

German Texans

Kenneth Hafertepe

German Texans:

The Material Culture of German Texans Kenneth Hafertepe, 2016-06-21 Winner 2019 San Antonio Conservation Society Foundation Book Award sponsored by the San Antonio Conservation Society Foundation German immigrants of the nineteenth century left a distinctive mark on the lifestyles and vernacular architecture of Texas In this first comprehensive survey of the art and artifacts of German Texans Kenneth Hafertepe explores how their material culture was influenced by their European roots how it was adapted to everyday life in Texas and how it changed over time at different rates in different communities The Material Culture of German Texans is about the struggle to become American while maintaining a distinctive cultural identity drawn from German heritage Including materials from rural small town and urban settings this masterful study covers pioneer generations in East Texas and the Hill Country but also follows the story into the Victorian era and the early twentieth century Houses and their furnishings churches and cemeteries breweries and businesses and paintings and engravings fill the pages of this thorough informative and richly illustrated volume Recent decades have seen a sharp increase of the study of vernacular architecture which can range from traditional building to ethnic expressions to landscape ensembles and an intensified study of American furniture and other decorative arts Incorporating these vernacular and decorative arts methods and building on the works of cultural geographers curators and historians The Material Culture of German Texans offers a definitive contribution that will inform visitors to the region as well as those who study its history and culture *The German Texans* Glen E. Lich, 1981 German culture in Texas Preserving German Texan Identity Walter L. Buenger, Walter D. Kamphoefner, 2018-10-01 Born in Millheim Texas to a family of German immigrants who moved to Texas in the wake of the 1848 revolution William Andreas Trenckmann was a teacher journalist and publisher who successfully combined his German heritage with a new distinctly Texan identity His education was cultivated at the brand new Agricultural and Mechanical College of Texas where he distinguished himself as the valedictorian of the first graduating class he later served on the college s board of directors and was even offered the presidency From 1907 to 1909 he represented Austin County in the Texas legislature Trenckmann s lasting contribution to Texas history however was the creation of Das Wochenblatt a German language weekly newspaper that he edited and published for over forty years Das Wochenblatt became a popular and respected source of information for German speaking immigrants their descendants and the Texas communities where they lived and worked Through the paper Trenckmann advocated for civil liberties and free elections He also vigorously opposed prohibition the Ku Klux Klan and later the rise of Adolf Hitler and National Socialism When the United States entered World War I many German language publications were suspended or otherwise heavily censored but Trenckmann s newspaper was granted a rare exemption from the wartime government From 1931 to 1933 Trenckmann serialized his memoirs Erlebtes und Beobachtetes or experiences and observations In Preserving German Texan Identity historians Walter L Buenger and Walter D Kamphoefner present a revised and annotated translation of those

memoirs as a revealing window into the lives of German Texans in the late nineteenth and early twentieth centuries

Germans and Texans Walter Struve, 2014-03-07 During the brief history of the Republic of Texas 1836-1845 over 100,000 Germans emigrated to Texas. Perhaps best remembered today are the farmers who settled the Texas Hill Country, yet many of the German immigrants were merchants and businesspeople who helped make Galveston a thriving international port and Houston an early Texas business center. This book tells their story. Drawing on extensive research on both sides of the Atlantic, Walter Struve explores the conditions that led nineteenth-century Europeans to establish themselves on the North American frontier. In particular, he traces the similarity in social, economic, and cultural conditions in Germany and the Republic of Texas and shows how these similarities encouraged German emigration and allowed some immigrants to prosper in their new home. Particularly interesting is the translation of a collection of letters from Charles Giesecke to his brother in Germany, which provide insight into the business and familial concerns of a German merchant and farmer. This wealth of information illuminates previously neglected aspects of intercontinental migration in the nineteenth century. The book will be important reading for a wide public and scholarly audience.

