God Here And Now The Christian View Of God:

God Here and Now Karl Barth, 2003-08-29 Karl Barth was without doubt one of the most significant religious thinkers of modern times His radical affirmation of the revealed truth of Christianity changed the course of Christian theology in the twentieth century and is a source of inspiration for countless believers Pope Pius XII declared that there had been nothing like Karl Barth's later thought since Thomas Aquinas *God Here and Now* offers a succinct and accessible overview of that thought In it Barth outlines his position on the fundamental tenets of Christian belief from the decision of faith to the authority of the Bible and from the interpretation of grace to the significance of Jesus Christ In this way Barth challenges each and every reader to discover what it means to encounter God here and now *God Here and Now* Peter

Toon, 1979-01-01 *At Home with God: Here and Now* Lee Adams Young, 2000-05-25 From biblical times through the Middle Ages and the Reformation the Christian religion enjoyed a sturdy belief in God consistent with human knowledge of the universe But modern science then introduced a new picture of this world at odds not only with the old world picture but with the miracle working God of ancient Scripture Of the many different responses to this conflict three stand out i To deny the religious view of God and the world or ii To deny many solid findings of generations of scientists concerning the evolution of stars the Earth and life or iii To deny little yet to affirm little in religion to repeat ancient rituals without serious conviction Lee Adams Young a physicist and Bible scholar claims to replace this chaos with an orderly view of God and the world in only 437 pages He makes three main points 1 The Bible consistently but falsely split the world into two separate realms Heaven and Earth God rarely or never left his celestial throne room to visit the Earth The steeples of traditional churches pointed toward this Sky God and the Lord's Prayer still speaks of a Father in Heaven The result has been a disconnect between God and the believer a chasm bridged only by armies of angels and other intermediaries or via long distance calls The solution according to *At Home with God Here and Now* is to proclaim as does science that there is only one realm of reality God should be seen as dwelling in this world says Young indeed within each of us available for direct communication and personal support Prayer should take the form of face to face communication with a person no farther away than the other end of a park bench 2 The Bible consistently and correctly insists upon the inseparability of the human body and soul So does Aristotle and the latest Catholic Catechism Alas in postbiblical times many Jews and Christians have come to believe that at death the human soul could detach itself from the body and ascend to Heaven Young responds as follows a If there is no Heaven the latter step has no meaning We are face to face with God now in this life Because we already live in a sacred world one need not die in order to reach the divine b The notion of a soul that can function independently of bodily support goes against ancient and modern awareness of the influence of bodily conditions on thinking and memory c Near death experiences NDEs are reports from the living not from those who died Medical research shows that NDEs are triggered not by the objective peril of death but by the subjective fear of death d Human faith in an afterlife can blunt the human need to put interpersonal relationships in order in

this life We must mend our personal fences nowthere is no second chance as the Hebrew Bible says 3 The God depicted in Young s book is entirely consistent with modern science That God is seen as the essential governor of nature whose regularities people depend on and science describes This book is recommended to all who seek a religious faith based on reality not makebelieve a faith grounded in ancient wisdom yet believable in this modern age *God Here and Now* Karl Barth,2003 In *God Here and Now* Barth outlines his position on the fundamental tenets of Christian belief from the decision of faith to the authority of the Bible and from the interpretation of grace to the significance of Jesus Christ Publisher *God Wants Me Here, for Now* Kaydee Ledger,2019-07-31 *GOD WANTS ME HERE FOR NOW* God s Protection through Psychiatric Medication Adverse Reactions is an account of the psychiatric medication mismanagement I have endured and that difficult journey Though a college educated confident and involved married mother of three I learned the hard way to give grave respect to psychiatric medications My travails have taught me to do my own research when accepting prescribed medications and not to trust the advice of doctors regarding the safety of the choice the quantity prescribed or the method to stop I was totally unprepared for the level of suffering from antidepressant mismanagement which was especially complicated by Gabapentin the disbelief of doctors or the judgment by family and friends I had no idea that doctor training was so inadequate regarding those drugs or of the thousands of people like me who report their symptoms and are daily diagnosed as somatically preoccupied or with a conversion disorder The pain caused by inappropriately prescribed drugs affected my jobs my children my finances my public perception and my involvement in life I have lost precious years of life because of psychiatric drugs My experience has awakened me to a desperate need in the medical community I now advocate for informed consent of consumers better training for doctors insurance coverage for tapering smaller manufactured drug quantities penalties for doctors who cold turkey or fast taper a dangerous drug and less flippant prescribing of those drugs

[Is Mormonism Now Christian?](#) Steven A. Crane, 2010-01-01 For years Mormonism has taught that all the creeds of Christianity were an abomination and all other churches were corrupt Pearl of Great Price Joseph Smith 1 19 Joseph Smith was told not to join with any of them but to help lead in what would be a restoration of the true church In the same way Christianity has never accepted Mormons among their ranks considering them teachers of a different gospel Galatians 1 6 But a new ecumenical spirit of openness might suggest that the doctrinal distance between these two groups is shrinking Are the two sides actually moving closer together Is there significant change within the ranks of Mormonism If so is the change widespread Does this new direction reflect the views of the leadership or is it simply the belief of a few Worse yet is it a deceptive media ploy on behalf of the Church of Jesus Christ of Latter day Saints LDS to appear to be something it is not This work is a fresh new look at the distinctives between Christianity and Mormonism in an attempt to answer the question Is Mormonism Now Christian
