What the Bible "Really" Says about Sex Tom Gruber, 2001 What the Bible Really says About Sex and what many people think the Bible says about sex are two different things Although the Bible clearly condemns immoral sexual behaviour to go beyond what the Bible clearly teaches is legalism Words like adultery fornication and lust do not mean the same things today that they meant in biblical times We've also lost sight of the reasons behind the rules What the Bible Really says about Sex makes a compelling biblical case for responsible non monogamy also known as polyamory It also grapples with other difficult ethical questions concerning nudity prostitution pornography homosexuality situation ethics polygamy the sin of Adam and Eve procreation marriage safe sex love sex after the resurrection and family values Tom Gruber gets to the crux of the matter with laser sharp clarity Gruber writes in a style that a layman can easily understand a skeptic cannot easily refute and a scholar cannot easily dispute This highly controversial book is a must read for all open minded individuals seeking an accurate understanding of What the Bible Really says About Sex [Thank God for Sex](#) Pastor Frantz Lamour, 2010-06 I know for sure that you like sex don't you But have you ever thought about thanking God If not you are not alone Many people apparently become lovers of sexual pleasures rather than lovers of God They believe that God should not be part of sexual discussion Well the opposite is true Everything that God created is to be received with thanksgiving included sex If you wish to experience full satisfaction when making love you must acknowledge God to know His mind on the subject God alone is qualified to show you the best way to enjoy the blessed gift of sex Do you want to know when God wants you to have sex If you wish to get full benefit from sexual intercourse you must read this book You will be enlightened greatly on many facets of sex What is sex to you Do you know the three P's of sex Do you know why your spouse wants to have sex The answers to those questions and more will be found in this marvelous book Frantz Lamour is founder and senior pastor of Holy Church of Grace a ministry dedicated to preaching the Gospel of Jesus Christ to all souls and to helping believers to maintain a loving relationship with both God and man He holds a Bachelor degree on pastoral ministries from Hobe Sound Bible College He and his wife Djenny live in Royal Palm Beach Florida and are the parents of two children Pastor teacher Frantz Lamour is the

author of many books including *The Lord's Prayer: An Undiscovered Treasure*, *La Seconde Vie* (In French), *Holiness: God's Plan for His People* (In Creole), *Jesus is Risen*, and *A Dream Marriage*. Above all, he is a slave of Jesus Christ. **The God of Sex**

Peter Jones, 2006. A placard carried in the San Diego Gay Parade said it all: He's your God. They're your rules. You go to Hell. Clearly, there is no longer any commonly held ultimate authority. So merely quoting Bible verses at gays and other sexual sinners to prove they are immoral is equally unsuccessful if not destructive. For the sake of our young people, for the sake of our churches, for the sake of society and our world, Christians must understand the connection of spirituality and sexuality if we are to communicate relevantly to our postmodern culture. Jones gives an objective, honest appraisal of contemporary sexual trends and puts them up against God's clear and beautiful design for sex as a spiritual expression. Features and Benefits: Helps Christians break out of typical parameters to help them understand and relevantly engage the culture. Nonbelievers will find this book objective and non-offensive, fairly representing postmodern worldviews. Thorough index and bibliography makes this book a powerful resource tool. Unprotected Texts

Jennifer Wright Knust, 2011-01-25. An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar. Bart Ehrman, author of *Misquoting Jesus*, Boston University's cutting-edge religion scholar. Jennifer Wright Knust reveals the Bible's contradictory messages about sex in this thoughtful, riveting and timely reexploration of the letter of the gospels. In the tradition of Bart Ehrman's *Jesus Interrupted* and John Shelby Spong's *Sins of Scripture*, Knust's *Unprotected Texts* liberates us from the pervasive moralizing, the fickle dos and don'ts so often dictated by religious demagogues. Knust's powerful reading offers a return to the scripture away from the mere slogans to which it is so often reduced. **God and Sex**

Michael Coogan, 2010-10-01. An examination of sex and the Bible by one of the leading biblical scholars in the United States. For several decades, Michael Coogan's introductory course on the Old Testament has been a perennial favorite among students at Harvard University. In *God and Sex*, Coogan examines one of the most controversial aspects of the Hebrew Scripture: What the Old Testament really says about sex and how contemporary understanding of those writings is frequently misunderstood or misrepresented. In the engaging and witty voice generations of students have appreciated, Coogan explores the language and social world of the Bible, showing how much innuendo and euphemism is at play and illuminating the sexuality of biblical figures as well as God. By doing so, Coogan reveals the immense gap between popular use of Scripture and its original context. *God and Sex* is certain to provoke, entertain and enlighten readers. *Sex in the Bible*

Evan P. Turner, 2015-10-12. What is the Christian view of sex? What about God's view? Are you surprised to know that the two might not line up? Stepping away from religious tradition, *Sex in the Bible* compares scripture to scripture to find out exactly what God has to say about human sexuality and what it reveals may shock you. Providing a technical and thorough explanation of his findings, author Evan P. Turner begins his in-depth study by clearly defining what sin is according to the Bible so as to make evident what is not sin. Is masturbation wrong? What does God think of divorce? Is it okay for single people to have sex?

Navigating these controversial questions along with many more the author points out key words and explains the significance of certain Hebrew and Greek terms to further elucidate what the Bible actually says about any given topic Though there are certainly forbidden acts you will begin to see that God actually offers a surprising amount of freedom when it comes to sex Discover the life giving truth about sex in this revolutionary study of the Bible **God on Sex** Daniel L. Akin,2003 Daniel Akin does not write in a vacuum Having led over 300 marriage seminars across the United States he is in touch with contemporary distorted perceptions of sex But the Bible is not silent on this subject As a matter of fact it has much to say As the creator of sex God knows and has imparted the knowledge of the conditions for sex at its best Daniel Akin sets the many and varied misconceptions about sex alongside God s design to reveal His intention and blessing for this vital dimension of life **God's Word and Sex** G. Mac Leod, 2018-08-08 We live in an age where sexual morals have been rapidly changing Because of the sensitive nature of the topic and out of fear of offending the church has not always clearly addressed the issue or taught what the Bible has to say about God s purpose for this part of our life This is an attempt to survey what the Bible has to say about human sexuality In this study we will address God s intention for sex and what He says about the practices of our day Our sexuality is a gift given to us by the Creator but one that must be enjoyed in the way He intended It is my desire that this study will open up the teaching of the Bible about human sexuality in a sensitive and God honouring way **The 100 Most Asked Questions about God and the Bible** S.
