God's Shrink Michael Adamse, Ph.D., Michael Adamse, 2007-09-15 A Riveting Spiritual Thrill Ride Like most seasoned psychiatrists Dr Richard Johnson thought he'd heard it all His assuredness falters when a first time client arrives at his office and announces that he is God Listening intently to the man who is obviously suffering from severe psychosis he agrees to take the case What transpires over the course of the next nine sessions will test everything in the doctor's bag of tricks As he struggles to unravel the client's illness before he becomes a danger to himself a chilling series of coincidences and events cause him to question everything he thought he knew about himself his place in the world and life after death Was their time together the revelations of divinity or the ramblings of a delusional What's possible You decide Ten sessions A lifetime of answers Under normal circumstances the province of psychotherapy is practiced privately What is said behind closed doors remains there The patient can sing like a bird but the therapist is ethically and legally bound by confidentiality I can truthfully say that in all my years of practice I only gave up two patients The first involved serious child abuse and the second concerned an individual who was imminently suicidal These were clearly based on a duty to warn and protect What you will read in these pages is the third breach of my silence and has nothing to do with legalities or ethics It has to do with a patient whose initial claims represented the most elaborate and complex delusional system I've ever encountered I was given express permission to tell the story in a public forum Indeed I was encouraged to

Spiritual Obedience Volume 4 Ollie Fobbs, 2016-04-29 The Spirit of Direct obedience was a book that flared the creativity of hope within me to continue to write there were six hundred pages of notes that were scheduled to go into that first book so after several years I had to find something to do with all of those notes and this is the outcome Spiritual Obedience was a book that told me a lot about who I was and who I was to become this writing is not a this is going to change your life kind of thing however if properly applied and you dedicate your life to study and prayer then yes this will change your life Spiritual Obedience as said has very little to do with who we are as a people but it has everything to do with who God is The reason God sent his Son to die for us is that through the revealed Glory of who he actually is we then can find life in Christ and we then can find the key to the gate that will lead us to the path that will take us all to the Kingdom of God
