Germany In Transition A Unified Nations Search For Identity:

Germany In Transition Gale A. Mattox, 2019-02-26 This book focuses on themes ranging from foreign and European affairs economic and business issues and eastern Germany to minority rights issues It contains remarks given before conferences of the Robert Bosch Foundation Alumni Association which focuses on Germany's international role

Environmental Politics in Japan, Germany, and the United States Miranda A. Schreurs, 2003-03-13 A decade of climate change negotiations almost ended in failure because of the different policy approaches of the industrialized states Japan Germany and the United States exemplify the deep divisions that exist among states in their approaches to environmental protection Germany is following what could be called the green social welfare state approach to environmental protection which is increasingly guided by what is known as the precautionary principle In contrast the US is increasingly leaning away from the use of environmental regulations towards the use of market based mechanisms to control pollution and cost benefit analysis to determine when environmental protection should take precedence over economic activities Internal political divisions mean that Japan sits uneasily between these two approaches Miranda A Schreurs uses a variety of case studies to explore why these different policy approaches emerged and what their implications are examining the differing ideas actors and institutions in each state

Innovation, Dual Use, and Security Jonathan B. Tucker, 2012-03-30 A framework for assessing the security risks of emerging dual use technologies and devising tailored governance strategies is proposed and applied to contemporary case studies Recent advances in disciplines such as biotechnology nanotechnology and neuropharmacology entail a dual use dilemma because they promise benefits for human health and welfare yet pose the risk of misuse for hostile purposes The emerging field of synthetic genomics for example can produce custom DNA molecules for life saving drugs but also makes possible the creation of deadly viral agents for biological warfare or terrorism The challenge for policymakers is to prevent the misuse of these new technologies without forgoing their benefits Innovation Dual Use and Security offers a systematic approach for managing the dual use dilemma The book presents a decision framework for assessing the security risks of emerging technologies and fashioning governance strategies to manage those risks This framework is applied to fourteen contemporary case studies including synthetic genomics DNA shuffling and directed evolution combinatorial chemistry protein engineering immunological modulation and aerosol vaccines The book also draws useful lessons from two historical cases the development of the V series nerve agents in Britain and the use and misuse of LSD by the U S Army and the CIA Innovation Dual Use and Security offers a comprehensive multifaceted introduction to the challenges of governing dual use technologies in an era of rapid innovation The book will be of interest to government officials and other practitioners as well as to students and scholars in security studies science and technology studies biology and chemistry

The Berlin Republic Winand Gellner, John D. Robertson, 2004-11-23 Since German unification in October 1990 arguments have raged as to whether the integration process of the former East Germany into the western system has

