miracles exist is an important part of the Christian tradition yet a brief survey of modern thought reveals a marked prejudice against this notion Here Geisler shows how the laws of logic and science speak to the reasonableness of miracles A dispassionate look at the facts and arguments demands that doubters question their own naturalistic assumptions Geisler also describes signs wonders and power contrasting what the Bible means by a miracle with bizarre stories of saints faith healers and occultists A continuation of his work begun in Miracles and Modern Thought Miracles and the Modern Mind includes extensive revisions and additions *God, Evidences, and Creation: Who God Is and Reasons for Believing* David

Hart,2010-02-23 Larry Hart s Truth Aflame brings together charismatic renewal and classic evangelical faith better than anything I have read An important contribution to the contemporary renaissance in systematic theology Timothy George Dean of Beeson Divinity School of Samford University Executive Editor of Christianity Today As the Pentecostal charismatic movement continues to grow so does the need for solid theological resources for its members While there are many volumes of systematic theology available very few are written from a distinctly charismatic perspective Truth Aflame seeks to meet that need While academically sound Truth Aflame is written with a practical pastoral flavor Larry Hart defines systematic theology as the process of taking what the Bible teaches and relating it to contemporary questions and knowledge His passion for the subject is evident he is concerned that the reader both grasps the magnificence of the study of God and allows these great truths to be transformative This Truth then liberating enlivening and transforming Truth becomes central to the ongoing renewal of the church that we are seeing in our day Dr Hart treats each of the traditional categories revelation God creation humanity sin Christ salvation the church and last things from a Pentecostal charismatic perspective He addresses other theological viewpoints but does not get bogged down in analysis and rebuttal Further he seeks to build bridges of understanding to those evangelicals outside the charismatic tradition Clear succinct and readable this revised and updated edition of Truth Aflame is well suited not only for students but for anyone desiring a greater understanding of Pentecostal charismatic theology **Miracles and Wonder** Elaine Pagels,2025-04-01 From a renowned National Book Award winning scholar an extraordinary new account of the life of Jesus that explores the mystery of how a poor young man inspired a religion that reshaped the world Early in her career Elaine Pagels changed our understanding of the origins of Christianity with her work in The Gnostic Gospels Now in the culmination of a decades long career she explores the biggest subject of all Jesus In Miracles and Wonder she sets out to discover how a poor young Jewish man inspired a religion that shaped the world The book reads like a historical mystery with

each chapter addressing a fascinating question and answering it based on the gospels Jesus's followers left behind Why is Jesus said to have had a virgin birth Why do we say he rose from the dead Did his miracles really happen and what did they mean The story Pagels tells is thrilling and tense Not just does Jesus come to life but his desperate hunted followers do as well We realize that some of the most compelling details of Jesus's life are the explanations his disciples created to paper over inconvenient facts So Jesus wasn't illegitimate his mother conceived by God Jesus's body wasn't humiliatingly left to rot and tossed into a common grave no he rose from the dead and was seen whole by his followers Jesus isn't a failed messiah his kingdom is a metaphor he lives in us These necessary fabrications were the very details and promises that electrified their listeners and helped his followers numbers grow In *Miracles and Wonder* Pagels does more than solve a historical mystery She sheds light on Jesus's enduring power to inspire and attract
