## **God Knows My Name:**

He Knows My Name (The Worship Series) Tommy Walker, 2004-09-13 Each chapter is based on phrases from the worship song He Knows My Name and communicates the wonder of how God knows each of us in an unspeakably intimate way. Emphasis is on the love of God toward us and the significance of God calling us His children. He knows us, loves us, sympathizes with us, listens to us, has a future for us, forgives us, and delights in us. The chapters end with a prayer acknowledging these truths, promoting worship and gratitude to the Father. Personal testimonies are included from people around the world who have been touched by the Father's love through the words to the song He Knows My Name. **God Knows My Name** Beth Redman, 2010-07-01 Do you know how much you matter to God? In this powerful and deeply vulnerable book, Beth Redman writes to pass along a message that changed her life: that the God who made us also understands us intimately and proclaims our worth by naming us and calling our name. He hears our cries and reaches out to help us and fight for us. He knows our past but is already hard at work shaping our future, helping us, defending us, and restoring the damage life has done. And no matter what others do, our heavenly Father will never ever leave or forget us. Drawing on Scripture and her own experience, Redman invites us to explore the revolutionary implications of being loved by a God who knows our name. And she invites us to call on His name as well to respond to His heart and love Him as He has loved us from the beginning. **I Am Not Forgotten God Knows My Name** Clara Stephens, 2009-05 The Author in this work recounts her life tales, practice, and understanding of purpose, demonstrating positive response to process that births it. The narrations were down to earth; encounters were unimaginably inhuman, sordid, and undignifying, but courage and patience had the better. Valour! She was cheated, dejected, and humiliated. Stoutly, she kept a calm disposition. Her teachable spirit and deference to counsel leveraged on divine strength and victory for her. She was rewarded. Everything fell into shape. Life now has a meaning. Desires, pictures, and dreams of life are established. I recommend this great book from my daughter in faith to all who acknowledge there is hope in their future and future in their hope. What you are going through will not see your end; you will see their end. As she uncompromisingly made it through righteous principles on the same track, you will make it. Seeing you on the sunny side of life. Dr. Tunde Bakare, Serving Overseer, The Latter Rain Assembly, Lagos, Nigeria. *God Knows My Name (Pack of 25)* Debby Anderson, 2003-02 God made everything and God knows everything. He even knows my favorite color. What's your favorite color? Surprise! God already knew it. God knows my name. He even knows how many hairs are on my head. Can you count how many hairs are on your head? God can count every star up in space. He put every one in its place. God sees me when I go out to play and when I go to bed. He can watch over me because He never sleeps. When I hide in my favorite hiding place, God can find me. Nothing can hide from God. When a sparrow falls to the ground or when I fall to the ground, God knows. He always knows how I feel. God understands when I feel sad, glad, mad, or bad. He cares when I feel embarrassed, scared, or excited. Before God made the world, He knew about me. Before I was born, God knew what would

happen every day of my life God knows my name And He knows the names of everyone in the whole wide world God knows all about us and He loves us even when we do bad things He calls these bad things sin Everyone who sins must be punished but God loves us so much that He did a wonderful thing He sent His own Son Jesus to be punished in our place Now we can live with God forever in Heaven if we believe and accept God s gift of Jesus to us If you believe these things in your heart talk to God right now and say Dear God thank You for loving me so much that You know all about me I know that I have done bad things and I am sorry Thank You for sending Jesus to take the punishment for my sin Please come into my heart and help me love You more every day Amen If you want to learn more about God ask an adult to help you write your name and address below and send it to us for a free booklet Text excerpted from God Knows My Name by Debby Anderson c 2003 Crossway Books *God Knows My House Number* Innocent Ononiwu,2010-03-11 The book documents testimonies of God s miraculous interventions in my life financial family and ministry **God Knows My Name** ,2003 Through God s own promises and colorful illustrations young children can discover the reality that God knows everything and He knows and cares for them God Knows Your Name Catherine Campbell,2012-07-25 The idea that God is interested in us as individuals is an unfamiliar concept to many while rejection has become a fact of life This book encourages the reader to embrace the truth of a personal God one with whom we do not need to struggle to gain recognition who intervenes and acts on our behalf A God who knows our name Each of the six chapters contains two sections dealing with situations of rejection Each tells the story of an individual from the Bible narrative explaining how God stepped in to change their situation thus revealing how important they were to Him The second connecting story tells of a present day individual in similar circumstances and how God also positively intervened in their lives These are true stories using carefully researched material for authenticity and accuracy The stories are told with remarkable power and conviction **Empowered** (in)courage,Mary Carver,Grace P. Cho,Anna E. Rendell,2022-02-15 In this 60 day devotional you ll see how faith and life intertwine through your whole self physical relational spiritual mental and emotional Through stories and Scripture you ll be empowered in every part of your being to live fully as God created you to be The Return of the Circuit Rider David Robert Hinshaw,2011-03-10 In the process of writing two short collections of light hearted material one published and one yet to be published the author became acutely aware that he could not continue forward without addressing what he considered to be the most important issues of human existence All of us have asked ourselves the questions What is the meaning of life and Why am I here Some have rejected the idea of an eternal soul some are undecided while others are largely unconcerned but the author has chosen to embrace the concept and run with it He believes there is a single overriding mission for every individual alive today The sole purpose of this life is to prepare for the next one and every person has been given the ability to control his own destiny When compared to eternity our lives are like a single knot in a rope that stretches around the world From the foundation of the earth a plan has been in place to allow humanity to share the wonders of eternity with the Creator of all things Those who

follow that plan will be rewarded accordingly while those who prefer to separate themselves from the influence of a Higher Power will be granted their wish in eternity If this book convinces one person to follow the plan that leads to redemption then it will have been well worth the effort