been a success These essays offer fresh insight and perspectives explaining the effects of unification on Germany and the EU as a whole Reflections on Europe in Transition Ursula E. Beitter,2007 Original Scholarly Monograph **Germany and the Visegrad Countries Between Dependence and Asymmetric Partnership?** Vladimir Handl,2002 **AQA A-level History: The Quest for Political Stability: Germany 1871-1991** Steve Ellis,Alan Farmer,2015-09-11 Exam Board AQA Level AS A level Subject History First Teaching September 2015 First Exam June 2016 AQA approved Enhance and expand your students knowledge and understanding of their AQA breadth study through expert narrative progressive skills development and bespoke essays from leading historians on key debates Builds students understanding of the events and issues of the period with authoritative well researched narrative that covers the specification content Introduces the key concepts of change continuity cause and consequence encouraging students to make comparisons across time as they advance through the course Improves students skills in tackling interpretation questions and essay writing by providing clear guidance and practice activities Boosts students interpretative skills and interest in history through extended reading opportunities consisting of specially commissioned essays from practising historians on relevant debates Cements understanding of the broad issues underpinning the period with overviews of the key questions end of chapter summaries and diagrams that double up as handy revision aids **Countries and Concepts** Michael G. Roskin,2004 Eminently readable and written with candor and spirit this 8th edition of Countries and Concepts continues the loose theoretical approach of the previous editions simply observing that politics is composed of human conflicts or quarrels forming patterns that can be studied Analyzing four European nations and Japan at some length and four Third World nations more briefly this text studies the history institutions geography and political culture of each to provide valuable comparative information in the course of the semester Updated and revised Enables students to stay abreast of the latest events in the global political environment Expanded political geography material Provides students with geographical insight that prepares them for globalization Aids students preparing for the state teacher certification exams Insights Includes some rational choice perspectives more geography and Russia as a quasi authoritarian system Improved Pedagogy includes highlighted boxes glossary maps and chapter opening questions Nine countries represented Extensive coverage of Great Britain France Germany Russia and Japan more brief coverage of four Third World **Forthcoming Books** Rose Arny,1999-04 **The Search for Reconciliation** Yinan He,2009-04-27 Focusing on two case studies from East Asia and Europe Yinan He argues that the key to interstate reconciliation is the harmonization of national memories *Visions of the Future in Germany and America* Hermann Wellenreuther,Norbert Finzsch,2001-10 Predictions about the world have the power to grip whole societies and shape the actions of many groups whether working in politics ecology or religion At the end of epochs and eras humans tend to reflect on the shape of things to come Most recently fears about the millennium bug had thousands rushing to stock up on candles and food in the weeks before New Year s Eve Concerns about the future have been expressed

differently throughout history This book explores the historical context surrounding various debates decisions and beliefs about the future in recent centuries Religious political literary and ecological visions of the future in America and Germany are addressed comparatively In particular scholars from the United States and Germany explore the meaning of eschatological and utopian thoughts pursued during the last three centuries and tackle subjects ranging from science fiction to religious radicalism utopian social experiments and visions of race relations This book delves into the hopes and fears for the future that have shaped the past and will be of interest to comparative historians as well as to historians of Europe and the United States intrigued by the subject of utopias *Wisconsin environmental law journal* ,2000 *Preservation and National Belonging in Eastern Germany* J. James,2012-08-31 Drawing on cultural anthropology and cultural studies this book sheds new light on the everyday politics of heritage and memory by illuminating local everyday engagements with Germanness through heritage fetishism claims to hometown belonging and the performative appropriation of cultural property **American Book Publishing Record** ,2007 **Dimensions of Globalization** Louis Ferleger,Jay R. Mandle,2000-07 Since 1889 The American Academy of Political and Social Science has served as a forum for the free exchange of ideas among the well informed and intellectually curious In this era of specialization few scholarly periodicals cover the scope of societies and politics like The ANNALS Each volume is guest edited by outstanding scholars and experts in the topics studied and presents more than 200 pages of timely in depth research on a significant topic of concern <http://ann.sagepub.com> Arts & Humanities Citation Index ,2001 **Martindale-Hubbell Law Directory** Martindale-Hubbell,2002-03 **International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences** ,2000 **Divided Subjects, Invisible Borders** Ben Gook,2015-09-21 What do Germany's memorials films artworks memory debates and national commemorations tell us about the lives of Germans today How did the Wall in the Head come to replace the Wall that fell in 1989 The old identities of East and West which all but dissolved in joyous embraces as the Berlin Wall fell emerged once more after formal reunification a year later in 1990 2015 marks the twenty fifth anniversary of that German reunification Yet Germany remains divided a mutual distrust lingers and national history remains contentious The material social cultural and psychic effects of reunification on the lives of eastern and western Germans since 1989 all demand again asking fundamental questions about history social change and ideology *Divided Subjects Invisible Borders* puts affective life at the centre of these questions both in the role affect played in mobilizing East Germans to overthrow their regime and as a sign of disappointment after formal reunification Using contemporary Germany as a lens the book explores broader debates about borders memory and subjectivity **Bulletin** ,1999
