God Of The Second Chance:

The God of the Second Chance Greg Laurie, 2002 The God of the Second Chance explores why God gives us second chances and how that can empower us as believers This is great book for new believers trying to understand how to live an effective Christian life *He's the God of a Second Chance!* Richard Roberts, 1985 The God of Second Chances Stephen Arterburn, 2010-09-20 A second chance all of us have needed one at some point in our lives As children we beg our parents to give us just one more chance As adults we turn our pleadings to God for another opportunity just to start over again In this revised and updated version of The God of Second Chances author Stephen Arterburn takes us through his own journey of pleasure seeking and ambition to a life changing encounter with the reality of God s grace Arterburn is painfully honest sharing his personal experiences with sexual immorality that culminated in the abortion of his child It was then desperate and at the end of himself that Arterburn cried out to God for a second chance Through his willingness to share his struggles Arterburn helps us to confront our failures and reach out for God s restorative touch With a gentle humor he encourages us to look beyond ourselves and discover the joy in serving others and investing in the things that really matter In doing so we will learn what it is to be restored to God through unconditional surrender and receive healing from the scars left by our own mistakes Second Chance Gary Vochatzer, 2017-04-21 Second coming of Christ becomes a reality This individual sees his error in not believing so does all he can to get God to give him a second chance This is the story of a mans goal to reach into the heart of God proving he was ignorant and arrogant of such a great calling of God to be saved through faith in the Son of God Jesus Christ He attempts even giving his own life to see if his voice had been heard by God who created all that there is Jesus Christs return may happen today or a thousand years from now but God will bring it to pass guaranteed This book was written with one purpose in my mind to scare frighten the hell out of you for what you are about to read but trust me His coming is as sure as the sun rising each day and life and death This book was written to keep your soul secure in heaven under the blood spilled for us by Jesus Christ Gary Vochatzer Author The Bible clearly explains how people can be spiritually prepared for the events leading up to the Return of Christ and for eternity People should live expecting His return in their lifetime Gary vividly describes the anguish for a family and their community who were caught off guard Pastor Wayne Bibelheimer Quail Lakes Baptist Church Stockton CA **God of the Second Chance** Greg Laurie, 2008-01-01 **The God of Second Chances** Erik Kolbell, 2008 The God of a Second Chance Jack Evans (Jr.), **Second Chance** Gary Vochatzer, 2017-04-21 Second coming of Christ becomes a reality This individual sees his error in not believing so does all he can to get God to give him a second chance This is the story of a man s goal to reach into the heart of God proving he was ignorant and arrogant of such a great calling of God to be saved through faith in the Son of God Jesus Christ He attempts even giving his own life to see if his voice had been heard by God who created all that there is Jesus Christ s return may happen today or a thousand years from now but God will bring it to pass guaranteed This book was written with one purpose

