God Put A Dream In My Heart Handbook Of Life Therapy:

God Put a Dream in My Heart Eva Dillner, 2003-07 Floodgates takes us into a unique journey through poetry that exposes simple truths in the complex world of medical science. It brings out in a very simple casual and enjoyable manner the effects daily emergency room encounters on the human spirit be it the doctor patient or family member. It will put a smile on the reader's face as it reaches and connects each human being to another. It is poetry that everyone will find interesting regardless of their medical background. The reader can't help but ponder when we read of frequent flyers who use the emergency room as a hotel or help but spring to laughter at the surgeon's reverence for flatus or fart because of its surgical value. It is poetry that connects us all as the reader can't help but join the doctor who mourns Little Chris that drowned in his grandparents pool or cries with the 3 year old Little J that he diagnosed with cancer. Poems like ectopic pregnancy or kidney stone enlighten the reader to the cause and treatment of disease in a very entertaining manner. As Dr Joyce Ashuntantang Ph D writes in the foreword floodgates takes us through a unique excursion to the human body where we become witnesses not only to human pain and suffering but also to the abundance of human compassion and empathy. The poems show patients as human beings beyond their disease and that is why their demise or triumph over pain and suffering induces poetry from the doctor she points out.

Walking with God Is a Divine Journey Lisa Olivares Young, 2012-04 The word of God is not designated to any one group or nationality but instead is available for all who wish to learn His word and apply it to his or her daily life. Even better understanding the Bible does not require a degree in theology but simply an open heart and mind. Uplifting and deeply moving *Walking with God Is a Divine Journey* shares ways to develop a closer relationship with God through our life's experiences. Author Lisa Olivares Young explains how regardless of how your life began or how many mistakes you've made the promises of God are deeply rooted within us to seek the life He so graciously desires for us. Young uses personal anecdotes and biblical stories to illustrate how God has worked in her life. She also explores the doubts, fears, and perplexities she has endured in various life situations illustrating how she found comfort and guidance in the Bible and through prayer. Each chapter touches upon a subject often encountered in our walk with God including learning from your past, overcoming life's challenges, discovering your purpose, taking the road less traveled, Part memoir and part Bible study. *Walking with God Is a Divine Journey* will help you develop your faith, understand God's love and guidance, and listen to His correction all by reading and applying His word.
