For Love Glory:

Wisdom, Glory and the Name Priest-Monk Silouan, 2013-12-06 A collection of scholarly essays on the role of women in Eastern Christianity in Antiquity and through to contemporary times *The Curse Removed* Dan Salter, 2021-08-18 The atonement is the central doctrine of our Christian faith Today s most popular model penal substitution presumes Jesus took on the guilt of sins to pay for them with his death But that courtroom scenario lacking justice and open armed forgiveness is riddled with questions of how guilt is transferred and why punishing another for a crime is just The recent revival of Christus Victor and mimetic atonement theories may properly deny the Father to Son wrath of penal substitution but they too fall short in explaining the transference of the victory of Jesus s atonement to the sinner who needs rescue Addressing these problems Dan Salter s biblically faithful recast of a redemptive atonement highlights both our human physical essence and our spiritual identity as the beneficiaries of God s restoration True justice and forgiveness can occur only with *The Curse Removed* *Working well, working for love* Javier López Díaz, Millions of people go to work each day some unhappily if they don t like what they re doing or it doesn t interest them others only concerned about the pay they will receive and the financial rewards while others are an example of what Hannah Arendt calls the animal laborans workers who have no other objective or aim than the very work that life has placed before them and which they carry out by natural inclination or by inertia At a higher level is the figure of the homo faber the person who works with a wider view with the aim of making a business or a project a success sometimes seeking personal affirmation but often with the noble aspiration of serving others and serving society as a whole Christians ought to be in this last category and even higher If they really are Christians they will not see themselves as slaves or as paid workers but as children of God for whom work is a vocation and a divine mission to be carried out for love and with love Work is man s vocation the place for his development as a child of God Further it is the matter of his sanctification and the fulfillment of his apostolic mission Hence the Christian should not be afraid of effort or tiredness but should embrace them with joy a joy that has its roots in the shape of the cross The last sentence comes from St Josemaría Escrivé the saint who taught us to sanctify our work turning it into nothing less than the work of God The pages of this book are inspired by his message or rather they are inspired by the message of the Gospel since St Josemaría did nothing other than to teach us the words and life of Jesus above all in his years spent in Nazareth working with St Joseph from whom he learnt to work as an artisan and with Our Lady who served him with her work in the home *The practical works of David Clarkson* David Clarkson, 1865 *Wisdom Songs* Priest-Monk Silouan, 2011-06-01 *Wisdom Songs* is a collection of five Centuries on the Holy Name the Song of Songs Holy Wisdom the Mysteries of Glory and the Wisdom of Stillness This ancient monastic wisdom genre was much loved by the desert fathers and hermits of old nourishing saints and seers for hundreds of years The crises of the environment informational technology interfaith and gender issues all call for wisdom So it is no surprise to find orthodox wisdom offering ancient remedies to renew the living tradition in order to
