Messianic Rabbi Allan Moorhead explores and dissects the books of the Bible to expound on revelations concerning the captivity and restoration of Israel While many believe the famous 1948 Arab Israeli War was the complete fulfillment of the prophetic passages in Zechariah and Daniel Rabbi Allan exegetes through thought provoking evidences that there is more to take place before we see the restoration of the Israeli nation and poignantly correlates it to end time Bible prophecy End time Prophecies have proven to be an imperfect study since all has not been revealed to God's people yet We cannot understand prophecy in its entirety without understanding the history of Israel how it has affected many nations and brought us where we are today
