God Has Been Whispering In My Ear:

God Has Been Whispering in My Ear Sue Maurer, 2005 In her book *God Has Been Whispering In My Ear* Sue Maurer has chronicled beautifully her pilgrimage into God which she discovered was also a pilgrimage into her own deepest identity She has experientially parted The Clouds of Unknowing so that her readers can gaze into the God the Scriptures have named I AM JOHN SHELBY SPONG Bestselling author of *Why Christianity Must Change or Die* and *A New Christianity For a New World* Sue Maurer s book personally and authentically documents the church and society s ever increasing struggle and dialogue between the worlds of creed and gnosis belief and experience She knows the dark night of the soul but also the freedom of trusting and treasuring the inner experience of God In answer to the BBC reporter s question Do you now believe in God Carl Jung said Believe That is a hard question I do not believe I know Sue Maurer knows This is another in the increasing testimonials to the inner experience of God which is so needed in our day to counter balance our almost total outer experience of God Sue found the ancient biblical experience of listening to her nightly dreams to be the door that opened to her inner experience of the Divine as well as guidance for her life BOB HADEN Director of the Haden Institute Flat Rock NC God speaks first in one way and then in another although we do not realize it In dreams and in night visions when slumber has settled on humanity and people are asleep in bed God speaks in someone s ear Job 33 14 16a We are born divine and holy beings created by and in the image of God desiring to express and experience the fullness of the peace radiance and love that is our very nature We are taught to conform our existence to the expectations and demands of those around us In this process we become separated from the innate truth of our lives being an expression of oneness with God An experience of the present reality of God through our attentiveness to our dreams and the healing and understanding they provide restores in us a reason for being and opens the door to a sense of intimacy with God where our being and God s being are experienced as one *Sermons of Rev. C. H. Spurgeon* Charles Haddon Spurgeon, 1865 **God Has Purpose for You** Kerwin D. Tucker, 2011-01-31 Do you feel purposeless Do you go through the day half awake wondering what youre working for what youre living for Youre not alone This is a common symptom of many Christians despite a strong faith in God and His word We know what we are supposed to believe and how we are supposed to live so why is that biblically inspired peace joy and love so hard to come by You dont have to ask yourself these questions anymore *God Has a Purpose for You* is an enlightening and invigorating look at the Bible and how it proves we each have a specific purpose set forth for us by the Lord Kerwin Tucker describes many different steps along the path to finding your lifes purpose including The Prerequisites for Living a Spirit Led Life Define Your Vision and The Pathway to Your Destiny Its easy to believe you will never do anything substantial with your life Its easy to think it would be impossible to have a lasting effect on your friends family and neighbors but its not true God has put you here for a reason You have a predestined purpose and it is finally time to take a step in the right direction Find your life purpose through Christ and in so doing discover sought after peace and ever present joy

The Complete Works of C. H. Spurgeon, Volume 10 Spurgeon, Charles H., Volume 10 Sermons 547 606 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to republish the complete works of Charles Spurgeon
