

A wooden cross is the central focus, constructed from thick, weathered wooden beams. A crown of thorns, made of dry, brown, and prickly branches, is draped over the top horizontal beam. Three dark, metallic nails are visible: one is positioned on the left horizontal beam, and two are on the right horizontal beam. The entire scene is set against a deep red, textured background that resembles a heavy cloth or carpet.

Kopic, Bruce L. McCormack, 2012-04-01 This textbook offers a fresh approach to modern theology by approaching the field thematically covering classic topics in Christian theology over the last two hundred years The editors leading authorities on the history of nineteenth and twentieth century theology have assembled a respected team of international scholars to offer substantive treatment of important doctrines and key debates in modern theology Contributors include Kevin Vanhoozer John Webster Veli Matti K rkk inen and Michael Horton The volume enables readers to trace how key doctrinal questions were discussed where the main debates lie and how ideas developed Topics covered include the Trinity divine attributes creation the atonement ethics practical theology and ecclesiology Theology of Hope Sang Yun

Lee,2018-08-01 This book digs deep into Yonggi Cho's teaching of the Threefold Blessing salvation financial prosperity and healing expressing the biblical concept of hope in the Korean Pentecostal context Ironically hope always begins situations where it is lacking The Threefold Blessing was the most urgent and eager hope in the desperate socio economical and political situation following the Korean War Cho's theology successfully contextualized became deeply lodged in the Korean Pentecostals lives which resulted in the growth of strong churches in Korea But the context has now changed in part due to the gospel's successful penetration of Korean culture and the Threefold Blessing must be reinterpreted and theologically recontextualized The original Threefold Blessing emphasized the wellbeing of the individual person The new Threefold Blessing must expand its theological perspectives to include social and ecological matters This book suggests ways for its recontextualization for present and future of Korean Pentecostals

Truth Aflame Larry D. Hart,2010-02-23 Larry Hart's Truth Aflame brings together charismatic renewal and classic evangelical faith better than anything I have read An important contribution to the contemporary renaissance in systematic theology Timothy George Dean of Beeson Divinity School of Samford University Executive Editor of Christianity Today As the Pentecostal charismatic movement continues to grow so does the need for solid theological resources for its members While there are many volumes of systematic theology available very few are written from a distinctly charismatic perspective Truth Aflame seeks to meet that need While academically sound Truth Aflame is written with a practical pastoral flavor Larry Hart defines systematic theology as the process of taking what the Bible teaches and relating it to contemporary questions and knowledge His passion for the subject is evident he is concerned that the reader both grasps the magnificence of the study of God and allows these great truths to be transformative This Truth then liberating enlivening and transforming Truth becomes central to the ongoing renewal of the church that we are seeing in our day Dr Hart treats each of the traditional categories revelation God creation humanity sin Christ salvation the church and last things from a Pentecostal charismatic perspective He addresses other theological viewpoints but does not get bogged down in analysis and rebuttal Further he seeks to build bridges of understanding to those evangelicals outside the charismatic tradition Clear succinct and readable this revised and updated edition of Truth Aflame is well suited not only for students but for anyone desiring a greater understanding of Pentecostal charismatic theology

Revelation, Retribution, and Reminder J. Alexander Rutherford, 2021-03-05 No doctrine appears more horrid to Christians and non Christians alike as the doctrine of Hell the belief in eternal conscious punishment against sin However despite the efforts of many to dismiss the doctrine the Biblical testimony is clear Why is Hell so common in the Bible Why does Jesus talk about Hell so often In this short book we will take a stark look at what the Bible says about Hell as retribution punishment against sin More importantly we will see why this doctrine matters It matters because only in light of Hell do we understand the Cross of Christ Hell is a revelation of God of His mercy love and justice Finally Hell reminds us that we are surrounded by many who will die and face Hell if they do not believe in Jesus Christ and receive the mercy of God offered through Him

Planet Earth Under Divine Judgment Shawki Hanna, 2018-10-30 Earthquakes floods forest fires famine pestilence disease volcanos tsunamis terrorism violence economic uncertainty racial and ethnic turmoil war What does it all mean What is the earth coming to People are afraid and wondering what the future might hold It seems there is no security anymore Upon finishing this book the reader will have the inside story regarding what the future really holds for mankind Some of life's most pressing questions will be answered such as What happens when you die Will the inhabitants of this earth annihilate themselves Will the earth end with a bang or a whimper Is there any hope for a brighter future This book is written from a unique perspective the perspective of a layman who has been fascinated with Biblical prophecy for years All the points made are amply supported from Scripture alone His desire is to share a different viewpoint which will awaken readers to study and think for themselves In years gone by many people put their hope and confidence in God but it seems now in the public square no one even thinks or cares about God But awake God is still in control and He knows the end from the beginning He created this earth and He has not just left it to run on its own He is intimately concerned about everything that happens and He has grand plans for it Read this book and find out what they are The book recounts the great themes of the Bible themes of faith the nature of God and the Trinity Christ in the Old Testament Christ's atoning sacrifice on the cross and His resurrection bringing the promise of salvation to all mankind Difficult subjects are addressed such as what happens when a person dies and the Antichrist as well as the signs of the end of the world the final judgments of God on unrepentant humanity as vividly portrayed in Revelation and the last great battle when Jesus Christ is victorious over the Devil See how the prophecies of Daniel Ezekiel Joel and Zechariah in the Old Testament dovetail perfectly

with what Christ foretold and what John was shown in Revelation The prophecies of the end of the age are more exciting than any thriller developed for TV or movies Extremely difficult times are coming This book will teach the reader how to survive the times of tribulation Learn how a loving God will bring destruction upon the inhabitants of the earth He has been pleading for millennia for His creatures to commit themselves to Him but they would not Evil has increased to the point where God in His mercy must also display His justice and vengeance and bring an end to it all It is a strange act for this God of love but He has no choice The inhabitants of earth have not only been destroying themselves but they have destroyed the earth God must intervene according to His appointed time which is coming soon He can no longer bear to see His creation suffering The destruction on earth is not the end of the story The world will not just be destroyed and forgotten There is wonderful hope and good news Evil will not have the last word God will have it King Jesus the Messiah is coming back to this earth again not as a tiny helpless baby but as a warrior King He will rule and His believers will reign with Him for eternity There will be new heavens and a new earth more glorious than anyone could ever imagine There will be no more death sorrow pain or crying Are you prepared for His coming

Cfaith Explorers Gabriel Folorunso,2021-03-09 The age long misconceived idea that Christianity is just one of the other religions has unfortunately done more harm than good in preventing millions and millions of people all over the world from embracing the truth about Jesus The Cfaith Explorers which is a short for the Christian faith explorers is written out of a genuine desire for people who would like to explore what the Christian faith is all about It provides in a most practical chronological and dramatic way how God s revelation and dealings with humanity culminated in the birth of the Messiah Jesus Christ the Saviour of the whole world It is the truth about Jesus Christ that brings people to the life changing relationship with the living God not religion