Preserving German Texan Identity Walter L. Buenger, Walter D. Kamphoefner, 2018-10-12 Born in Millheim, Texas, to a family of German immigrants who moved to Texas in the wake of the 1848 revolution, William Andreas Trenckmann was a teacher, journalist, and publisher who successfully combined his German heritage with a new, distinctly Texan identity. His education was cultivated at the brand-new Agricultural and Mechanical College of Texas, where he distinguished himself as the valedictorian of the first graduating class; he later served on the college's board of directors and was even offered the presidency. From 1907 to 1909, he represented Austin County in the Texas legislature. Trenckmann's lasting contribution to Texas history, however, was the creation of *Das Wochenblatt*, a German-language weekly newspaper that he edited and published for over forty years. *Das Wochenblatt* became a popular and respected source of information for German-speaking immigrants, their descendants, and the Texas communities where they lived and worked. Through the paper, Trenckmann advocated for civil liberties and free elections. He also vigorously opposed prohibition, the Ku Klux Klan, and later the rise of Adolf Hitler and National Socialism. When the United States entered World War I, many German-language publications were suspended or otherwise heavily censored, but Trenckmann's newspaper was granted a rare exemption from the wartime government. From 1931 to 1933, Trenckmann serialized his memoirs, *Erlebtes und Beobachtetes*, or experiences and observations. In *Preserving German Texan Identity*, historians Walter L. Buenger and Walter D. Kamphoefner present a revised and annotated translation of those memoirs as a revealing window into the lives of German Texans in the late nineteenth and early twentieth centuries.

Texans and War Alexander Mendoza, Charles David Grear, 2012-02-29 Beginning with tribal wars among Native Americans before Europeans settled Texas and continuing through the Civil War, the soil of what would become the Lone Star State has frequently been stained by the blood of those contesting for control of its resources. In subsequent years and continuing to the present, its citizens have often taken up arms

beyond its borders in pursuit of political values and national defense Although historians have studied the role of the state and its people in war for well over a century a wealth of topics remain that deserve greater attention Tejanos in World War II the common Texas soldier s interaction with foreign enemies the perception of Texas warriors throughout the world the role of religion among Texans who fight or contemplate fighting controversial paramilitary groups in Texas the role and effects of Texans ethnicity culture and gender during wartime to name a few In *Texans at War* fourteen scholars provide new studies perspectives and historiographies to extend the understanding of this important field One of the largest collections of original scholarship on this topic to date *Texans and War* will stimulate useful conversation and research among historians students and interested general readers In addition the breadth and originality of its contributions provide a solid overview of emerging perspectives on the military history and historiography of Texas and the region

Turning Germans Into Texans Matthew D. Tippens, 2010-01 Here is the first full scale discussion of the impact of World War I on ethnic Germans in Texas Germans were among the first settlers to Texas and contributed greatly to the growth of the state in the fields of business religion music agriculture ranching and cultural activities Despite such accomplishments German Texans became the targets of an anti German hysteria during World War I In the lead up to America s entry into the war German Texans were subjected to intense scrutiny After the United States declared war against Germany in April 1917 the response to German Texan activities lost all sense of proportion to the danger Simply being German or using the German language aroused suspicion In the state people tarred and feathered beat and whipped German Texans Based on extensive archival research author Matthew D Tippens details how the attackers intended to turn Germans into Texans using whatever

means necessary Following the war the strive for 100% Americanism by groups such as Ku Klux Klan continued the assault Despite the years of attacks by 1930 German Texan culture though not unscathed proved that it had survived the war and would continue for several more decades

German Seed in Texas Soil Terry G. Jordan,Terry G. Jordan-Bychkov,1966 Terry Jordan explores how German immigrants in the nineteenth century influenced and were influenced by the agricultural life in the areas of Texas where they settled His findings both support the notion of ethnic distinctiveness and reveal the extent to which German Texans adopted the farming techniques of their Southern Anglo neighbors

The European Texans Allan O. Kownslar,University of Texas Institute of Texan Cultures at San Antonio,2004 Discusses the experiences of European immigrants in Texas and examines their social and cultural contributions to the Lone Star State Includes illustrations biographical sketches recipes and excerpts from personal letters

