God Exists I Have Met Him:

God Exists André Frossard, 1970 The author's father was the first Secretary General of the French Communist Party and he grew up among agnostics. He describes how he changed from an atheist with extreme views to a totally convinced Christian. Instant conversion is rare and the essence of it almost incommunicable but the author has succeeded as far as possible in sharing his experience with his readers. I Have Met Him: God Exists André Frossard, 1971 *The Embrace of God's Mercy* Michele Casella, 2019-11-19 On July 16 1983 in an abandoned house on an Italian hillside Sister Rita Petrozzi known today as Mother Elvira opened Comunit Cenacolo. That dilapidated building quickly became God's hope-filled answer to the desperate cries of the many lost lonely drug-addicted young people who soon began knocking on its door seeking to be reborn. A potent apostolate was born. Today barely thirty-six years later Comunit Cenacolo consists of seventy houses stretched across the globe that welcome thousands of young people struggling with drug or alcohol addictions as they search for meaning in life. Mission houses in Africa Central America and South America shelter abandoned and orphaned street children inviting them too on a journey of rebirth in love. Each house is imbued with God's mercy and forgiveness. There young people live in a simple Christian family environment transformed by the healing powers of prayer work friendship sacrifice and love. For decades now and on a daily basis Mother Elvira's humble spirituality has awakened hope and joy in the souls of the troubled and the lost giving each of them new life. Open the pages of this wise uplifting book. That same hope and joy can be yours. Does God Exist Hans Kung, 2013-01-02 Does God exist? The question implies another: Who is God? This book is meant to give an answer to both questions and to give reasons for this answer. Does God exist? Yes or no? Many are at a loss between belief and unbelief; they are undecided skeptical. They are doubtful about their belief but they are also doubtful about their doubting. There are still others who are proud of their doubting. Yet there remains a longing for certainty. Certainty. Whether Christians or Jews believers in God or atheists the discussion today runs right across old denominations and new ideologies but the longing for certainty is unquenched. Does God exist? We are putting all our cards on the table here. The answer will be Yes. God exists. As human beings in the twentieth century we certainly can reasonably believe in God even more so in the Christian God and perhaps even more easily today than a few decades or centuries ago. For after so many crises it is surprising how much has been clarified and how many difficulties in regard to belief in God have melted into the Light that no darkness has overcome. **Ratzinger: Apologetics for (not only) Our Time** Krzysztof Kaucha, 2024-06-17 Defending Christianity in our time became unpopular private shy and poor Catholic fundamental theology officially responsible for defending faith on behalf of the Catholic Church is aware of being in crisis crisis of identity and content and popularity. It needs a new overall structure a new point of departure and a new spirit. It was offered by Joseph Ratzinger. Krzysztof Kaucha declares. Almost everything that has been recently used to undermine the Christian faith and Christianity is used by Ratzinger to defend Christianity. Kaucha offers over a dozen arguments for Christianity based on Ratzinger's writings.
