Through Trials To Triumph Ady Rugeruz, 2011-07-25 Bad things happen to all people, but we often ask why good people suffer and the wicked prosper. This is a very complex subject to which Ady tries to give some clarity. In this book, *Through Trials To Triumph*, he discusses the issue from a Biblical perspective and helps the reader to understand why trials happen to all of us. This book shows that life is a journey full of ups and downs. What we often perceive as a bad situation can be an opportunity for change and growth, but the key is attitude and faith. How people deal with life's trials depends on what attitude they have. God does not cause bad things to happen to us, but he allows them in our lives and stands ready to help us through difficult times.

Gaining Wisdom Through Trials Helen Truong, 2020-12-18 Although I had accepted Jesus as my Lord and Savior at a young age, I did not understand what my salvation meant. I did not understand the fruitfulness of my relationship with Christ. I thought that being a Christian was going to Church when I felt like it and praying to God whenever I needed something. Through many trials in life, God continued to pursue me and revealed himself. For many years, my heart was hardened because most Christians I met were either judgmental, envious, or hypocrites. Many of them could not explain the questions I had about the scriptures. I concluded that many Christians were using the Church and God to benefit themselves. During the trials, God planted seasoned Christians to encourage me to give Christianity another chance. It was not until I faced many challenges with my career that I understood my purpose and appreciated the importance of having a relationship with Jesus. But he was pierced for our transgressions; he was crushed for our iniquities; upon him was the chastisement that brought us peace, and with his wounds we are healed. Isaiah 53:5

An Examination of the Pearl Edwin A. Suominen, 2012-01-26 *An Examination of the Pearl* is a study of the doctrine and history of Conservative Laestadianism, a small exclusivist Christian group that is organized in Finland and North America as the SRK and the LLC, respectively. The book also looks at the teachings of Martin Luther, early Christianity, Christian fundamentalism, and sectarianism and the Bible.

interspersed with biblical insights you will find that our journey through life with Jesus is more than us talking to Him It is also God speaking words of encouragement comfort and direction through Scripture prayer people circumstances dreams visions and His creation Join me as we embark on an adventure of discovering and recognizing Gods voice Lets listen and delight in hearing Him speak My sheep hear My voice and I know them and they follow Me John 10 27 **Destiny's Child** Eddie L. Maxwell Jr.-Bey,2018-08-31 In this day and times the divine will of God is being fulfilled The events recorded herein are accurate and are true to the fulfilling of divine prophecies These are nontheological and are not an expression of beliefs but are real and actual life experiences If they were not I would not have told you so I would have otherwise published a work of conjecture of theory of beliefs or of fiction for the purpose of entertainment however this is not the case Although the design of these things predate my existence consciously for me they all began in the year 2007 when the voice of our divine mother proclaimed to me You have a charge and the many more events that have all since ensued Indeed God is true and is personally true as you and I are He our Father she our Mother and he our Savior the son Jesus the Christ These are the triune Allah of the Muslims and the holy trinity of the Christians Herein are true and accurate accounts of them for those with eyes to see and ears to hear So let it be **Transforming the Trials of Life** Robert Hanson,2006-01-25 The trials of our life should extend beyond tragedy or testing to a glorious triumphant conclusion Discover the 46 Biblical designed purposes that will help one come to God s purpose **Through the Bible** Zac Poonen,2016-06-01 This monumental work of 1024 pages is a result of Zac Poonen s personal walk with God and his personal study of the Bible for over 50 years This is NOT a theological study but a Life application study Before studying God s Word we must understand why God gave it to us It is possible to study the Bible for the wrong reasons and I think a lot of Christians do just that We must study the Scriptures for the same purpose that God gave it When I was considering this study through the whole Bible and was trying to look into the heart of God the verse that came to my mind was God so loved the world that He gave His Son that whoever believes in Him should never perish John 3 16 The primary purpose with which God gave us the Scriptures was that all people might know that He loves them so intensely that He sent His Son to save them from the grip of sin and bring them into fellowship with Him In God s heart there is a great desire that no one should be ruined by sin and perish This commentary on all 66 books of the Bible shows that every single book of the Bible is interesting and has a message for us today It deals with key aspects of the Christian life and speaks more to the heart than to the head Let us keep that in mind as we study God s Word Even if there are matters in the Word that we cannot fully understand let us pray Lord we want to understand Your heart even if we don t understand the meaning of everything in Your Word We must pray as we study the Scriptures that we will understand what is in the heart of God We can get so taken up with little details as we study that we miss seeing the heart of God God reveals His heart in His word But God s purpose does not stop there just like the construction of a building does not stop with laying the foundation We read in 2 Timothy 3 16 17 God breathed into this book exactly as He breathed into Adam

If God had not breathed into Adam Adam would have been just a pile of dust and any book that God has not breathed into is also a pile of dust God's Word has been given to us To teach us to show us the right path To reprove us and rebuke us We need strong rebukes to be preserved in the pathway of godliness To correct us when we go astray to direct us into the right path To train us in righteousness It is a training manual So we see that God's Word has been given to us to change our character so that we can become godly men and women The ultimate goal is that the man of God may be adequate perfect and complete Like a glass of water filled to the brim our character is to be rounded off balanced and complete We are to be anointed and equipped to serve God so that we can do every good work that God has planned for us That is the purpose of Scripture So if you study the Bible you must study it for these reasons The truths that God reveals in His Word can never be boring because Jesus is never be boring If we walk with our Lord and listen to Him our hearts will burn within us because we will see the glory of Christ in the Word
