Out Of The Shadow Christopher Maynard,2008 As America watched the fall of the Berlin Wall with great enthusiasm President George H W Bush called the incident simply a good development He knew that the Cold War was far from over and that bringing it to an end would require not only symbolic gestures but also practical diplomacy During Bush s presidency 1989 93 the Berlin Wall fell the Warsaw Pact dissolved Germany was reunified and the Soviet Union ceased to exist Yet many people believe the Cold War ended under Reagan and that Bush s foreign policy achievements were merely an extension of Reagan s policies In this in depth look at the Bush administration s handling of the end of the Cold War author Christopher Maynard argues that Bush actually made a fundamental shift in foreign policy regarding the Soviet Union In part he believes historians have downplayed Bush s contribution because they have focused on the strong ideological rhetoric of Reagan and Gorbachev without looking at the day to day process of policymaking during the Cold War Out of the Shadow incorporates a variety of important previously unused sources Its focused treatment of the topic will appeal to scholars interested in both the first Bush presidency and the Cold War

Shrub Molly Ivins,Lou Dubose,2000-10-10 When it comes to reporting on politics nobody does it

smarter or funnier than bestselling author Molly Ivins In Shrub Ivins focuses her Texas size smarts on the biggest politician in her home state George Walker Bush or Shrub as Ivins has nicknamed Bush the Younger A candidate of vague speeches and an ambiguous platform Bush leads the pack of GOP 2000 presidential hopefuls Dubya could very well be our next president What voters need now is an original smart and accessible analysis of Bush one that leaves the youthful indiscretions to the tabloids and gets to the heart of his policies and motivations Ivins is the perfect woman for the job With her trademark wit and down home wisdom Molly Ivins shares three pieces of advice on judging a politician The first is to look at the record The second is to look at the record And third look at the record In this book Ivins takes a good hard look at the record of the man who could be the leader of the free world Beginning with his post college military career Ivins tracks Dubya s winding sometimes unlikely path from a failed congressional bid to a two term governorship Bush has made plenty of friends and supporters along the way including Texas oil barons evangelist Billy Graham and co investors in the Texas Rangers baseball team You would have to work at it to dislike the man she writes But for all of Bush s likeability Ivins points to a disconcerting lack of political passion from this ascending presidential candidate In her words If you think his daddy had trouble with the vision thing wait till you meet this one Witty trenchant and on target Ivins gives a singularly perceptive and entertaining analysis of George W Bush To head to the voting booth without it would be downright un American From Shrub The Short but Happy Political Life of George W Bush The past is prologue in politics If a politician is left right weak strong given to the waffle or the flip flop or as sometimes happens an able soul who performs well under pressure all that will be in the record Bush s welfare record Texas pols like to git tuff on crime welfare commies and other bad stuff Bush proposed to git tuff on welfare recipients by ending the allowance for each additional child which in Texas is 38 a month Bush and the Christian right Bush has learned to dance with the Christian right It has been interesting and amusing to watch the process Interesting because it s sometimes hard to tell who s leading and who s following amusing because when a scion of Old Yankee money gets together with a televangelist with too much Elvis the result is swell entertainment Bush s environmental record Since Governor Bush s election Texas air quality has been rated the worst in the nation leading all fifty states in overall toxic releases recognized carcinogens in the air cancer risk and ten other categories of pollutants Bush s military career Bush was promoted as the Texas Air National Guard s anti drug poster boy one of life s little ironies given the difficulty he has had answering cocaine questions all these years later George Walker Bush is one member of the younger generation who doesn t get his kicks from pot or hashish or speed reads a Guard press release of 1970 Oh he gets high all right but not from narcotics
