Michael A Brown author of *In Search of the Narrow Way* *Life Interrupted* Tricia Goyer, 2010-05-11 One day you're a typical student. You're working part time at McDonald's to pay for your clothes and car. The next day you're a mother to be. You're confused and scared. Emotional and standoffish. You feel like a kid but now with a huge responsibility. How could your life change so fast? Your youth wasn't supposed to be packed with worries and obligations. Lamaze classes and daycare choices and you've still got work and school to deal with. Whatever happened to fun friendships and dating? You'd do anything for your baby but what about you? What about your needs? Sharing stories from her own experience as a teenage mom and from other young mothers, Tricia Goyer shows you what to do about meeting nine basic needs that all young moms have. Needs such as the need to be appreciated, the need to know your life is not at a dead end, and the need to be loved. In *Life Interrupted* you'll meet lots of young moms just like you. You'll also meet God who cares about you very much.

Somewhere Beyond the Sea TJ Klune, 2024-09-10 *Somewhere Beyond the Sea* is the hugely anticipated sequel to TJ Klune's *The House in the Cerulean Sea*, one of the best loved and best selling fantasy novels of the past decade. A magical house. A secret past. A summons that could change everything. Arthur Parnassus lives a good life built on the ashes of a bad one. He's the headmaster of a strange orphanage on a distant and peculiar island, and he hopes to soon be the adoptive father to the six dangerous and magical children who live there. Arthur works hard and loves with his whole heart so none of the children ever feel the neglect and pain that he once felt as an orphan on that very same island so long ago. He is not alone. Joining him is the love of his life, Linus Baker, a former caseworker in the Department In Charge of Magical Youth. And there's the island's sprite, Zoe Chapelwhite, and her girlfriend, Mayor Helen Webb. Together they will do anything to protect the children. But when Arthur is summoned to make a public statement about his dark past, he finds himself at the helm of a fight for the future that his family and all magical people deserve. And when a new magical child hopes to join them on their island home, one who finds power in calling himself monster—a name that Arthur worked so hard to protect his children from—Arthur knows they're at a breaking point. Their family will either grow stronger than ever or fall apart. Welcome back to Marsyas Island. This is Arthur's story. *Somewhere Beyond the Sea* is a story of resistance lovingly told about the daunting experience of fighting for the life you want to live and doing the work to keep it. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. *Beyond The Crack In The Sidewalk* Maryann Miller, 2021-12-19 The short stories in *Beyond The Crack In The Sidewalk* explore aspects of living, loving, and dying, the main elements that define our human existence. Included is also a lighter story, a mystery written in the vein of *The Twilight Zone*. The characters in these stories range in age from seventy-year-old Gloria, who is about to find love again, to five-year-old Bobby, who has no concept of why his daddy is no longer there. Then there's sixteen-year-old Hannah, a runaway who finds love only to lose it. On a philosophical level, these stories reflect the world in which we live, bringing to light social issues such as homelessness, the human cost of war, sexual abuse, and when do we go too far in medical treatment. *Beyond the Game* Lena
