World is God? Ann Pederson, 1998 Pederson uses the motif of music to reflect on the nature of the relationship between God and the world *Deuteronomy* Gerald E. Gerbrandt, 2015-10-01 Deuteronomy is a book full of life stories of God s people

and a vision for walking in the way of God Considered by some to be the theological center of the Old Testament

Deuteronomy has been called the gospel according to Moses with its attention to divine grace and practices of justice

Deuteronomy has also disturbed thoughtful readers throughout history having been used to justify violence and all manner of war

In this insightful commentary Old Testament scholar Gerald Gerbrandt invites readers to struggle with the difficult

passages and to humbly converse with the book s consistently hopeful themes of covenant land and leadership Against the

backdrop of apathy and amnesia and countless competing modern day gods Deuteronomy calls for the exclusive worship of

the one God with a reminder of what that God has done for us It presents a vision for a community of brothers and sisters

who treat each other with justice and generosity By examining the book that Jesus quoted when asked about the heart of

Israel s faith Gerbrandt unfolds for readers the richness of a book that is endlessly challenging and remarkably relevant for

today Deuteronomy is the twenty ninth volume in The Believers Church Bible Commentary Series Accessible to lay readers

useful in preaching and pastoral care helpful for Bible study groups and Sunday school teachers and academically sound the

commentary foregrounds an Anabaptist reading of Scripture Relying on a unique format that includes sections on The Text in

Biblical Context and The Text in the Life of the Church the commentary series is a cooperative project of Brethren in Christ

Church Brethren Church Church of the Brethren Mennonite Brethren Church Mennonite Church Canada and Mennonite

Church USA Published for all who seek more fully to understand the original message of Scripture and its meaning for today

the series is based on the conviction that God is still speaking to all who will listen and that the Holy Spirit makes the Word a

living and authoritative guide for all who want to know and do God s will *Theologische Revue* , 1983 **The Living**

Church , 1957 **God's Apocalyptic Insurrection** Richard D. Crane, 2024-10-15 What if our inherited theologies of

salvation are distorted by a sinful history that includes white supremacy slavery and colonial conquest What if we perpetuate

this distortion by continuing to imagine salvation as a legal transaction by which we are saved by God from divine

punishment If salvation merely rectifies the individual s standing before God justice and human flourishing are viewed as

peripheral to the gospel This book begins with a bit of deconstruction But the real need is construction or perhaps the

discovery of another soteriological imagination To be saved is to be drawn into union with Jesus Messiah the bringer of the now and future reign of God where all things are rectified Jesus's life death and resurrected body are the space where a disordered creation is put right Jesus is God's apocalyptic insurrection against every power that dehumanizes harms and destroys human persons We are saved by the triune God by God's gracious acceptance that cannot be earned But we are saved for participation in the invasion of God's reign of justice healing and transformation Salvation has everything to do with caring for refugees resisting systemic racial and other injustices food for the hungry and valuing human persons as Christ incognito
