A Million Little Miracles Mark Batterson, 2024-11-19 The New York Times bestselling author of *Win the Day* reminds us of the millions of miracles God performs every day and inspires us to live with a clearer sense of identity and purpose Think you've never experienced a miracle With all due respect you have never not In fact you are one There never has been and there never will be anyone else like you That isn't a testament to you It's a testament to the God who created you Your fingerprint, eyeprint and voiceprint are unlike anyone else's Simply put you matter to God Most of us take everyday miracles for granted including the one that stares back at us in the mirror It's time to take them for gratitude Why is that so important Because whatever you don't turn into praise turns into pride The miracle of life becomes mundane We get so wrapped up in our own little world we end up worshipping a god who looks like us, acts like us and thinks like us It's no wonder we've lost our wonder But there is a way to recapture holy curiosity In *A Million Little Miracles* New York Times bestselling author Mark Batterson reveals three miraculous truths that awaken us to the Creator and His creation 1 God Is Bigger Than We Think we can rest in His wisdom and strength 2 God Is Closer Than We Realize we never have to do life alone 3 God Is Better Than We Imagine we can reclaim our childlike wonder A million little miracles are waiting to be discovered including the miracle called you

Reflections on Constitutional Law George Anastaplo, 2006-08-25 Constitutional scholar George Anastaplo believes that many judges and lawyers draw upon a skimpy if not simply unreliable knowledge of history He proposes that in order to write reliable opinions these men and women must have a deeper understanding of the enduring principles upon which the law naturally tends to draw In the study of constitutional law Anastaplo argues that it is more important to weigh what the Supreme Court has said and how that is said what considerations it weighed and how than it is to know what it is recorded that the Court decided In *Reflections on Constitutional Law* Anastaplo makes the case for a renewed focus on a now often overlooked aspect of the study of law He emphasizes the continuing significance and importance of the Constitution by thoroughly examining the most important influences on the American constitutional system including the Magna Carta and the Declaration of Independence