**More Than Me** Leslie Saint-Julien, 2013-04-30 Put on your spiritual lenses and prepare to comb through the pages of life's love, pain and joy Open your mind to culture and open your soul to adventure This collection of poetry, thoughts and songs are the real life painted experiences of Leslie Saint-Julien For the first time ever Leslie invites us to look into her mirror and stare as she tells you what she sees For the first time ever this young woman is speaking with her soul and instructing the world to hear with their heart her every word There are many tones and emotions expressed in this collection of writings which is why More Than Me means more than you imagine To know love to know pain and to know joy is the journey of this book More Than Me compels you to go deeper into yourself and explore the corners of your soul that have yet to be introduced to you More Than Me was arranged at a time where Leslie realized that she was not alone as she navigated through life and overcame so many obstacles She realized that God has been and will always be with her at every step on her pathway and it is more than her own efforts that have gotten her to where she is today Finding a love that makes you want to sing enduring a painful experience that makes you a strong giant and feeling such joy that it seems like a summer breeze even on the coldest day This is more than you think and more than you This is More Than Me

**Messages for All God's Children** Reverend Tony L Moore, 2021-07-02 The book you hold in your hands a collection of spiritual object lessons is a labor of love that spans some thirty five years of ministry Sometimes dubbed children's sermons years of experience have taught me that simplified truth has both universal appeal and application Modeled roughly after the teaching parables of Jesus this two and a half years worth of messages illustrate essential principles of the Christian faith in simplest terms Capitalizing on a childlike curiosity and imagination each lesson uses some common household item to interpret an important biblical truth in a fresh creative and memorable way Recognizing the limited attention span of our youngest worshipers each message can be presented effectively in three to five minutes but may be easily expanded if more interaction is desired Intended to aid the pastor with too many irons in the fire to consistently prepare creative and engaging talks for young minds these lessons also are so detailed that they could just as easily be presented by a layperson In fact should the children's leader be less than comfortable with public speaking the messages are so complete that they could even be read effectively with minimal advance rehearsal But don't let the promised simplicity mislead you the truths presented are profound And while sometimes presented with wit and humor worshipful respect and reverence are always maintained and the integrity of God's Word fiercely preserved But rest assured Art Linkletter was right kids do say the darnedest things So may the Lord bless this resource to the enhancement of your ministry and give you as much fun and satisfaction as it has me

**From My Mess to His Message** Christopher Sparks, 2018-02-19 We all have messes in our lives Some are big ones and some are small ones Some we make with our choices some are made for us by others or by sickness This book is the

result of the mess I created with my sin I found my life turned upside down I was locked up in prison without my freedom I disgraced my family I drove my friends away and I had lost my job I hit bottom and I finally realized that I needed a savior I cried out to God to take back control over my life Once I did that I needed a place to start and God lead me straight to His word The devotions you will find on the pages of this book are the very words God gave me as He gave them to me They are His messages of hope and salvation to a hurting child that He loves He carried me through that season of my life No matter what it is you are going through in your life as you read the pages of this book you will feel the overwhelming love and care Jesus has for you Day after day the words He shares with you will heal you and clean up those messes you made by doing it without Him God will get so much glory as we walk together watching Him turn your messes into His messages He did it for me I Know He will do it for you too

 Eleanor Ditrick,2008-12 *Flutter by* began just as its name implies with the sharing of little flutters of thought among co  
 workers and friends The messages fluttered into their lives quietly and with serenity much like the Monarch butterfly a  
 personal favorite of mine My daily messages include a prayer and oftentimes a short story or quotation to show how that  
 reflection applies to our lives and to our humanness They revolve around the people places and particulars in my world which  
 are pretty much the same as those in yours My prayer is that this book helps you through each day with a flutter of thought a  
 breath of calmness and a reflection for peace love and endurance I pray that these little thoughts help you smile and see the  
 true beauty of God s touch in each day even in those filled with sorrow For as we flutter by we flutter on Through *Flutter by*  
 you ll meet my husband Howard often referred to as Ole Buckeye Ohio State is his alma mater our daughters Diane and Lori  
 and of course Chaplain Ditrick the Third our Shetland sheepdog Most times Chap concludes my prayerful thoughts with a  
 flutter of his own They usually involve treats As a hospital chaplain I got to know and become close to many of the staff  
 especially the nurses One friend in particular was going through a very difficult time in her personal life She faced  
 continuous challenges and difficult decisions Often she confided that she didn t know how or even if she would get through it  
 all Each time that we talked I came away feeling that I wanted to be so much more than someone who listened I wanted to do  
 something to ease her pain I asked God to guide me to an answer to calm her burden On one particularly busy day I knew  
 that our paths would not cross but I wanted my friend to know that I was thinking about and praying for her I wrote her a  
 quick little prayer and sent it off through the inner office mail This was before computers A few days later I sent another  
 prayer then another and another When we met up several days later she thanked me again and again She told me how much  
 those little prayers meant to her and how she looked forward to receiving them She asked if she could share them with  
 friends at the hospital I was touched and said of course From there the prayer mailing list grew to over 300 co workers and  
 friends Thank goodness computers came along May you flutter by others as you have fluttered by me      *This Cool Green*
