**THE WORKS OF THANAEI EMMONS WITH MEMOIR OF HIS LIFE** ,1860 *Being Committed in a Difficult Place* Vernadette R. Augustusel, 2020-06-12 When faced with life s challenges we need to learn how to stand and remain committed during hard and complicated times instead of taking flight when things become difficult or problematic I guess one could say that is practicing the art of being optimistic But God has put something more on the inside of each of us than just being optimistic something that helps us stand when life becomes challenging From time to time all of us have been faced with complex issues in life Unfortunately it is in those times the testing times that some people will give up on life But for those who know who God is who they are and what their purposes are in life have learned to stand and be committed in difficult times In the book of Joshua 1 9 AMP God first asks Joshua a question and then tells him Have I not commanded you Be strong and courageous Do not be terrified or dismayed intimidated for the Lord your God is with you wherever you go We have that same powerful presence of God available to us today Once we have accepted Jesus Christ as our personal Lord and Savior we come to know and realize that God is with us It s also important to understand that we have available to us his grace love faithfulness and mercy With all of that available

to us we should feel empowered to being committed during hard and difficult times This is why it is important for us not to become settled in our hardships or difficulties or to take on a defeated attitude towards life But we should continue trusting and believing God as we go through our difficulties knowing that God always has a way out First Corinthians 10 13 14 states No temptation has overtaken you except what is common to mankind And God is faithful he will not let you be tempted beyond what you can bear But when you are tempted he will also provide a way out so that you can endure it The Word continues to encourage us in Ecclesiastes 9 4 anyone who is among the living has hope even a live dog is better off than a dead lion It is my belief that God has put in each of us an inner strength and peace that we must learn how to tap into obtain and walk in This inner strength is available to each of us if we believe respect and receive it so that we can be committed in difficult and uncertain times

My Love Walk with God Louise Holtshausen,2017-08-28 Love is God and God is love He loves you just as He loves me and He loves us just the way we are He longs for an intimate relationship with each one of us He desires to walk and talk with us all He yearns to help you guide you show you to way that you should go He can shield you from the storms of life restore your peace in troubled times and lift you up to new heights You are so special to Him He is devising plans even now to get your attention He burns with jealousy for you He wants you to encounter His divine love God s love is limitless The limit is always set by us we limit our relationship with Him we limit our time with Him we limit our faith in Him and we limit our love for Him That is our love for God at times is limited by what He gives us and how we perceive Him We must realize that the measure that we open ourselves up to Him is the measure He will open Himself up to us As we open ourselves up to Him He teaches us to love for it is love that is the new commandment He knows that on our own we cannot love like Him As He teaches you you will know love a love that exceeds the limits of ours He will reveal His love to you a love that is so real tangible and satisfying This is the agape love of God A love that compels us to love A love that draws us closer to Him A love that is better than life Our heart aches for love and it is only this love His love that will quench that ache Invite the precious Holy Spirit to take you by the hand and show you a love too wonderful for words This love will change your life as you know it change your life for the better Quiet yourself and follow His lead You will experience His presence and start walking in amazing love Write down what you hear in the quietness of your heart and before you know it your journal will be full of secrets promises and love letters from God for He is closer to you than you think This is how my love walk with God started and has exceeded my wildest imagination I am honoured and humbled to share my love walk with you I share it because I know this is what God wants to happen between you and Him He longs for you to hear His voice To my God I say Thank You Daddy for using me I am privileged to share my love walk with the reader in hopes it will spark them into holy jealousy and they will begin their own love walk with You I give You my God all the glory honour and praise in Jesus Holy name the name that is above every other name Amen
