A History of Seating,

3000 BC to 2000 AD Jenny Pynt, Joy Higgs, 2010 The focus of this book is on functional seating and the key argument presented is that functional seating needs to assist the person using it for the performance of seated tasks enhance rather than detract from the person's posture and health and it needs to provide aesthetic features that do not limit task or health The book spans the period 3000BC to 2000AD and presents largely Western seating This book is unique in its approach to seating because it draws together evidence that relates to seating that facilitates health and task while also addressing aesthetic factors This evidence creates an understanding of how seats may be designed to not only promote bodily health but also allow functional optimisation of sitting and seating This book is important to furniture and industrial designers interior decorators architects those teaching seat design health professionals attending and educating those who relax or work in the seated position furniture historians and members of the general public interested in the history of seating The Encyclopedia of Furniture Joseph Aronson, 1961-12-13 A completely revised edition covering every period and development to the present the designers and makers the woods and other materials the architecture and decoration 2 000 photographs Glossary Bibliography Index

Beau Brummell Ian Kelly, 2013-07-23 If people turn
 to look at you in the street you are not well dressed but either too stiff too tight or too fashionable Beau Brummell Long
 before tabloids and television Beau Brummell was the first person famous for being famous the male socialite of his time the
 first metrosexual 200 years before the word was conceived His name has become synonymous with wit profligacy fine
 tailoring and fashion A style pundit Brummell was singly responsible for changing forever the way men dress inventing in
 effect the suit Brummell cut a dramatic swath through British society from his early years as a favorite of the Prince of Wales
 and an arbiter of taste in the Age of Elegance to his precipitous fall into poverty incarceration and madness Brummell
 created the blueprint for celebrity crash and burn falling dramatically out of favor and spending his last years in a hellish
 asylum For nearly two decades Brummell ruled over the tastes and pursuits of the well heeled and influential and for almost
 as long lived in penury and exile With vivid prose critically acclaimed biographer Ian Kelly unlocks the glittering turbulent
 world of late eighteenth early nineteenth century London the first truly modern metropolis venal fashion and celebrity
 obsessed self centered and self doubting through the life of one of its greatest heroes and most tragic victims Brummell
 personified London's West End where a new style of masculinity and modern men's fashion were first defined Brummell was
 the leading Casanova and elusive bachelor of his time appealing to both men and women of his society The man Lord Byron
 once claimed was more important than Napoleon Brummell was the ultimate cosmopolitan man Toyboy to Georgiana

Duchess of Devonshire and leader of playboys including the eventual king of England Brummell inspired Pushkin to write Eugene Onegin and Byron to write Don Juan and he influenced others from Oscar Wilde to Coco Chanel Through love letters historical records and poems Kelly reveals the man inside the suit unlocking the scandalous behavior of London's high society while illuminating Brummell's enigmatic life in the colorful tumultuous West End A rare rendering of an era filled with excess scandal promiscuity opulence and luxury Beau Brummell is the first comprehensive view of an elegant and ultimately tragic figure whose influence continues to this day [Catalogue of the Harvard University Fine Arts Library, the Fogg Art Museum](#) Harvard University. Fine Arts Library, 1971 [The Demoniacs](#) John Dickson Carr, 2014-03-25 The master of the Golden Age detective novel displays his expertise in the historical whodunit with this Gothic tale of passion and bizarre murder which Newsday hailed as mystery fiction at its finest When headstrong young heiress Peg Ralston flees London for Versailles her father sends dashing rake Jeffrey Wynne to bring her home from the court of England's greatest enemy But upon their return it appears that a mysterious portrait and a child's nursery rhyme link vivacious Peg to a bawdy old seamstress who resided near London Bridge and was quite literally scared to death The old woman's murder is but one thread in a web of conspiracy that includes blackmail court intrigue and an underground club that has made a hobby out of murder With Peg's life at stake Wynne will do everything he can to trace the diabolical connection between the two women and resist falling in love
