George Meredith:

George Meredith's Essay On Comedy and Other New Quarterly Magazine Publications George Meredith, 1998 In this book Meredith's prose is presented for the first time in a critical edition. Its goal is to present Meredith's words as he intended them to be read without the errors of his publishers and with a complete scholarly apparatus that allows readers to re-create the history of each work's transmission. Each text originally published in the New Quarterly Magazine between 1877 and 1879 is accompanied by a textual history, a list of editorial emendations, a historical collation showing how Meredith's texts changed over time, and additional lists and tables as determined by the special circumstances of each text. *The Poetical Works of George Meredith* George Meredith, George Macaulay Trevelyan, 1912 The poems are the texts used in the Memorial Edition of Meredith's works. The early poems were primarily written in or about 1849 when the poet was twenty-one years old. Meredith was a poet, novelist, but his poetry follows the same course of development as his novels, moving from early examinations of the self in society to a later concern with broader social issues and defiance of the conventions of the form. Meredith explored new meters and stanzaic forms and experimented dramatically with syntax and grammar. His poetry has been described as verbally dense, allusive, and metaphorical, and in many ways reflective of the late nineteenth-century inclination toward aesthetic artifice.

Poems by George Meredith George Meredith, 1906 **George Meredith, Collection Novels** George Meredith, 2016-01-26 George Meredith OM 1828-1909 was an English novelist and poet of the Victorian era. He had a keen understanding of comedy, and his *Essay on Comedy* (1877) remains a reference work in the history of comic theory. In *The Egoist* (published in 1879) he applies some of his theories of comedy in one of his most enduring novels. Some of his writings, including *The Egoist*, also highlight the subjugation of women during the Victorian period. His first successful novel was *Diana of the Crossways* (published in 1885). In this book, *The Egoist*, *Diana of the Crossways*, *The Ordeal of Richard Feverel*.
