For I Have Sinned:

For I Have Sinned James M. O'Toole, 2025 The history of US Catholicism is the history of confession For I Have Sinned charts the rise of confession as the defining ritual of American Catholic piety and identity and its fall as clergy sex abuse scandals and the cultural shifts of the 1970s decimated interest in a practice that today is alien even to most faithful believers **For I Have Sinned** John Glatt, 2011-04-01 They went from praying to preying Priests pastors ministers and nuns they are the men and women of God We trust them unconditionally tell them our darkest deeds turn to them in our most desperate hour We would never in our wildest dreams expect them to be cold blooded murderers Now peek into the confessionals of eleven clergymen and women who did the unthinkable who broke the most sacred commandment Thou shalt not kill Pastor Edmund Lopes could bring a congregation to its knees Little did they know that years before after murdering his wife and stabbing his girlfriend he had found religion in prison and jumped parole to become a Baptist minister until police caught up with him ten years after his escape Sister Sheila Ryan De Luca having left her Franciscan convent after allegations of a lesbian affair with another nun stands accused of brutally murdering a man who she claims raped her Ultimately she served ten years in prison until her conviction was overturned Reverend Freddie Armstrong heard the voice of God telling him to kill the Antichrist so the schizophrenic ordained priest took a sharp butcher s knife and proceeded to stab and decapitate 81 year old Fred Neal a beloved local minister who happened to be in the wrong place at the wrong time

Bless Me, Father, For I Have Sinned Peter Caffrey, 2021-08-09 A boy is murdered inexplicably by someone he should have been able to trust his parish priest In a small town with a police force run by a veteran from the hard streets of a big city this should have been an open and shut case Everything pointed to the priest as the killer The investigation revealed something very disturbing about the priest and his relationship to the boy something unholy But the power of the church intervened to thwart the investigation Would justice prevail How far would the church go to save its image What happens when a person holds the ultimate power over another in their hands Do they use it for good or to further their own needs How can a group that purports to be the representative of the ultimate good harbor such evil Frank Slater the Chief of Police in a small western Massachusetts town is pitted against the Archdiocese of Boston whose tentacles of control reach all over New England and beyond He is a savvy cop who in his twenty years as a detective in Boston thought he had seen everything He was wrong The evil that he uncovers shakes him to the very core but it also furthers his resolve to bring this murderer to justice The priest is transferred from parish to parish by the diocese in order to hide him This provides him access to more soon to be victims With the protection of the church the priest felt invincible Sprinkled with local color and stories Bless Me Father for I Have Sinned provides the reader with a critical examination of the church s role in child abuse in the form of a story that will keep the pages turning only to pause to laugh cry to be enraged or to reflect **Bless Me, Father, For I Have Sinned** Maggie Renaldi, 2002-10-08 It is not only young boys that Roman Catholic priests abuse these dysfunctional

deceitful predators who use God as an excuse for their behavior emotionally damage many unsuspecting adult women Bless Me Father For I Have Sinned Confessions of a Priest's Mistress is the story of one woman's involvement with a Roman Catholic priest and how it changed her life Just as the male victims are coming forward to tell their stories there can be no closure for Maggie Renaldi until this story is told During a vulnerable period in her life Maggie meets Father Brendan O Reilly and embarks upon a clandestine affair Father O Reilly's fear of commitment and his I love you go away behavior threaten to destroy their friendship and their love until Maggie intervenes and O Reilly seeks therapy to save himself Unfortunately he chooses a priest psychotherapist who adds more guilt and shame From seminaries that require young men to beat themselves bloody to bring the flesh into subjection to bishops who play politics from power hungry nuns to superiors who profess the party line Bless Me Father For I Have Sinned is also a graphic picture of church politics and hypocrisy Maggie Renaldi is not her real name All the names as well as the places have been changed to protect the innocent as well as the guilty

Forgive Me Father for I Have Sinned Julia Villegas Phelps,2011-12-01 Although there is a great deal of attention given quite rightly so to pedophile priests my experience with clergy sexual abuse was also a nightmare It started out by my being raped as a teenager by a priest who I thought I could trust and then being coerced into having an affair with him for fear of losing my children A skilled manipulator especially of vulnerable teenagers and young women who had challenges in their lives we all thought a priest could help us overcome our particular situations Once he gained my trust and pretended to be a friend he set about a path to manipulate me toward a path to a living hell that put my spiritual health and soul in danger I saw him as a man of the cloth a man of God who would help me and my children without expecting anything in return Little did I know I was not his first victim nor would I be his last lured by his promises to leave the church for me and by his word that God himself had sent him to save us
