

1996 Summer Olympics Games of the XXVI Olympiad

From July 19 through August 4, 1996, Atlanta hosted the Centennial Summer Olympic Games, the largest event in Atlanta's history. In 1990, the International Olympic Committee chose Atlanta over five other cities. Atlanta attorney Billy Payne and Mayor Andrew Young were the prime architects of the winning bid. Preparations had an estimated economic impact of at least \$5.14 billion. Civic leaders built new sports venues, created park space, improved sidewalks and streets, and altered housing patterns. During the Olympics more than 2 million visitors came to Atlanta, and an estimated 3.5 billion people around the world watched on television. For the first time, all nations invited sent athletes, more than 10,000 competitors from 197 nations. The 1996 Olympics promoted Atlanta's image as an international city, positioning it to play an important role in global commerce.

The Natural Communities of Georgia Leslie Edwards, Jonathan Ambrose, L. Katherine Kirkman, 2013-02-01 The Natural Communities of Georgia presents a comprehensive overview of the state s natural landscapes providing an ecological context to enhance understanding of this region s natural history Georgia boasts an impressive range of natural communities assemblages of interacting species that have either been minimally impacted by modern human activities or have successfully recovered from them This guide makes the case that identifying these distinctive communities and the factors that determine their distribution are central to understanding Georgia s ecological diversity and the steps necessary for its conservation Within Georgia s five major ecoregions the editors identify and describe a total of sixty six natural communities such as the expansive salt marshes of the barrier islands in the Maritime ecoregion the fire driven longleaf pine woodlands of the Coastal Plain the beautiful granite outcrops of the Piedmont the rare prairies of the Ridge and Valley and the diverse coves of the Blue Ridge With contributions from scientists who have managed researched and written about Georgia landscapes for decades the guide features more than four hundred color photographs that reveal the stunning natural beauty and diversity of the state The book also explores conservation issues including rare or declining species current and future threats to specific areas and research needs and provides land management strategies for preserving restoring and maintaining biotic communities The Natural Communities of Georgia is an essential reference

for ecologists and other scientists as well as a rich resource for Georgians interested in the region's natural heritage A History of Georgia for Use in Schools Lawton Bryan Evans, 1898 The American Educational Catalog , 1922 The American Educational Catalogue , 1919 *A History of Rome and Floyd County, State of Georgia, United States of America* George Magruder Battey, 1922 Ethnic Conflict in Asymmetric Federations Gorana Grgić, 2016-12-19 In the last years of their existence the Union of Soviet Socialist Republics USSR and the Socialist Federal Republic of Yugoslavia SFRY found themselves facing a similar and very grim state of affairs After their disintegration the former Yugoslav republics spiralled into a set of ethnic conflicts that did not leave a single one of them unscathed and in the ex Soviet space conflicts were far more limited This book offers an in depth analysis of the difference in state collapses and ensuing conflicts in the Soviet Union and Yugoslavia by focusing on their asymmetric ethnofederal structure and the different dynamics of ethnic mobilization that the federal units experienced Moreover it explores the links between identity politics and international relations as the latter has been a latecomer in research on ethnonationalism and ethnic conflict Finally it contributes to the literature on the democratization conflict nexus by proposing that the sequencing of ethnic mobilization and political liberalization has significant effects on the likelihood of conflict This text will be of key interest to scholars and students of Post Soviet politics Balkan politics ethnic conflict peace and conflict studies federalism and more broadly to comparative politics and international relations **A History of Rome and Floyd County, State of Georgia ...** George Magruder Battey, 1922 **"The" English Catalogue of Books** , 1898 **The Publishers Weekly** , 1996 Cumulated Index Medicus , 1997 **The Power of Neo-Slave Fiction and Public History** Grant Rodwell, 2023-10-13 Professional historians schools colleges and universities are not alone in shaping higher order understanding of history The central thesis of this book is the belief historical fiction in text and film shape attitudes towards an understanding of history as it moves the focus from slavery to the enslaved from the institution to the personal families and feminist accounts In a broader sense this contributes to a public history In part using the quickly growing corpus of neo slave counterfactual narratives this book examines the notion of the emerging slavery public history and the extent to which this is defined by literature film and other forms of artistic expression rather than non fiction popular or scholarly and education in history in the school systems Inter alia this book looks to the validity of historical fiction in print or in film as a way of understanding history A focal point of this book is the hypothesis that neo slave narratives supported by selective triangulated readings and viewings of scholarly works and non fiction have assisted greatly in re shaping the historiography of antebellum slavery and scholarly historians followed in the wake of these developments Essentially this has meant a re shaping of the historiography with a focus from slavery to that of the enslaved Moreover it has opened new vistas for a public history devoid of top down authoritative scholarship An important and provocative read for students and scholars interested in understanding the history of slavery its harrowing effects and how it was culturally defined **Life-writing in the History of Archaeology** Gabriel Moshenska, Clare

Lewis,2023-07-10 Life writing is a vital part of the history of archaeology and a growing field of scholarship within the discipline The lives of archaeologists are entangled with histories of museums and collections developments in science and scholarship and narratives of nationalism and colonialism into the present In recent years life writing has played an important role in the surge of new research in the history of archaeology including ground breaking studies of discipline formation institutionalisation and social and intellectual networks Sources such as diaries wills film and the growing body of digital records are powerful tools for highlighting the contributions of hitherto marginalised archaeological lives including many pioneering women hired labourers and other hidden hands This book brings together critical perspectives on life writing in the history of archaeology from leading figures in the field These include studies of archive formation and use the concept of dig writing as a distinctive genre of archaeological creativity and reviews of new sources for already well known lives Several chapters reflect on the experience of life writing review the historiography of the field and assess the intellectual value and significance of life writing as a genre Together they work to problematise underlying assumptions about this genre foregrounding methodology social theory ethics and other practice focused frameworks in conscious tension with previous practices

Mary Turner and the Mob Thomas Aiello,2025-01-23 A reinterpretation of one of America s most notorious lynchings The 1918 lynching of Mary Turner by a white mob in Brooks County Georgia is remembered and studied mainly because of the horror of an allegedly pregnant woman s murder In Mary Turner and the Mob author Thomas Aiello asserts that the gruesome details of Turner s execution have distracted historians from investigating the larger context of these terrible events Turner was murdered but not pregnant the author contends and Walter White the NAACP investigator in the case knew this but obscured the facts because of the story s effectiveness Aiello approaches Turner s murder and broader violence in Brooks County not only as a series of lynchings in the rural South but also as events best understood as part of a sustained wave of racial violence during the long Red Summer beginning in East St Louis in 1917 and continuing until the Tulsa Massacre in 1921
