Lynda Goodwin,Michael Goodwin,2013-04-02 George Eastwood is a fifty two year old middle aged man husband and proud father of two grown children George has been brought up within the old traditional values of working hard for a living and getting on with life no matter what it may throw at you The problem is life is not being very kind to him at the moment he is getting older out of work and the demands of family life are pushing him to the edge of despair He feels anxious and depressed and cant seem to look forward to anything that can make him feel better Then one day he finds himself on his way to a job interview with a promise that it could be just what he needs to turn his life around As he rushes to cross the busy road to catch his train he is helplessly hacked down by a speeding car driven by a seventeen year old drop out Georges story continues as he wakes up in strange surroundings an old Library containing the knowledge of the universe It is within this place of no time but all time that he looks around believing he is dead but yet not dead and then the strangest of occurrences takes place He is confronted by a voice that speaks to him of his true destiny a voice that gives reason to a world that has become confused and lost within the false identity that has created it He is astounded as a friendship is pulled together and the big fundamental questions of who we truly are and our purpose upon the earth are revealed to him in a series of conversations and reflections that lead him towards peace forgiveness the relinquishment of fear and finally to know that life can be happy on the earth plane when the false self that has held us tightly in its grip for thousands of years is finally released George is fascinated by the voice that holds all the answers to a freedom that has been

MacDonald's eight shorter fairy tales and his longer stories *At the Back of the North Wind*, *The Princess and the Goblin*, *The Wise Woman*, and *The Princess and Curdie*. MacDonald saw the imagination as the source of fairy tales and of divine truth together. For he believed that God lives in the depths of the human mind and sends up from thence wonderful gifts into the light of the understanding. This makes MacDonald that very rare thing, a writer of mystical fiction whose work can give us experience of the divine. Throughout his children's fantasy stories MacDonald is describing the human and divine imagination. In the shorter tales he shows how the imagination has different regions and depths, each able to shift into the other. With the longer stories we see the imagination in relation to other aspects of the self and to its position in the world. Here the imagination is portrayed as often embattled in relation to empiricism, egotism, and greed.

The Wise and the Lovely
Michael Repasky, 2001. In the world of good and evil, Cane St George found many distractions; the man in black sought out Matt Lawrence, a novice adventurer, to accompany him on a mission to Africa. On the way, encounters with the lovely Carla Deberow, an innocent Ingrid Bauer, and the precious child of Africa, Sannie, led to the gravesite of Cane St George's father. Matt is awoken to the magic of Africa of those who love it and despise losing it to a Black majority. A rogue bull elephant decides all, and Matt comes face to face with the crushing blow of destiny. *The Wise and the Lovely* is for those who seek adventure along the lovely road of fate.

Walking with James Hogg
Gilkison Bruce Gilkison, 2016-06-14. Retracing Hogg's remarkable journeys in the 21st century. James Hogg, also known as the Ettrick Shepherd, was a writer, poet, sportsman, musician, and larger-than-life personality. In 1802, uneducated and still unknown, he set out on the first of a series of journeys through Scotland from the Borders to the Highlands and Hebrides. The journeys were inspiring, life-changing, and often frightening. They led him to a life of chaos, failures, fame, fun, and literary masterpieces. Now a descendant follows his footsteps and reflects on his experiences and on the remarkable rediscovery of Hogg's works a century after his death. It is a story of tenacity, of daring to be different and against all odds, success, and a flourishing legacy. It is a lively look at an extraordinary life and some of his works, including *Confessions of a Justified Sinner*, considered by many to be one of the greatest novels ever written. Bruce Gilkison, a New Zealander and a great-great grandson of Hogg, walked through Scotland to discover what was special about him and his journeys. Like Hogg, he had no idea where these travels might lead. He found a world of stunning landscapes, fairies, and mystery, genius and ambiguity, friendships and backstabbing, and learnt about his flawed, lovable, and eccentric ancestor. **Key Features:** Celebrates the extraordinary life of a flawed and lovable character and provides a brief and accessible study of Hogg's works. Examines three Scottish journeys and provides an account of the same trips recreated by one of his great-great grandsons. Provides a guide to parts of Hogg's travels in the Highlands, Western Isles, and some other locations, showing how these influenced his career and his writing. Demonstrates Hogg's ongoing relevance in the 21st century.
