God To Man Man To God:

Being God's Man by Resisting the World Stephen Arterburn, Kenny Luck, Todd Wendorff, 2010-03-31 If you think God's values and the world's values can co-exist think again You have to live in this world But if you want to be God's man there's a catch You can't be absorbed or influenced by the world You have to stand strong as a man of God and resist the world Men like you who are getting serious about their walk with God feel a deep intuitive conflict of the soul where unholy alliances with the world which were once acceptable must now be broken That's not easy But here's solid trustworthy guidance for you from men who have been there too In **Being God's Man by Resisting the World** you'll take a look at Christ's template of values as revealed in the Sermon on the Mount Every man who seeks to understand and train in these values will experience a greater connection with God So forget what you know focus on these truths and start living large spiritually Special Features Practical studies facilitate personal encounters with God and other men Questions encourage genuine reflection and help build godly convictions Real Life case studies show how the truths you discover have worked out in other men's lives Standing Strong section gives you the opportunity to form and express your action steps with God and your group

Jesus and the Father Kevin N. Giles, 2009-08-30 The doctrine of the Trinity is one of the cornerstones of Christianity In Jesus and the Father Kevin Giles wrestles with questions about the Trinity that are dividing the evangelical community What is the error called subordinationism Is the Son eternally subordinated to the Father in function Are the Father and the Son divided or undivided in power and authority Is the Father-Son-Spirit relationship ordered hierarchical or horizontal How should the Father and the Son be differentiated to avoid the errors of modalism and subordinationism What is the relationship between the so-called economic Trinity and the immanent Trinity Does the Father-Son relationship in the Trinity prescribe male-female relationships in the home and the church Kevin Giles points out serious problems in the teaching that the Son is eternally subordinated to the Father and argues effectively for the full eternal equality within the Trinity This book should be read by all who wrestle with the complex but crucial doctrine of the Trinity Millard Erickson author Christian Theology By showing that subordinationism is a revival of a heresy that was systematically rejected by the non-Arian Church the author reinstates the classical orthodox doctrine of the Trinity in all its scriptural majesty and grandeur Gilbert Bilezikian professor emeritus Wheaton College Giles skillfully places before us the stark choice which each generation of theologians

must face will we allow the Bible to speak its message about the Father Son and Holy Spirit to us or will we use the Bible to advance our own agenda This important book deserves to be widely read and carefully considered Paul D Molnar professor of systematic theology St John s University The Works of John Donne John Donne,1839 **Historical Theology: An Introduction** Geoffrey W.
