**Catholic Emancipations** Emer Nolan,2007-10-15 This groundbreaking book explores the role 19th century Irish Catholic authors played in forging the creation of modern Irish literature As such it offers a unique tour of Ireland's literary landscape from early origins during the Catholic political resurgence of the 1820s to the transformative zenith wrought by James Joyce's Ulysses in 1922 Emer Nolan observes that contemporary Irish literature is steeped in the ambitions and internal conflicts of a previously captive Irish Catholic culture that came into its own with the narrative art form He revisits with keen insights the prescient and influential songs poems and prose of Thomas Moore He also points out that Moore's wildly successful work helped create an audience for authors to come i e John and Michael Banim William Carleton and the popular novelists Gerald Griffin and Charles Kickham An innovative aspect of this study is the author's exploration of the relationship between James Joyce and Irish culture and his nineteenth century Irish Catholic predecessors and their political and national passions It is in effect a telling look at the future history of Irish fiction

*The American Genealogist*, 2001

**Henry VI** Bertram Wolffe, 2001-01-01 In this widely acclaimed biography Bertram Wolffe challenges the traditional view of Henry VI as an unworldly innocent and saintly monarch and offers instead a finely drawn but critical portrait of an ineffectual ruler Drawing on widespread contemporary evidence Wolffe describes the failures of Henry s long reign from 1422 to 1471 which included the collapse of justice the loss of the French territories and the final disintegration of his government He argues that the posthumous cult of Henry was promoted by Henry VII as a way of excusing his uncle s political failures while enhancing the image of the dynasty This edition includes a new foreword by John Watts that discusses the book and its place in the evolving literature Reviews of the earlier edition A brilliant biography that brings us as near as we are ever likely to come to this elusive personality Sunday Times London A powerful compulsively readable portrait Observer Much learning skillfully deployed as here evokes pleasure as well as admiration R L Storey Times Literary Supplement