Why Texans Fought in the Civil War Charles David Grear,2012-09-01 In Why Texans Fought in the Civil War Charles David Grear provides insights into what motivated Texans to fight for the Confederacy Mining important primary sources including thousands of letters and unpublished journals he affords readers the opportunity to hear often in the combatants own words why it was so important to them to engage in tumultuous struggles occurring so far from home As Grear notes in the decade prior to the Civil War the population of Texas had tripled The state was increasingly populated by immigrants from all parts of the South and foreign countries When the war began it was not just Texas that many of these soldiers enlisted to protect but also their native states where they had family ties

The German Texans University of Texas Institute of Texan Cultures at San Antonio,1970 The influence Germans had upon Texas

History of the German Element in Texas from 1820-1850 Moritz Tiling,1913

The History of Texas ,2014-01-28 The History of Texas is fully revised and updated in this fifth edition to reflect the latest scholarship in its coverage of Texas history from the pre Columbian era to the present Fully revised to reflect the most recent scholarly findings Offers extensive coverage of twentieth century Texas history Includes an overview of Texas history up to the Election of 2012 Provides online resources for students and instructors including a test bank maps presentation slides and more

The Roots of Texas Music Lawrence Clayton,Joe W. Specht,2005-09-09 The music of Texas and the American Southwest is as diverse and distinctive as the many different groups who have lived in the region over the past several centuries writes Gary Hartman in his introduction to this refreshingly different look at various genres of Texas music Roots of Texas Music celebrates the diverse sources of the music of the Lone Star State by gathering chapters by specialists on each of them specialists whose views may not have dominated the perception of Texas music to date Editor Lawrence Clayton conceived this project as one that would not simply repeat the common wisdom about Texas music traditions but rather would offer new perspectives He therefore called on contributors whose work had been well grounded but not necessarily widely published The result is a lively captivating and original look at the musical traditions of Texas Germans and Czechs black Creoles and Chicanos and blues and gospel singers Hartman s introduction places these repertoires within

the larger picture of one of the most fertile musical seedbeds the nation knows The diverse genres included in the anthology also provide an introduction to the classes cultures races and ethnic groups of Texas and highlight the ways in which the state s musical wealth has influenced the listening habits of the nation *The German Texans* Susan Francis Buchholz,2022-11-03 Here follows the words of Gordon Given Buchholz Hunts Seated in the ranch kitchen Hunts would slurp strong coffee from the saucer and puff on his pipe Thusly primed he would proceed to relate the events of his life He tried to concentrate on the humorous I his audience felt that if I didn t get some of it on paper a delicious slice of bygone Texas would be lost Susan Francis Buchholz **Texas** Benjamin Heber Johnson,2025-02-25 An exploration of the multifaceted characters and complex events that have defined the Lone Star State from its inception through today When Americans turn on their laptops play video games go to church vote eat TexMex shop for groceries listen to music grill steaks or watch football they are knowingly or not paying tribute to Texas Tracing the profound and surprising story of the Lone Star State Benjamin Heber Johnson shines new light on why Texas has had such a powerful influence on U S history Texas is known to outsiders for mob violence swaggering self conception and conservative politics but Johnson reveals that the state has also been on the forefront of taming frontier violence establishing LGBTQ rights and developing modern businesses such as organic food and personal computing Neither looking away from the dark chapters of Texas history nor letting them overshadow the achievements of democracy and pluralism that are some of the state s greatest legacies Johnson offers a balanced and inclusive history of an often contentious and stereotyped region covering such topics as the persistence of Native Americans the frontier story of the Alamo agrarian populism racial segregation the state s porous border with Mexico and the way historical memory continues to shape the state s identity The reality of Texas Johnson shows us is even bigger than we think it is **Texas** A. Ray Stephens,2014-10-22 For twenty years the Historical Atlas of Texas stood as a trusted resource for students and aficionados of the state Now this key reference has been thoroughly updated and expanded and even rechristened Texas A Historical Atlas more accurately reflects the Lone Star State at the dawn of the twenty first century Its 86 entries feature 175 newly designed maps more than twice the number in the original volume illustrating the most significant aspects of the state s history geography and current affairs The heart of the book is its wealth of historical information Sections devoted to indigenous peoples of Texas and its exploration and settlement offer more than 45 entries with visual depictions of everything from the routes of Spanish explorers to empresario grants to cattle trails In another 31 articles coverage of modern and contemporary Texas takes in hurricanes and highways power plants and population trends Practically everything about this atlas is new All of the essays have been updated to reflect recent scholarship while more than 30 appear for the first time addressing such subjects as the Texas Declaration of Independence early roads slavery the Civil War and Reconstruction Texas Oklahoma boundary disputes and the tideland oil controversy A dozen new entries for Contemporary Texas alone chart aspects of industry agriculture and minority demographics Nearly all of the expanded

