GERALD L. K. SMITH
Minister of Hate

GLEN JEANSONNE

*With a New Preface by the Author
With a New Foreword by Leo P. Ribuffo*

Gerald L K Smith Minister Of Hate

Adam Barkman, Antonio Sanna

Gerald L K Smith Minister Of Hate:

Gerald L.K. Smith, Minister of Hate Glen Jeansonne,1988 In the first full length biography of evangelist Gerald L K Smith 1898 1976 Glen Jeansonne traces the tempestuous career of this notorious bigot A spellbinding speaker and brilliant organizer Smith founded the reactionary hate sheet The Cross and the Flag as well as the anti Semitic Christian Nationalist Crusade and ran for president three times Exhaustively researched this study contains information from Smith s FBI dossier his personal papers and Smith himself Also included are compelling arguments concerning the causes of anti Semitism in America the role of demagogues and the mentality of their loyal supporters Gerald L. K. Smith Glen Jeansonne,2003

The Fatal Embrace Benjamin Ginsberg,1999-01-15 Anti Semitism is on the rise And organized anti Semitism is moving from the fringes to the center of public life Now Ginsberg puts the new anti Jew feelings under the powerful microscope of history and documents the uses of organized anti Semitism on the national political agenda **Into the Bright Sunshine** Samuel G. Freedman,2023 Hubert Humphrey a fallen hero and a dying man rose on rickety legs to approach the podium of the Philadelphia Convention Hall his pulpit for the commencement address at the University of Pennsylvania He clutched a sheaf of paper with his speech for the occasion typed and double spaced by an assistant from his extemporaneous dictation and then marked up in pencil by Humphrey himself A note on the first page circled to draw particular attention read simply 30 years ago Here In this place at that time twenty nine years earlier to be precise he had made history From the dais now Humphrey beheld five thousand impending graduates an ebony sea of gowns and mortarboards broken by one iconoclast in a homemade crown two in ribboned bonnets and another whose headgear bore the masking tape message HI MA PA In the horseshoe curve of the arena s double balcony loomed eight thousand parents and siblings children and friends Wearing shirtsleeves and cotton shifts amid the stale heat they looked like pale confetti from where Humphrey stood and their flash cameras flickered away a constellation of pinpricks *Buncombe Bob* Julian M. Pleasants,2003-07-11 Robert Rice Reynolds 1884 1963 U S senator from North Carolina from 1933 to 1945 was one of the most eccentric politicians in American history His travels his five marriages his public faux pas and his flamboyant campaigns provided years of amusement for his constituents This political biography rescues Reynolds from his cartoon character reputation however by explaining his political appeal and highlighting his genuine contributions without overlooking his flaws Julian Pleasants argues that Reynolds must be understood in the context of Depression era North Carolina He capitalized on the discontent of the poverty stricken lower class by campaigning in tattered clothes while driving a ramshackle Model T a sharp contrast to his wealthy chauffeur driven opponent incumbent senator Cam Morrison In office Reynolds supported Roosevelt s New Deal Although he was not pro Nazi his isolationist stance and his association with virulent right wingers enraged his constituents and ultimately led to his withdrawal from politics Pleasants reveals Reynolds to be a showman of the first order a skilled practitioner of class politics and a unique southern politician the only one who favored the New Deal while advocating

