and speeches this Deluxe eBook edition of *Decision Points* brings to life the critical decisions of George W Bush's presidency. George W Bush served as president of the United States during eight of the most consequential years in American history. The decisions that reached his desk impacted people around the world and defined the times in which we live. *Decision Points* takes readers inside the Texas governor's mansion on the night of the 2000 election, aboard Air Force One during the harrowing hours after the attacks of September 11, 2001, into the Situation Room moments before the start of the war in Iraq, and behind the scenes at the White House for many other historic presidential decisions on the financial crisis, Hurricane Katrina, Afghanistan, and Iran. In addition, it offers intimate new details on his quitting drinking, his discovery of faith, and his relationship with his family. The Deluxe eBook edition also includes Videos from the defining moments of the presidency, including Bush's inspiring Ground Zero speech to the 9/11 rescue workers, intimate family home movies, and a special introduction to the edition from the president himself. Full texts of his most important speeches, including his addresses to the nation about 9/11, Afghanistan, and Iraq, and his second Inaugural. Handwritten letters from the president's personal correspondence. And more than 50 new photos not contained in the print version of *Decision Points*. A groundbreaking first in bringing multimedia to presidential memoir, the Deluxe eBook edition of *Decision Points* will captivate supporters, surprise critics, and change perspectives on eight remarkable years in American history and on the man at the center of events. **41**

George W. Bush, 2014-11-11. 1. NEW YORK TIMES BESTSELLER. George W. Bush, the 43rd President of the United States, has authored a personal biography of his father, George H. W. Bush, the 41st President. Forty-three men have served as President of the United States. Countless books have been written about them. But never before has a President told the story of his father, another President, through his own eyes and in his own words. A unique and intimate biography, the book covers the entire scope of the elder President Bush's life and career, including his service in the Pacific during World War II, his pioneering work in the Texas oil business, and his political rise as a Congressman, U.S. Representative to China, and the United Nations, CIA Director, Vice President, and President. The book shines new light on both the accomplished statesman and the warm, decent man known best by his family. In addition, George W. Bush discusses his father's influence on him throughout his own life, from his childhood in West Texas to his early campaign trips with his father and from his decision to go into politics to his own two-term Presidency. *President George W. Bush*. Beatrice Gormley, 2000-12-14. Our new president, George W. Bush, once said, "I never dreamed about becoming president. When I was growing up, I wanted to be Willie Mays." George W. was born in 1946 and attended Yale University. As a young man, he trained as a fighter pilot in the Texas Air National Guard before beginning a career in business. He then turned to Texas politics and served as governor there from 1994 to 2000. This is the first biography for young people to be published about the forty-third president of the United States, George W. Bush. With up-to-the-minute information and quotes from our new president, including details of the final days of the campaign and a description of the events from Election Day to acceptance speech, this book is essential reading for every young student of

American history George W. Bush Jim Mann,2015-02-03 George W Bush was a controversial president whose time in office was defined by the September 11 attacks and the War on Terrorism Mann assesses the decisions that shaped Bush's presidency and shows how the internal debates and fissures within the administration played out in such a charged atmosphere

President George W. Bush George W. Bush,2005-07 This statement from the Office of the Pres of the U S issued 3 months before the presidential election of 2004 recounts the achievements of the first term of Pres George W Bush waging strengthening our military supporting our veterans promoting peace protecting the homeland economic growth opening markets expanding homeownership energy security corporate accountability reform immigration reform reforming improving American education a more compassionate America protecting children strengthening families promoting a culture of life fighting crime strengthening the judiciary conserving protecting the environment *George W. Bush, Former President of the United States (Leadership, Vision, Reforms)* IBP USA,2013-08 A collaboration between an attorney and an animal protection advocate this work utilizes the extremely controversial and high profile crush video case US v Stevens to explore how American society attempts to balance the protection of free speech and the prevention of animal cruelty Starting from the detailed case study of a single prominent ruling the authors provide a masterful survey of important issues facing society in the area of animal welfare The Stevens case included various hot topic elements connected to the role of government as arbiter of public morality including judicial attitudes to sexual deviance and dogfighting Because it is one of only two animal rights cases that the US Supreme Court has handled and the only case discussing the competing interests of free speech and animal cruelty it will be an important topic for discussion in constitutional and animal law courses for decades to come The Stevens case arose from the first conviction under 18 USC 48 Section 48 a federal law enacted in 1999 which criminalized the creation sale and or possession of certain depictions of animal cruelty The US Congress intended Section 48 to end the creation and interstate trafficking of depictions of animal cruelty in which animals are abused or even killed for entertainment's sake Proponents of Section 48 predicted that countless benefits to both humans and animals would flow from its enforcement Opponents of the law argued that it was too far reaching and would stifle protected speech Critics of Section 48 appeared to have prevailed when the US Supreme Court struck the law down as unconstitutionally overbroad Although a law tailored to address the Supreme Court's concerns was quickly enacted the free speech animal cruelty controversy is far from over *George W. Bush* BreAnn Rumsch,2020-08-01 This biography introduces readers to George W Bush including his early political career and key events from Bush's administration including the September 11 terrorist attacks the Iraq War and Hurricane Katrina Information about his childhood family personal life and retirement years is included A timeline fast facts and sidebars provide additional information Aligned to Common Core Standards and correlated to state standards Checkerboard Library is an imprint of Abdo Publishing a division of ABDO *George W.
