Railway Carmen's Journal ,1925 **Boston Medical and Surgical Journal** ,1916 *The Boston Medical and Surgical Journal* ,1916 *Old Penn* ,1915 *Hearings, Reports and Prints of the House Committee on Agriculture* United States. Congress House. Committee on Agriculture,1965 *Congressional Record* United States. Congress,1992 National Republic ,1927 **Banks and Politics During the Progressive Era** Richard T. McCulley,2012 Despite the political potency of money and banking issues historians have largely dismissed the Progressive Era political debate over banking as irrelevant and have been preoccupied with explaining the shortcomings limitations and inadequacies of the Federal Reserve Act The picture that has emerged is one of bankers controlling the course of financial reform with the assistance of political leaders who were either subservient hopelessly naive or insincere in their public opposition to bankers This book places their exertions in a larger unfolding political context and traces in an analytical narrative the interplay of sectional and economic interests political ideologies and partisan clashes that shaped the course of banking reform **Popular Science Monthly** ,1915 **America in the Age of the Titans** Sean Dennis Cashman,1988-08-01 Detailing the events of the Progressive Era and World War I 1901 20 America in the Age of the Titans is the only interdisciplinary history covering this period currently available The book contains the results of research into primary sources an drecent scholarship with an emphases on leading personalities and anecdotes about them Sean Dennis Cashman s sequesl to America in the Gilded Age gives special attention to industry and inventions and social and cultural history He covers developments in science technology and industry the Progressive movement and the presidencies of Theodore Roosevelt immigration the new woman and labor including the Industrial Workers of the World and the Great Red Scare the transportation and communications revolution in radio and motion pictures the cultural contribution of artists architects and creatice writers and America s foreign policies across the world Written in a lively accessible style with over sixty illustrations this book is an excellent introduction to these momentous years It provides an assessment of the contributions of the titans political scientific and industrial **Popular Science** ,1915-06 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **The Republican Command** Horace Samuel Merrill,Marion Galbraith Merrill,2014-07-15 This powerful book reminds us of the enormous power the nation accords its political leaders and how in the significant period 1897 1913 these leaders failed to meet their responsibilities Their inadequacies the authors feel delayed the administration of justice for all citizens neglected the Negro and seriously impaired the future effectiveness of their own once viable successful and justly proud Republican Party The authors follow the maneuvers of McKinley Roosevelt Taft Senators Aldrich Platt Allison and Spooner and House Speaker Uncle Joe Cannon as they juggled pressing domestic questions perpetuating themselves in power without really confronting the public need From the outset when the party came

into power in 1897 under remarkably auspicious circumstances until it met final defeat at the hands of Woodrow Wilson in 1912 the Republican leaders laid a foundation by default for the Democratic return to power Their neglect of major national problems afforded the Democrats a golden opportunity to appropriate those issues as their own **National Republican**

,1927 **Henry Ford and Grass-roots America** Reynold M. Wik,1973 A study of Henry Ford and rural America in the 1920s **The Survey** ,1922 **Editor & Publisher** ,1929 **Journal of the National Education Association** ,1929
