God Is In The Glove Compartment:

God Is in the Glove Compartment Al Beck,2000-01-01 **1000 Consecutive Days of Fasting** Vernard

Johnson,2010-04 Is fasting 1000 consecutive days possible Not fasting day and night without any food and water no that s not possible but fasting for over a thousand consecutive days from 15 to 17 hours a day is possible Never in my wildest dreams did I think that I would be the person to do this But why fast 1000 days What was the reason behind it all I wish the answer to why a person would fast 1000 days was simple but it s not The absolute truth is that I never intended to fast 1000 days It never even entered into my mind Had it I know I would have rejected the idea I never thought it was possible I didn t even think 100 days was possible until GOD blessed me to do it It was not until I had fasted around 700 days that I began to believe 1000 days of fasting was possible That s when I prayed and said to God Lord since you have blessed me to fast 700 days I have only one request now Lord bless me to go 1000 days The Lord heard my request and granted it During my fast I kept wondering and saying Lord why Why won t you give me a release from this fast It was not until I had fasted 1000 days that God revealed the reason why He had me fasting all those days God spoke to my mind and said Vernard I didn t have you fasting for you I had you fasting for people who need Me all over the world So I was not fasting for me I was fasting for you people who are broken people who have been wounded and bruised and people who need God to move in their behalf

older sister Dolly as they struggle for survival in a place governed by an enchanted ocean and exotic folklore Guided by a mother ruled by magical elaborately told stories of the full moons which she draws from The Old Farmer s Almanac the two girls are often homeless often on their own fiercely protective of each other and unaware of how far they have drifted from traditional society as they carve a real life from their imagined stories Imbued with a traditional Scottish folktale and hints of Jewish mysticism The Salt God s Daughter examines the tremulous bonds between sisters and the enduring power of maternal love a magical tale that presents three generations of extraordinary women who fight to transcend a world that is often hostile to those who are different Indeed Ruby has written a complicated multi layered work that shifts shapes to bridge the relationship between tragedy and redemption The Huffington Post Three generations of indelibly original women wrestle with the confines of their lives against a shimmering backdrop of magic folklore and deep buried secrets To say I loved this book is an understatement Caroline Leavitt New York Times bestselling author The selkie myth lies at the heart of Ruby s second novel This is a bewitching tale of lives entangled in lushly layered fables of the moon and sea Kirkus Reviews

Shielded by God'S Power Ivy Christian, 2017-07-11 Domestic violence as defined by the National Coalition Against Domestic Violence as the willful intimidation physical assault battery sexual assault or other abusive behavior that is used to overpower and control another person Domestic violence takes on many forms both visible and hidden And according to studies it affects one person every twenty seconds Domestic violence is not a new problem in America but one that has sadly existed for decades And while the majority of victims are female domestic violence knows no income bracket demographic age race or religion domestic violence occurs in every facet of society Despite the many groups working to help victims of domestic abuse the problems persist Domestic violence is more commonly seen in situations where someone the abuser believes that behaviors such as physical verbal emotional religious sexual or economical abuse is acceptable and justifiable Adding to the perceived justification of abuse is the victims inability to see the denigrating acts as abuse Then when they do identify the problem they feel trapped by their circumstances be it due to fear lack of funds poor physical or various psychological issues and are unable to leave the situation More disturbing than the obvious problems of domestic abuse is that there have been connections made between domestic violence specifically sexual abuse in children and satanic influences forces This type of abuse is referred to as satanic ritual abuse SRA The abuses suffered due to satanic influences are often more severe forms of physical and sexual abuse especially in the form of child pornography prostitution and being used for snuff films These abuse victims are often so brainwashed that they dont dare speak out And while there are those who would like to ignore the connections between abuse and satanic forces the fact remains that abuse is not something promoted in scripture The believer is told to care for the helpless and to lift up the fallen not knock them down and beat them up In homes where children are abused they often grow up to become adults who struggle with relationships authority figures and problem solving Worse abused children often become adult abusers thus perpetuating the problem Studies have also found

that children who see their mother abused are more likely to develop PTSD post traumatic stress disorder Also interesting is that there is now a correlation between childhood domestic violence and adult health conditions like arthritis ischemic heart disease IHD chronic obstructive pulmonary disease COPD liver disease irritable bowel syndrome chronic pain pelvic pain ulcers and migraines Psychological challenges include depression severe anxiety panic attacks and a feeling of worthlessness As you read Ivys story you will discover that she could easily be the poster child for domestic violence She spent fifteen years living in a situation where mental physical emotional and sexual abuse was part of her daily life She then entered a marriage that ultimately albeit differently was more of the same But Ivys story does not end as it began She heard about a Savior who loved her unconditionally And while initially Ivy did not understand her Saviors love in time she learned the meaning of real love and acceptance As you read her story you will see how she looked and worked to eventually overcome the challenges brought on by domestic abuse If you have been abused or know someone who is or has been in an abusive situation then Ivys story can help It will provide hope and help as you see that while domestic abuse is horrific there is One who can overcome the hold abuse has on a persons life Dont let abuse keep you or a loved one from enjoying life Take the step now to begin the first day of the rest of your life Metadata Surviving domestic violence does not come easy Shielded by Gods Power reminds us that domestic violence can be overcome by real love
