Created to Win Tony Foster,2015-07-01 The purpose of this book is to help you discover a

biblical perspective about winning in life Genesis 1 26 reads God said let us make man in our image and in our likeness And let them have dominion over the fish of the sea over the birds of the heavens over the livestock and over all the earth and everything that creeps on the earth KJV This verse sets the stage for the entire context of this book as it lays the foundational truth about who you are a winner Whether you feel like one look like one or act like one now is irrelevant The most important factor is to see how God made you just like Him In His image and likeness and with His characteristics and nature Here's the good news God is a winner thus YOU have been predetermined and designed to win in life as well Over recent years there has been a paradigm shift in the Church concerning these truths More and more Christian leaders have begun to acknowledge this biblical understanding of ruling as kings in this life as taught by Jesus Himself With this understanding can you begin to see God's original intent for humanity It is His will for you to win in life Now it's time for you to live in this same victory and dominion just as God intended you to live Together we can become the winners God has designed us to be You have been CREATED TO WIN

Christians Get Stuck Too! Thomas Edward,2013-04 The air buzzed with whispers as the church members awaited the arrival of the speaker The senior and associate pastors blitzed down the aisle to meet me in the foyer The senior pastor panted I m glad to meet you Our associate pastor here made a mistake He forgot to check with me before proceeding to invite you to speak on this subject I don t think I mean we don t think it would be an appropriate subject to expose the congregation to at this time The associate pastor apologized They escorted me back through the entry doors The subject of sexual abuse was definitely a touchy one but one that Thomas Edward felt was necessary to have a frank discussion about Now in his book *Christians Get Stuck Too* Edward confronts issues that many Christians face but are hesitant to broach sexual abuse addictions pornography teen pregnancy and more Thomas s personal story of rejection from the Christian community as a male survivor of sexual abuse is daunting His laborious journey toward healing prepared and strengthened his resolve to step forward as an advocate to shatter the silence and help others He is unflinching in his discussion of touchy topics Referencing actual life coaching sessions he exposes a myriad of problems and vulnerabilities experienced by us all Edward uses facts scripture examples anecdotes and modules that anyone can use to work toward getting unstuck
