Risel Buhler, 2014-07-14 When Dawn regained consciousness she had no recollection of who she was or that she had a husband and children It was a difficult adjustment for both of them Her husband Bill had purchased property in the country and it did not take long before their past intermingled with their present lives Just as life seemed to be returning to normal tragedy and trouble interwove it s way through their family again This time not only putting a strain on their relationship but affecting their friends also Will love conquer all *Love Conquers All* Lenny, Vandy Singleton, 2015-04-30 Do you believe in miracles Do you want to believe that Love with a capital L does indeed conquer all Love Conquers All is a story about a white woman finding a long lost black friend after twenty eight years Lenny has been incarcerated for more than nineteen plus years for six grab and dash robberies committed in six days while he was under the influence of alcohol and crack cocaine Now facing two life sentences plus one hundred years Lenny has been sentenced to die in prison even though there has not been one victim impact statement made against him In their journey through his incarceration her divorce discovering cancer and having major surgeries to prevent paralysis from the neck down they fall inexplicably in Love with a capital L But they must overcome huge obstacles for both have received death sentences Written in letter format this story is raw honest and true to life in describing their spiritual transformations It is a self help manual an examination of the brain and a testament to the power of our thoughts to create our reality It is an honest exploration of many of the systems that make up our world the criminal justice system the healthcare system religious systems the education system government systems and the judicial system It examines nature and mans relationship to it It shows the family unit in all of its dysfunction and includes an examination of humanitys uglier side in terms of how it deals with racism addiction disparity injustice mental illness obesity apathy complacency and shame and sin But more importantly

it is a story of redemption gratitude hope and grace This story offers a discovery of how miracles occur It pays homage to the truth that Love does indeed conquer all **Forever Free** Michelle Marie Angel,2022-06-26 Forever Free is a book comprised primarily of inspired poetry from states of higher consciousness When reading this light information it is intended and expected that the reader will receive the light of truth and gain an expanded awareness This will bring much joy to the ascending soul In addition in each of the seven sections there is an essay that describes varying attributes of the path on human evolution The messages are timely beneficial uplifting and empowering There is an element of spirit that is healing to the heart that is embedded in these words This light filled communication from above will help remove old programming and lift the mind to its rightful place attuned to Truth For any soul who seeks truth and freedom and is following their own path to higher states of consciousness this book will be a gift to your soul **In The Name of Love** Aaron Ben-Ze'ev,Ruhama Goussinsky,2008-02-21 We yearn to experience the idealized love depicted in so many novels movies poems and popular songs Ironically it is the idealization of love that arms it with its destructive power Popular media consistently remind us that love is all we need but statistics concerning the rate of depression and suicides after divorce or romantic break up remind us what might happen if all that we need is taken away This book is about our ideals of love our experiences of love the actual disparity between the two and the manners of coping with this disparity A major study case of the book concerns men who have murdered their wives or partners allegedly out of love It is estimated that over 30% of all female murder victims in the United States die at the hands of a former or present spouse or boyfriend How can murdering a loved one be associated with the assumed moral and altruistic love Not only is love intrinsically ambivalent but it can also give rise to dangerous consequences Some of the worst evils have been committed in the name of love as in the name of God A unique collaboration between a leading philosopher in the field of emotions and a social scientist In the Name of Love presents fascinating insights into romantic love and its future in modern society **Liberation at Long Last** M. Mallia,2014-04-02 Now that Amy has committed suicide just five days before Christmas and four days before her eldest daughters engagement she is hoping to rest in peace forever Having been an avid Catholic church goer for more than twenty years she believed that her soul would go straight to heaven especially since she had punished herself so much on Earth for her sins and her soul had been purged through penance guilt and self punishing for many years on Earth On the other side she will have the respite that she had yearned for all her life and be one with her Creator and lover of her soul There all her sins would be wiped out her soul would be made pure It would be like lying in green pastures lacking nothing in a land where milk and honey flowed and manna falls from above all her needs and desires satiated She hadn't bargained for what actually awaits her and asks herself amongst other endless questions Where does one run to and what does one do when one despairs in the afterlife She finds herself caught up in a state of being from which there is no escape There she is forced to see what she had chosen not to see for more than twenty years of her embodied life In this stage of being she has to wait and see and watch and wait for a

long time Was her misery ever going to end Would she be able to sustain this waiting looking and seeing When will this self judging self condemnation and self criticising ever stop And what can she do to make it go away Does it depend entirely on her as to how long she would have to be here for or will other people have the power to delay or hasten her release others still on the physical realm of existence It would be the very special link she had had with her eldest daughter Marie when still a mortal in a living body a link she would use and abuse before which now would be the lifeline which would liberate her and allow her to move on if not to her Promised Land maybe to a place closer to it than she had ever been **Bible Angels**
