Gerard Lepre, 1994 *God's Money* An Ordinary Guy Production, 2025-04-15 God s Money What Tithing Does for You was written because the author had believed a lot of lies in regard to handling money in a godly way The best thing Ordinary Guy ever did was to decide he was going to stop believing what people told him to think about what is written in the Bible and just believe what is written The work of the Holy Spirit in the life of the author as he read the Bible has shown him a lot of truths that he didn t know existed including about money The personal testimony included may be similar to the story of many people or it may be very different but what the Bible says will be the same and the impact of beleiving what is written has led to financial freedom for the author One of the benefits of the Bible is that the principles within it are timeless but the tricks the devil uses to prevent people from applying what is written are effective when we are ignorant of what the Bible contains Faith grows over time including faith in the blessings of tithing and like many faith journeys what you learn along the way is just as valueable as the end result God Money Donald F. God's Church, God's Money, False Profits M. L. Petty, 2011-09-28 For years I agonized over writing a book to address the many questions concerning God s church today The following are some of those questions and concerns Are you being deceived from the pulpit Does the church use offerings for God s purpose What is the pastor s salary and compensation Does your Pastor conform to or live like those in the world Are detailed financial statements distributed to each member Should you continue to give money to your church Are you sure that your church is the place for you to worship God After much prayer and study I felt the need to accept the challenge to address these questions in this book entitled God s Church God s Money False Profits It is with some trepidation that I approach these issues because for some the revelations may be uncomfortable to acknowledge or accept And for others they will find truth that will set them free John 8 32 Invest in God's Money R.S. Vijayarathinam, 2024-09-30 Discover the divine origins of wealth with Thirugnana Sambandar in the 6th 7th AD who sang for gold coins from Lord Shiva to aid famine stricken people Uncover the evolution of India s currency from Mughal silver rupees to today s fiat system Learn how historical currency failures like the German Mark and Zimbabwean dollar hint at a future where gold and silver prices soar This book is your key to understanding the past and preparing for the future Dive in now **God Money, God Power, Where Is God Love?** Aida Luz Morales Seda, 2022-03-16 God Money God

Power Where is God Love is not about religion and it is not about politics It is a message I wanted to share with the world that money is not as important if our hearts are filled with so much love Love leads us to understanding and shows gratitude toward others I express my deepest love for humanity and my heart is open for all the children in this world believing that these young children are the ones who open the doors to a better future This cannot be done by one person alone It starts in the home with proper guidance and values as the foundation Along with these values our society needs to come together hand in hand in order to lead these children to a better and more successful future This may seem like an impossible dream but the reality of it is that we need to realize our dreams and start putting them into action All things are possible to accomplish when there is love understanding and humility toward each other While we continue working on our dreams they can become a reality through our values Let s hold hands together and continue to follow this path **Will a Man Rob**

Workbook Phil Liberatore, 2016-03-01 **God, Money & You** Philip Liberatore, 2020-09 In bite sized nuggets of wisdom
 nationally renowned expert CPA and ordained minister Phil Liberatore reveals powerful principles of God centered financial
 advice in language you can easily understand Your money matters to God *Through the Bible* Zac Poonen, 2016-06-01 This
 monumental work of 1024 pages is a result of Zac Poonen s personal walk with God and his personal study of the Bible for
 over 50 years This is NOT a theological study but a Life application study Before studying God s Word we must understand
 why God gave it to us It is possible to study the Bible for the wrong reasons and I think a lot of Christians do just that We
 must study the Scriptures for the same purpose that God gave it When I was considering this study through the whole Bible
 and was trying to look into the heart of God the verse that came to my mind was God so loved the world that He gave His Son
 that whoever believes in Him should never perish John 3 16 The primary purpose with which God gave us the Scriptures was
 that all people might know that He loves them so intensely that He sent His Son to save them from the grip of sin and bring
 them into fellowship with Him In God s heart there is a great desire that no one should be ruined by sin and perish This
 commentary on all 66 books of the Bible shows that every single book of the Bible is interesting and has a message for us
 today It deals with key aspects of the Christian life and speaks more to the heart than to the head Let us keep that in mind as
 we study God s Word Even if there are matters in the Word that we cannot fully understand let us pray Lord we want to
 understand Your heart even if we don t understand the meaning of everything in Your Word We must pray as we study the
 Scriptures that we will understand what is in the heart of God We can get so taken up with little details as we study that we
 miss seeing the heart of God God reveals His heart in His word But God s purpose does not stop there just like the
 construction of a building does not stop with laying the foundation We read in 2 Timothy 3 16 17 God breathed into this book
 exactly as He breathed into Adam If God had not breathed into Adam Adam would have been just a pile of dust and any book
 that God has not breathed into is also a pile of dust God s Word has been given to us To teach us to show us the right path To
 reprove us and rebuke us We need strong rebukes to be preserved in the pathway of godliness To correct us when we go
 astray to direct us into the right path To train us in righteousness It is a training manual So we see that God s Word has been
 given to us to change our character so that we can become godly men and women The ultimate goal is that the man of God
 may be adequate perfect and complete Like a glass of water filled to the brim our character is to be rounded off balanced and
 complete We are to be anointed and equipped to serve God so that we can do every good work that God has planned for us
 That is the purpose of Scripture So if you study the Bible you must study it for these reasons The truths that God reveals in

His Word can never be boring because Jesus is never be boring If we walk with our Lord and listen to Him our hearts will burn within us because we will see the glory of Christ in the Word God, Money & You Workbook Philip Liberatore,2020-09 In bite sized nuggets of wisdom nationally renowned expert CPA and ordained minister Phil Liberatore reveals powerful principles of God centered financial advice in language you can easily understand Your money matters to God **God, Money and You** Ron Bentz,1989 Fads, Fakes, Freaks, Frauds, and Fools William Edward Shepard,1923
