God Optional Judaism:

God-Optional Judaism Judith Seid, 2001 Here is a handbook for Jews looking for creative meaningful new ways to express their own ways of being Jewish The book discusses the historical evolution of the Jewish religion and takes up the question of what it means to be a cultural Jew God optional Judaism provides alternative nontheistic ways to celebrate every Jewish holiday and all the rites of passage in life including baby naming ceremonies bar bat mitzvahs weddings and funerals

God-optional Religion in Twentieth-century America Isaac Barnes May, 2023 God Optional Religion in Twentieth Century America provides a historical account of the idea that being religious and believing in God might be separate concepts Isaac Barnes May focuses on the story of three groups liberal Quakers Unitarians and the forerunners of what would become Reconstructionist Judaism and how they attempted to preserve their faith in the modern world by redefining what it meant to be religious

Jewish Scholarship on the Resurrection of Jesus David Mishkin, 2017-09-07 The Jewish study of Jesus has made enormous strides within the last two hundred years Virtually every aspect of the life of Jesus and related themes have been analyzed and discussed Jesus has been reclaimed as a fellow Jew by many although what this actually means remains a matter for discussion Ironically the one event in the life of Jesus that has received significantly less attention is the one that the New Testament proclaims as the most important of all his resurrection from the dead This book is the first attempt to document Jewish views of the resurrection of Jesus in history and modern scholarship

Jewish Rhetorics Michael Bernard-Donals, Janice W. Fernheimer, 2014-12-02 This volume the first of its kind establishes and clarifies the significance of Jewish rhetorics as its own field and as a field within rhetoric studies Diverse essays illuminate and complicate the editors definition of a Jewish rhetorical stance as allowing speakers to maintain a resolute sense of engagement with their fellows and their community while also remaining aware of the dislocation from the members of those communities Topics include the historical and theoretical foundations of Jewish rhetorics cultural variants and modes of cultural expression and intersections with Greco Roman Christian Islamic and contemporary rhetorical theory and practice In addition the contributors examine gender and Yiddish and evaluate the actual and potential effect of Jewish rhetorics on contemporary scholarship and on the ways we understand and teach language and writing The contributors include some of the world s leading scholars of rhetoric writing and Jewish studies

Contemporary Humanistic Judaism Adam Chalom, Jodi Kornfeld, 2025 Contemporary Humanistic Judaism opens up multidimensional ideas values and practices of Humanistic Judaism and tells the history and growth of the movement through its most important texts collected here for the first time

Three Perspectives: Jewish, Christian, and Muslim Steven H. Propp, 2009-12-30 Youre Jewish arent you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special

purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book Beyond Heaven and Earth in a probing exploration that may help you

reconsider just what it means to be Jewish Christian or Muslim in the modern world **Religion and the New Atheism** Amarnath Amarasingam,2010 The term new atheism has been given to the recent barrage of bestselling books written by Richard Dawkins Sam Harris Daniel Dennett Christopher Hitchens and others These books and their authors have had a significant media presence and have only grown in popularity over the years This book brings together scholars from religious studies science sociology of science philosophy and theology to engage the new atheism and place it in the context of broader scholarly discourses This volume will serve to contextualize and critically examine the claims arguments and goals of the new atheism so that readers can become more informed of some of the debates with which the new atheists inevitably and at times unknowingly engage This collection will prove to be most valuable to readers who wish to understand the implications and phenomenal success of the new atheism from a multidisciplinary perspective The editor is to be congratulated for assembling such an impressive list of contributions John F Haught Senior Fellow Science Religion Woodstock Theological Center George town University The new atheism a species of secular fundamentalism has excited a great deal of comment and controversy in recent years Religion and the New Atheism raises the discourse to a new level Randall Balmer Episcopal Priest and author of The Making of Evangelicalism Amarasingam s collection of original essays dealing with various aspects of the recent work of new atheists is a most engaging read The chapters included offer a wide array of perspectives touching on numerous aspects and angles of New Atheism and its relationship to contemporary religion While I most definitely did not agree with all of the contributions in the volume and while I am generally more supportive of the new atheists than I am of their detractors I found this volume over all to be a compelling engrossing and provocative
