of your own Or maybe the busyness of life has overwhelmed you or your faith has grown stale over the years and you ve just been going through the motions So how do you get back to being spiritually energized In *Reignite* Dr Graham shares the powerful lessons he learned during his own dark night of the soul He shares biblical insights on how to keep your relationship with God from growing cold how to focus on what truly matters and how to make the most of your years on earth creating a legacy that advances the kingdom of God For those who follow Jesus God has promised a triumphant life and an eternity of joyous celebration But we also need to embrace this joy and victory right here and right now Let *Reignite* help you recapture what you ve been missing *The British Pulpit: a Selection of Original Sermons, Delivered by Some of the Most Talented Evangelical Divines of Various Denominations*, 1836 *Sermons On Selected Lessons Of The New Testament* St. Augustine of Hippo, The Sermons of St Augustine besides their other excellencies furnish a beautiful picture of perhaps the deepest and most powerful mind of the Western Church adapting itself to the little ones of Christ In them he who has furnished the mould for all the most thoughtful minds for fourteen hundred years is seen forming with loving tenderness the babes in Christ Very touching is the child like simplicity with which he gradually leads them through what to them were difficulties watching all the while whether he made himself clear to them keeping up their attention pleased at their understanding dreading their approbation and leading them off from himself to some practical result Very touching the tenderness with which he at times reproves the allowance which he makes for human infirmities and for those in secular life if they will not make their infirmities their boast or in allowed duties and indulgences forget God But his very simplicity precludes the necessity of any preface His Sermons explain themselves They appear from a passage in the Commentary on the Psalms to have been often taken down in writing at the time by the more attentive sort of hearers as were those of St

Chrysostom Possidius states that this was done from the commencement of his presbyterate and that thence through the body of Africa excellent doctrine and the most sweet savour of Christ was diffused and made manifest the Church of God beyond seas when it heard thereof partaking of the joy