isolationist views Historical Dictionary of the 1940s James Gilbert Ryan, Leonard C. Schlup, 2006 Contains entries for individuals institutions and events focusing mostly on the U S Entries cover topics in science history literature theater and entertainment and many other areas Revolutions David Brion Davis, 1990 Analyzes American attitudes and reactions to revolutions **Antisemitism Before the Holocaust** Richard E. Frankel, 2023-04-07 This book examines the history of antisemitism in the United States and Germany in a novel way by placing the two countries side by side for a sustained comparison of the anti Jewish environments in both countries from the 1880s to the end of World War II Author Richard E Frankel shatters the widely held notion of exceptionalism in Germany and America the belief that antisemitism in Germany was uniquely murderous and led inevitably to the Holocaust and that antisemitism in the United States was uniquely benign making an American Holocaust all but unthinkable In a series of new and previously published essays that have been revised updated and expanded the book relates antisemitism to issues including Jewish and Chinese immigration discrimination and exclusion World War I and its aftermath Hitler and Henry Ford Nazis the American Right and the Roosevelt Administration and a German Ku Klux Klan Taken together these essays reveal that antisemitism in Germany was less aberrant than commonly believed and that American antisemitism was indeed dangerous and more similar to what existed in Germany during the same period **Antisemitism Before the Holocaust** is an essential volume for students and scholars alike interested in European and American history the history of the Holocaust and World War I **The Human Tradition in America** Charles William Calhoun, 2003 Calhoun history East Carolina U Greenville offers a reader of 19 biographical essays from a series surveying modern US history from the perspective of a diversity of citizens e g a former slave interned Japanese immigrants and champions of various causes Annotation c Book News Inc Por **American Fuehrer** Frederick James Simonelli, 1999 The founder of the American Nazi party and its leader until he was murdered in 1967 George Lincoln Rockwell was one of the most significant extremist strategists and ideologists of the postwar period His influence has only increased since his death A powerful catalyst and innovator Rockwell broadened his constituency beyond the core Radical Right by articulating White Power politics in terms that were subsequently appropriated by the one time klansman David Duke He played a major role in developing Holocaust revisionism now an orthodoxy of the Far Right He also helped politicize Christian Identity America s most influential right wing religious movement and welded together an international organization of neo Nazis All of these extremist movements continue to thrive today Frederick Simonelli s biography of this powerful and enigmatic figure draws on primary sources of extraordinary depth including declassified FBI files and manuscripts and other materials held by Rockwell s family and associates The first objective assessment of the American Nazi party and an authoritative study of the roots of neo nazism neo fascism and White Power extremism in postwar America **American Fuehrer** is shocking and absorbing reading **Encyclopedia of Christianity in the United States** George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised

powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation

William Dudley Pelley Scott Beekman,2005-10-17 William Dudley Pelley was one of the most important figures of the anti Semitic radical right in the twentieth century Best remembered as the leader of the paramilitary Silver Shirts Pelley was also an award winning short story writer Hollywood screenwriter and religious leader During the Depression Pelley was a notorious presence in American politics he ran for president on a platform calling for the ghettoization of American Jews and was a defendant in a headlinegrabbing sedition trial thanks to his unwavering support for Nazi Germany Scott Beekman offers not only a political but also an intellectual and literary biography of Pelley greatly advancing our understanding of a figure often dismissed as a madman or charlatan His belief system composed of anti Semitism economic nostrums racialism neo Theosophical channeling and millenarian Christianity anticipates the eclecticism of later cult personalities such as Shoko Asahara leader of Aum Shinrikyo and the British conspiracy theorist David Icke By charting the course of Pelley s career Beekman does an admirable job of placing Pelley within the history of both the anti Semitic right and American occult movements This exhaustively researched book is a welcome addition to the growing body of scholarship on American extremism and esoteric religions

Christmas in the Crosshairs G. Q. Bowler,Gerry Bowler,2017 Is there a War on Christmas This book surveys the history of the world s most popular festival and the never ending battles it has engendered ever since its hotly contested invention in the Roman Empire

Confronting the New Conservatism Michael Thompson,2007-05 The new conservatism in America is not easy to define having as it does many strands and many leading proponents This volume explores the ideas that unite Paul Wolfowitz Condoleeza Rice Jeanne Kirkpatrick and other US notables

Policing America's Empire Alfred W. McCoy,2009-10-15 At the dawn of the twentieth century the U S Army swiftly occupied Manila and then plunged into a decade long pacification campaign with striking parallels to today s war in Iraq Armed with cutting edge technology from America s first information revolution the U S colonial regime created the most modern police and intelligence units anywhere under the American flag In *Policing America s Empire* Alfred W McCoy

shows how this imperial panopticon slowly crushed the Filipino revolutionary movement with a lethal mix of firepower surveillance and incriminating information Even after Washington freed its colony and won global power in 1945 it would intervene in the Philippines periodically for the next half century using the country as a laboratory for counterinsurgency and rearming local security forces for repression In trying to create a democracy in the Philippines the United States unleashed profoundly undemocratic forces that persist to the present day But security techniques bred in the tropical hothouse of colonial rule were not contained McCoy shows at this remote periphery of American power Migrating homeward through both personnel and policies these innovations helped shape a new federal security apparatus during World War I Once established under the pressures of wartime mobilization this distinctively American system of public private surveillance persisted in various forms for the next fifty years as an omnipresent sub rosa matrix that honeycombed U S society with active informers secretive civilian organizations and government counterintelligence agencies In each succeeding global crisis this covert nexus expanded its domestic operations producing new contraventions of civil liberties from the harassment of labor activists and ethnic communities during World War I to the mass incarceration of Japanese Americans during World War II all the way to the secret blacklisting of suspected communists during the Cold War

