God Speaks Hardcover:

God Tells the Man Who Cares A. W. Tozer, 2006-11-30 God has nothing to say to the frivolous man A W Tozer Tozer states this bluntly in the book's beginning and he carries the sentiment through the last chapter In *God Tells the Man Who Cares* Tozer urges the believer to be vigilant in his pursuit of God's voice in his life He reminds us that stillness and meditation on the Spirit of God may be more spiritually profitable than the front of religion that is so prevalent in modern society Stillness is the quality that is so often lost in the business of today's world To be still and know that He is God is an old truth that is much quoted but rarely lived Tozer's convicting voice will bring you to a new and humbling place in your relationship with the Lord He invites you to lay your emotions at God's feet provides insight into the true nature of a servant's heart and decries many aspects of institutionalized Christianity warning against artificial religion with these words It is a disease of the soul and can only be healed by the Physician of souls God Speaks, 1980 **Surprised by the Voice of God** Jack S. Deere, 2010-06-15 If You Believe Miraculous Gifts Have Ceased You're in for a Big Surprise What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today What convinced someone skeptical about miracles that God still speaks and heals A dramatic change took place in Jack Deere's life when he took a fresh look at the Scriptures He discovered that his arguments against miraculous gifts were based more on prejudice and lack of personal experience than on the Bible As soon as Deere became a seeker instead of a skeptic the Holy Spirit revealed himself in new and surprising ways In *Surprised by the Power of the Spirit* Deere provides a strong biblical defense for the Spirit's speaking and healing ministries today He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way Finally he gives sound advice for using spiritual gifts in the church Written in a popular style with the care of a scholar but the passion of personal experience this book explores The real reason Christians do not believe in miraculous gifts Responding to Charismatic abuses Were miracles meant to be temporary Why God still heals Must reading for all Bible believing Christians I wish with all my heart I could place it in the hands of every conservative evangelical James Robison Life Outreach International *God Speaks* Charles Robb, 2000 Wherever you go there I am The celebrated award winning billboard campaign of quotes from God called *God Speaks* now becomes a hit book