essays are accompanied by multiple maps everyone in full color The most comprehensive state of the art work of its kind Texas A Historical Atlas is more than just a reference It is a striking visual introduction to the Lone Star State

Reconstruction in a Globalizing World David Prior, 2018-01-02 As one of the most complexly divisive periods in American history Reconstruction has been the subject of a rich scholarship Historians have studied the period s racial views political maneuverings divisions between labor and capital debates about woman suffrage and of course its struggle between freed slaves and their former masters Yet on each of these fronts scholarship has attended overwhelmingly to the eastern United States especially the South thereby neglecting important transnational linkages This volume the first of its kind will examine Reconstruction s global connections and contexts in ways that while honoring the field s accomplishments move it beyond its southern focus The volume will bring together prominent and emerging scholars to showcase the deepening interplay between scholarships on Reconstruction and on America s place in world history Through these essays Reconstruction in a Globalizing World will engage two dynamic fields of study to the benefit of them both By demonstrating that the South and the eastern United States were connected to other parts of the globe in complex and important ways the volume will challenge scholars of Reconstruction to look outwards Likewise examining these same connections will compel transnationally minded scholars to reconsider Reconstruction as a pivotal era in the shaping of the United States relations with the rest of the world

Violence in the Hill Country Nicholas Keefauver Roland, 2021-02-09 In the nineteenth century Texas s advancing western frontier was the site of one of America s longest conflicts between white settlers and native peoples The Texas Hill Country functioned as a kind of borderland within the larger borderland of Texas itself a vast and fluid area where during the Civil War the slaveholding South and the nominally free labor West collided As in many borderlands Nicholas Roland argues the Hill Country was marked by violence as one set of peoples states and systems eventually displaced others In this painstakingly researched book Roland analyzes patterns of violence in the Texas Hill Country to examine the cultural and political priorities of white settlers and their interaction with the century defining process of national integration and state building in the Civil War era He traces the role of violence in the region from the eve of the Civil War through secession and the Indian wars and into Reconstruction Revealing a bitter history of warfare criminality divided communities political violence vengeance killings and economic struggle Roland positions the Texas Hill Country as emblematic of the Southwest of its time

Texas and World War I Gregory W. Ball, 2019-02-26 On November 11 1918 what was then called the Great War ended The consequences of four years of warfare in Europe reverberated throughout the world leaving few places untouched Even though it was far from the scenes of conflict Texas was forever changed as historian Gregory W Ball details in Texas and World War I This accessible history recounts the ways in which the war affected Texas and Texans politically socially and economically Texas s position on the United States border with Mexico and on the western edge of the American South profoundly influenced the ways in which the war affected the state from fears of

invasion from the across the Rio Grande fears that put the state s significant German American population under suspicion to the racial tensions that flared when African American soldiers challenged Jim Crow When thousands of Texas men were drafted into the U S Army and the federal government developed a host of training grounds and airfields many close to the state s burgeoning cities in response to U S entry into the war this heavily rural state that had long been outside the national mainstream was had become more American than ever before

While this might not be the German Texans full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of German Texans eBooks, including some popular titles.

FAQs About German Texans Books

What is a German Texans PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a German Texans PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems

have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a German Texans PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a German Texans PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a German Texans PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