In Defense of Populism Donald T. Critchlow, 2020-11-27 Contrary to warnings about the dangers of populism Donald F Critchlow argues that grassroots activism is essential to party renewal within a democratic system Grassroots activism presenting a cacophony of voices calling for reform of various sorts without programmatic coherence is often derided as populist and distrusted by both political parties and voters But according to Donald T Critchlow grassroots movements are actually responsible for political party transformation both Democratic and Republic into instruments of reform that reflect the interests concerns and anxieties of the electorate Contrary to popular discourse warning about the dangers of populism Critchlow argues that grassroots activism is essential to party renewal within a democratic system *In Defense of Populism* examines movements that influenced Republican Democratic and third party politics from the Progressives and their influence on Teddy Roosevelt to New Dealers and FDR to the civil rights feminist and environmental movements and their impact on the Democratic Party to the Reagan Revolution and the Tea Party In each case Critchlow narrates representative biographies of activists party leaders and presidents to show how movements become viable calls for reform that get translated into policy positions Social tensions and political polarization continue to be prevalent today Increased social disorder and populist outcry are expected whenever political elites and distant bureaucratic government are challenged *In Defense of Populism* shows how as a result of grassroots activism and political party reform policy advances are made a sense of national confidence is restored and the belief that American democracy works in the midst of crisis is affirmed

A Critical Companion to Mel Gibson Adam Barkman, Antonio Sanna, 2024-02-02 The twelve essays in *A Critical Companion to Mel Gibson* offer various interpretations of Mel Gibson's work treating this prolific but controversial figure not only as a filmmaker but as a historian religious thinker

and social philosopher From *The Man Without a Face* and *Braveheart* to *The Passion of the Christ* *Apocalypto* and *Hacksaw Ridge* this interdisciplinary collection mines Gibson's life and oeuvre for insight into existential problems Aristotelian virtues the politics of film interreligious dialogue adaptation issues and much more [The South and the New Deal](#) Roger Biles, 2014-10-17 When Franklin D. Roosevelt was sworn in as president the South was unmistakably the most disadvantaged part of the nation The region's economy was the weakest its educational level the lowest its politics the most rigid and its laws and social mores the most racially slanted Moreover the region was prostrate from the effects of the Great Depression Roosevelt's New Deal effected significant changes on the southern landscape challenging many traditions and laying the foundations for subsequent alterations in the southern way of life At the same time firmly entrenched values and institutions militated against change and blunted the impact of federal programs In *The South and the New Deal* Roger Biles examines the New Deal's impact on the rural and urban South its black and white citizens its poor and its politics He shows how southern leaders initially welcomed and supported the various New Deal measures but later opposed a continuation or expansion of these programs because they violated regional convictions and traditions Nevertheless Biles concludes the New Deal coupled with the domestic effects of World War II set the stage for a remarkable postwar transformation in the affairs of the region The post World War II Sunbelt boom has brought Dixie more fully into the national mainstream To what degree did the New Deal disrupt southern distinctiveness Biles answers this and other questions and explores the New Deal's enduring legacy in the region **Imagining the Holy Land** Burke O. Long, 2003 At the Chautauqua Institution in New York visitors could walk down Palestine Avenue to Palestine and a model of Jerusalem or along Morris Avenue to a scale model of the Jewish Tabernacle At the St. Louis World's Fair of 1904 a replica of Ottoman Jerusalem covered eleven acres while today 300 miles to the southeast a seven-story high Christ of the Ozarks stands above a modern re-creation of the Holy Land set in the Arkansas hills **BOOK JACKET** [Arkansas Biography](#) Jeannie M. Wayne, 2000-01-01 Eight years in the making *Arkansas Biography* brings to light the lives of those who have helped shape Arkansas history for over four hundred years Featured are not only the trailblazers such as steamboat captain Henry Shreve Olympic gold medalist Bill Carr discount mogul Sam Walton and aviator Louise Thaden but also those whose lives reflect their culture and times musicians scientists teachers preachers and journalists One hundred and eighty contributors professional and avocational historians offer clear vignettes of nearly three hundred individuals beginning with Hernando de Soto who crossed the Mississippi River in the summer of 1540 The entries include birth and death dates and places life and career highlights lineage anecdotes and source material This is a browser's book with an Arkansas voice The wealth of information condensed into this single reference volume will be valuable to general readers of all ages libraries museums and scholars A fitting summary at the turn of a millennium *Arkansas Biography* pays lasting tribute to the men and women who have enriched the life and character of the state and by extension the region and the nation
