God will direct your path With a path like this any person seeking for new direction cant go wrong with trusting GOD Get the rope from around your neck during slavery days people didnt have a choice when the rope was place around their neck They were tied down like cattle bound and sail to sea for some they hung from a tree Today you have a choice Farmers believe in the process of a seed sown A farmer can have only one seed plant the seed and simultaneously have faith that the one seed will reproduce after its own kind We should have faith like a farmer If we can just believe that seeds reproduce after its own kind and believe as the farmer believes our circumstances will change while going through the process Are you planting seeds

Do You Believe? William E. Marsh,2020-10-11 We all believe Be it in love God Santa Claus or the workings of an internal combustion engine we all believe in something After all we re only human Belief however is hardly black and white It s one thing to believe in things we can see It s quite another to believe in things we cannot And another task altogether to trust in things we cannot see Like God Faith isn t easy But it s us we re finite beings Faith recognizes our limits it acknowledges life s ambiguity And it counters these with its understanding of what is most true God This book is a story about faith It s a story of learning to trust in a supernatural God in a material world It s a meditation on living with as philosopher Soren Kierkegaard put it objective uncertainty It s a tale of learning to live with an invisible God
