*God's Answer to Insufficient Funds* Rod Parsley, 1992      *Falling in Love with God* James Alfred Smith, Colleen Birchett, 1997-04-30 Daily activities crowd out time spent with God This book examines how to renew and maintain your vital fellowship and intimacy with your Heavenly Father 12 lessons Leader s guide available      **The Answer: God's Covenants of Promise** John E. Hollywell, 2015-10-28 Many years of biblical study have showed John E Hollywell that most people have never had an accurate explanation of biblical truths and do not know what an amazing inheritance the Bible says they may have once they make Jesus their Lord and Saviour The chaos the world suffers was foretold in the Bible Scientists offer explanations but governments politicians and educators have no answers as to why there is such poverty crime war disease mental health problems and other forms of misery in the world today Are there solutions to all of these issues Emphatically the author says Yes Hosea 4 6 says that Gods people are destroyed through lack of knowledge This book provides some such knowledge in a simple readable format The Answer God s Covenants of Promise will have achieved its purpose if it can open a readers eyes to see the Word of God as it was meant to be understood why seemingly good people worldwide are so hostile and inhumane to each other and who Jesus is and what was His true purpose for coming The Answer God s Covenants of Promise was written for everyone who might seek to know where humanity came from why we are here and where we go in the future into eternity The Answer God s Covenants of Promise seeks to answer such scientific evolutionary and spiritual questions as What is faith in God to be found through Jesus of Nazareth Gods son      *The Good News We Almost Forgot* Kevin L. DeYoung, 2010-04-01 If there is nothing new under the sun perhaps the main task now facing the Western church is not to reinvent or be relevant but to remember The truth of the gospel is still contained within vintage faith statements Within creeds and catechisms we can have our faith strengthened our knowledge broadened and our love for Jesus deepened In *The Good News We Almost Forgot* Kevin DeYoung explores the Heidelberg Catechism and writes 52 brief chapters on what it has shown him The Heidelberg is largely a commentary on the Apostle s Creed the Ten Commandments and the Lord s Prayer and deals with man s guilt God s grace and believers gratitude This book is a clear headed warm hearted exploration of the faith simple enough for young believers and deep enough for mature believers DeYoung writes The gospel summarized in the Heidelberg Catechism is glorious its Christ gracious its comfort rich its Spirit strong its God Sovereign and its truth timeless Come and see how your soul can be warmed by the elegantly and logically stated doctrine that matters most We are great sinners and Christ is a greater Savior      *God's Miracle Anointing* Rod Parsley, 1999      **Woman's Missionary Friend**, 1917      **A Minute of Margin** Richard A. Swenson, M.D., 2014-02-27 Rediscover the space you need in between your work your schedule and your limits by eliminating unneeded frustrations and reflecting on how you spend your time From Richard Swenson author of the bestselling book *Margin* this devotional s 180 daily readings offer encouragement healing and rest as you deal with time management stress and busyness      *Missionary Review of the World*, 1917      **The Missionary Review**

**Making Merchandise of You** Daniel Roberts Ph.D,2014-02-18 Why are we short on honest holy men in the ministries in this generation Is it the will of God for the believers in Christ to seek after riches The truth is God wants us to be happy He said to Moses Happy are thou O Israel who is like unto thee O people saved by the Lord the shield of thy help and who is the sword of thy Excellency And thy enemies are found to be liars unto thee and thou shalt tread upon their high places Deuteronomy 33 29 KJV God is the source of our happiness We have all heard the testimonies of miraculous financial blessing Can we trust them Why are few financially delivered and many are not Why are not all Christians rich I humbly recommend this book to pastors and ministers and all Christian workers to find peace and joy and contentment as they deal with financial stewardship

*Seasons of Biblical Spirituality* Mark G. Boyer,2023-07-28 This book presents one hundred reflections on the four seasons spring summer autumn and winter The seasons of the year bring change to people Winter heating gives way to spring and summer air conditioning The new life of spring trees leafing bulbs blooming grass growing brought about by rain turns into summer maintenance Summer maintenance diminishes as the autumn chill begins to spread across the land and T shirts and shorts are exchanged for sweaters and jeans Coats are brought out of the closet and prepared to be worn as frost forms on the lawn snow falls from the sky and ice forms on water The changes that take place outside of us also take place inside us Without noticing we discover ourselves adapting as we pass from one season to another All the reflections provided in this book begin with biblical passages that mention each specific season or some event that occurs as part of the season The passage is followed by a reflection a Psalm response questions for meditation and or journaling and prayers designed to nourish one s spirituality The yearly process of passing from one season to another brings about transformation in us of which we may not be aware

*Stewards of God* Milo Kauffman,2001-12-28 The great promises of God in his word to his faithful stewards are by no means idle words nor exaggerations God is still waiting to open the windows of heaven and pour out his blessings Kauffman examines the implications of the Bible s teachings regarding the proper stewardships of our lives our abilities and our possessions His emphasis is much broader than money but he makes a vigorous plea for increased giving and assures the reader of new blessings from God Is it fair for one family to have more food than they can eat more money than they can spend more clothes than they can wear and more houses than they can live in while other families have no food to eat no money to spend only rags to wear and no roof over their heads Christian stewardship demands that we share and that we teach others to share Energy crises depletion of natural resources and the hunger in the world call into question the morality of affluence If humanity is to survive we must become better stewards Those who read this book will develop a new appreciation for God s generosity to us and a new sense of responsibility for making the best use of his gifts

*Money Matters* Michael Harmon,2011-12-29 With the economy being the way it is