S E C O N D C H A N C E REV. PAUL G. BERGLUND, 2014-04 After more than four years of writing and a lifetime of experience this book *The Isthmus of God* the supernatural connection between persecution for righteousness sake and sanctification of the Spirit became a book of God's great plan and purpose to all who believe Through the many circumstances of life whether they are good or bad right or wrong in honor or in regret God has a predestined plan for you It is the author's desire that all who read this book will discover for themselves their second chance in God's amazing grace This is *The Isthmus of God* *A God of a Second Chance* Floyd C Shilling, 2019-11 There are times that we make plans and it seems like everything goes wrong During a vacation it rains all the time A family get together and most the family does not show up Or even the simplest task brings problems and what was timely and easy turns out to be the project from hell I have learned that no matter what I plan God's plan always supersedes them I can't count how many times that I have had to change my plans for His In this book you will see that God's plans took over when something went wrong with the surgery that I had No matter what the Surgeon planned or how many times he had done this operation even the best plans go wrong There are times in our lives that things happen and we don't understand why it happened There could be a sickness or loss of a loved one or even a financial setback The Word of God states that man can make his plans but it is God who has the final say so I had a lot of things that I had planned to do this summer I wanted to start teaching in the new church that my wife and I had just joined and there were some churches that we wanted to go to and visit I also was in the process of trying to help those with depression and anxiety by doing group speaking because I have battled that before and I wanted to start on a new book I had some tests done and it revealed that I was in need of Open Heart Surgery Through this ordeal I learned that we can make plans and hope they go the right way The surgery to fix my valve and repair my aneurism was to be a 3 hour surgery but it took 4 hours This began the journey was one of the hardest times of my life The Doctor said that there should not be any problems but God has the final say so There is a reason for everything that happens even though at the time that things are happening we can't see it This is the journey of God's plans for me and those around me As I had died in my room when I had the heart attack and God brought me back And another time in rehabilitation I was given the wrong medicine that caused me to almost die again this time from of respiratory failure I was in a battle for my life My wife believed that satan was trying to kill me and keep me from ministering to God's people But God had other plans Even though this ordeal of dying and God breathing life back into me and almost dying again I learned more about God's Grace Mercy and Strength than I have in the 35 years of ministry I know that God has a purpose and a plan for everything that happens I just could not see what His plan was for my wife and me enduring everything that we went through during this testing The degree of pain that we both went through was horrendous However I have learned that any plans I have is of no consequence to the plans of God God also brought out a part of my wife that had been lying dormant through the years as she became a Prayer Warrior for my

life As you read this book you will come to understand that no matter what we plan it is God's plan and purpose that prevails and it is then we realize that He is a God of a second chance **Jonah** Selwyn Hughes,2003 Follow the story of Jonah the prophet who was told by God to go to Ninevah but instead went in the opposite direction However God loved him too much to let him get away with this and arranged a series of events that brought him to heel Although we may fail God and avoid what he asks of us He is loving and merciful and always gives us a second chance This study of Jonah focuses on a man whose life in many way was a failure but the lessons we learn from his attitudes and actions will help us to fail less **A Culture of Second Chances** David M. Newman,2019-12-12 This book examines the iconic presence of second chances in everyday life David Newman explores its various iterations in popular culture commercial marketplaces religion intimate relationships education criminal justice and human bodies He analyzes how this concept as a cultural aspiration driver of policy and lived personal experience has become part and parcel of our individual sense of self and our collective national identity While the rhetoric of redemption is familiar and ubiquitous Newman uncovers the costs and constraints of second chances paying particular attention to the factors that affect judgments of deservedness Informed by an array of data sources including personal interviews mission statements of nonprofit recovery agencies images in popular culture stories from the news plot summaries of novels and scriptural texts Newman frames the second chance experience as the quintessential cultural paradox a concept that simultaneously represents the pinnacle of our shared hopes for renewal and our deepest suspicions about the intransigence of human nature God Is Not a God of Second Chances Aaron Wilson,2015-09-02 When it comes to eternity don't take any chances Many Christians live in a cycle of asking for forgiveness trying to be good failing and shame They're banking on a second chance God But what if there was something better In God is NOT a God of Second Chances author Aaron Wilson shows how the message of the cross trumps a second chance a truth that can revolutionize your life Let Christ be the Hero of each day as you encounter the good news of His gospel on each page of this easy to read 31 day devotional www.godisnotagodofsecondchances.com **The Second Chance** Joseph R. Lange,2021-02-10 Throughout the history of humanity God as we have known him or a greater power yet unknown to us has been prayed to for all manner of wants and perceived needs God's plan is never understood Who has the mind of the Lord that they can reason with God Jack Young has lived a long life a life well lived His best friend of forty one years has died the dreaded cancer taking his unsuspecting life If only we could get a second chance If only God gave second chances Perhaps God can be convinced Perhaps Perhaps God will allow a change to the plan he has set into motion To our inevitable day and time when we depart this earth The day and manner unknown The emotional trauma from the loss of Dan Collins has sent Young's life into terminal descent Until in the quiet of the cold Wisconsin cemetery God perhaps has reconsidered For Jack Young to find the meaning before time runs out will consume his life the second chance must not be wasted
