**Multicultural Spectrum of Atheism** Sanjit Chakraborty, Anway Mukhopadhyay, 2022-11-16 This book deals with the intricate issue of approaching atheism methodologically as well as conceptually from the perspective of cultural pluralism What does atheism mean in different cultural contexts Can this term be applied appropriately to different religious discourses which conceptualize God gods Goddess goddesses and also godlessness in hugely divergent ways Is my God the same as yours If not then how can your atheism be the same as mine In other words this volume raises the question Is it not high time that we proposed a comparative study of atheism s alongside that of religions rather than believing that atheism is centered in the Western experience Apart from answering these questions the book highlights the much needed focus on the philosophical negotiations between atheism theism and agnosticism The fine chapters collected here present pluralist negotiations with the notion of atheism and its ethical theological literary and scientific corollaries Previously published in Sophia Volume 60 issue 3 September 2021 Chapters Religious Conversion and Loss of Faith Cases of Personal Paradigm Shift and On Being an Infidel are available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com)      **Let Us Be God** Swami Ashokananda, 2019 The author Swami Ashokananda a disciple of Swami Vivekananda is renowned for his thought provoking lectures and articles on Vedanta philosophy and its practical application in daily life as taught by his master The Swami s tenure as the Editor of the Prabuddha Bharata an English monthly of the Ramakrishna Order from 1927 1930 was a memorable one Later on as the Minister in charge of the Vedanta Society of Northern California San Francisco from 1932 until his passing away in 1969 the Swami was one of the guiding forces for the Vedanta Movement in the West This book published by Advaita Ashrama a publication house of Ramakrishna Math Belur Math borrows its title from an inspired utterance of Swami Vivekananda which forms the subject of the Swami s deliberations presented herein as the first lecture By his forceful lectures based on deep reasoning the Swami turns our attention to the Divine within The lectures and articles included here were earlier published in the Prabuddha Bharata and the Vedanta Kesari another English monthly of the Ramakrishna Order They are intended for all sincere spiritual aspirants irrespective of

**Brahman** Michael Myers,2013-09-13 This book is a critique of western systematic theology It borrows insights from India and other traditions it is not a synthesis of religious traditions The book includes two parts method and systematics It examines the traditional topics of systematic theology topics such as the existence and nature of God revelation and reason religious ethics and human practice the relation of God to the world Christology and eschatology and allows these topics to grow in conversation with India and to change according to dialogical insights The book is prompted by a perceived need to cross the boundaries between western and Indian worldviews in a systematic and comprehensive way The purpose of the book is to enable scholars worldwide to extend their theological resources and to look anew at the problems and prospects of a comparative systematic theology     **Presuppositions of India's Philosophies** Karl H. Potter,1991 First published in 1963 Presuppositions of India s Philosophies in intended as an introductory text for courses in the philosophical systems of classical Indian thought A brief account of karma and transmigration is followed by an introduction to Indian ways of assessing arguments The body of the work canvasses the systems of Nyaya Vaisesika Buddhism Jainism Samkhya and Advaita Vedanta     Morality and Religion in Advaita and Visistadvaita Purnananda Shaw,1989     **Bede Griffiths** Judson B. Trapnell,2001-02-22 Bede Griffiths O S B Cam 1906 1993 was a pioneer in the meeting of faiths and of cultures in the second half of the twentieth century This captivating study of his pioneering work in intercultural and interreligious dialogue draws from meticulous research of Griffiths s writings and his sources as well as numerous personal interviews with the man himself Born in England Griffiths immersed himself in Western culture through an Oxford education and twenty five years in Benedictine monasteries Yet early mystical experiences in nature and the study of Asian scriptures sparked a life long search for what he called the other half of my soul a search that would in 1958 take him to India After participating in two Christian monastic experiments he accepted leadership of Saccidananda Ashram a community dedicated to pursuing the recently renewed Christian contemplative ideal in an India context Here he boldly explored interreligious dialogue and inculturation two projects of the Second Vatican Council Envisioning the marriage of East and West in his writings and incarnating that marriage in spirituality Griffiths became a prophet of our age publishing more than a dozen books and scores of articles In latter years Griffiths attracted large audiences and received recognition from fellow pioneers in the dialogue of faiths including the Dalai Lama     *Harmony of Religions* Thomas Manninezhath,1993 The present work is an in depth study of

Tayumanavar a seventeenth century poet philosopher mystic and saint of Tamil Nadu His profoundly philosophical humns were the poet s creative response to the contesting creeds of his time reflecting his own intimate religious and mystical experience of God Siva Sivanubhava The present study of Vedanta Siddhanta Samarasam as God experienced by Dr Thomas Manninezhath will no doubt awaken a new interest in the hymns of Tayumanavar and the legacy of religious experience they bequeath to us Religious experience anubhava supported by reason and enriched by reflection has to be the meeting ground for the followers of World Religions today It is fascinating to see how Tayumanavar sought to bring about the harmony of two opposed traditions through a re reading of his own tradition and a re interpretation of the scholastic Advaita in favour of a more religiously inspiring popular Advaita The work illustrates how many of our contemporary concerns enshrined in such concepts as Comparative Religion Ecumenism Religious Dialogue etc were also a concern within the household of Hinduism even as early as seventeenth century A D The author s interpretation of Vedanta Siddhanta Samarasam of Tayumanavar offers a unique basis for religious tolerance and co existence even in our present day context of plurality of religions and creeds That indeed speaks volumes for the actuality and relevance of the work
