George Seferis Collected Poems:

George Seferis George Seferis, 2016-06-10 In this new edition of George Seferis's poems the acclaimed translations by Edmund Keeley and Philip Sherrard are revised and presented in a compact English only volume The revision covers all the poems published in Princeton's earlier bilingual edition *George Seferis Collected Poems* expanded edition 1981 Winner of the Nobel Prize for Literature in 1963 George Seferis 1900-1971 has long been recognized as a major international figure and Keeley and Sherrard are his ideal translators They create in the words of Archibald MacLeish a translation worthy of Seferis which is to praise it as highly as it could be praised Although Seferis was preoccupied with his tradition as few other poets of the same generation were with theirs and although he was actively engaged in the immediate political aspirations of his nation his value for readers lies in what he made of this preoccupation and this engagement in fashioning a broad poetic vision He is also known for his stylistic purity which allows no embellishment beyond that necessary for precise yet rich poetic statement Collected Poems George Seferis, 1995-07-23 This is a translation worthy of Seferis which is to praise it as highly as it could be praised Archibald MacLeish

Camões, 2016-07-08 Lu s de Cam es is world famous as the author of the great Renaissance epic The Lus ads but his large and equally great body of lyric poetry is still almost completely unknown outside his native Portugal In The Collected Lyric Poems of Lu s de Cam es the award winning translator of The Lus ads gives English readers the first comprehensive collection of Cam es s sonnets songs elegies hymns odes eclogues and other poems more than 280 lyrics altogether all rendered in engaging verse Cam es 1524 1580 was the first great European artist to cross into the Southern Hemisphere and his poetry bears the marks of nearly two decades spent in north and east Africa the Persian Gulf India and Macau From an elegy set in Morocco to a hymn written at Cape Guardafui on the northern tip of Somalia to the first modern European love poems for a non European woman these lyrics reflect Cam es s encounters with radically unfamiliar peoples and places Translator Landeg White has arranged the poems to follow the order of Cam es s travels making the book read like a journey The work of one of the first European cosmopolitans these poems demonstrate that Cam es would deserve his place among the great poets even if he had never written his epic Selected Poems of Solomon Ibn Gabirol Solomon Ibn

Gabirol, 2016-06-30 Poet philosopher and sensitive misanthrope a spectacular fly in the ointment of the refined eleventh century Andalusian Jewish elite Solomon Ibn Gabirol comes down to us as one of the most complicated intellectual figures in the history of post biblical Judaism Unlike his worldly predecessor Shmuel HaNagid the first important poet of the period Ibn Gabirol was a reclusive mystically inclined figure whose modern sounding medieval poems range from sublime descriptions of the heavenly spheres to poisonous jabs at court life and its pretenders His verse which demonstrates complete mastery of the classicizing avant garde poetics of the day grafted an Arabic aesthetic onto a biblical vocabulary and Jewish setting taking Hebrew poetry to a level of metaphysical sophistication and devotional power it has not achieved since Peter Cole s selection includes poems from nearly all of Ibn Gabirol s secular and liturgical lyric genres as well as a complete translation of the poet s long masterwork Kingdom s Crown Cole s rich inventive introduction places the poetry in historical context and charts its influence through the centuries Extensive annotations accompany the poems This companion volume to Peter Cole s critically acclaimed Selected Poems of Shmuel HaNagid presents the first comprehensive selection of Ibn Gabirol s verse to be published in English and brings to life an astonishing body of poetry by one of the greatest Jewish writers of all time

Selected Poems of Giovanni Pascoli Giovanni Pascoli, 2019-10-15 The most comprehensive collection in English of the founder of modern Italian poetry Giovanni Pascoli 1855 1912 the founder of modern Italian poetry and one of Italy s most beloved poets has been compared to Robert Frost for his evocation of natural speech his bucolic settings and the way he bridges poetic tradition and the beginnings of modernism Featuring verse from throughout his career and with the original Italian on facing pages Selected Poems of Giovanni Pascoli is a comprehensive and authoritative collection of a fascinating and major literary figure Reading this poet of nature grief and small town life is like traveling through Italy s landscapes in his footsteps from Romagna and Bologna to Rome Sicily and Tuscany as the country transformed from an agrarian society

into an industrial one Mixing the elevated diction of Virgil with local slang and the sounds of the natural world these poems capture sense laden moments a train s departure a wren s winter foraging and the lit windows of a town at dusk Incorporating revolutionary language into classical scenes Pascoli s poems describe ancient rural dramas both large and small that remain contemporary Framed by an introduction annotations and a substantial chronology Taije Silverman and Marina Della Putta Johnston s translations render the variety precision and beauty of Pascoli s poetry with a profoundly current vision

Leopardi Giacomo Leopardi, 2016-06-30 These translations of the major poems of Giacomo Leopardi 1798-1837 render into modern English verse the work of a writer who is widely regarded as the greatest lyric poet in the Italian literary tradition In spite of this reputation and in spite of a number of nineteenth and twentieth century translations Leopardi s poems have never come over into English in such a way as to guarantee their author a recognition comparable to that of other great European Romantic poets By catching something of Leopardi s cadences and tonality in a version that still reads as idiomatic modern English with an occasional Irish or American accent Leopardi Selected Poems should win for the Italian poet the wider appreciative audience he deserves His themes are mutability landscape love his attitude one of unflinching realism in the face of unavoidable human loss But the manners of the poems are a unique amalgam of philosophical toughness and the lyrically bittersweet In a way more pure and distilled than most others in the Western tradition these poems are truly what Matthew Arnold asked all poetry to be a criticism of life The translator s aim is to convey something of the profundity and something of the sheer poetic achievement of Leopardi s inestimable *Canti*
