Goddard, Come Home! Ruth Koeppel, 2003 A mechanical bone invented by Jimmy Neutron leads his pet dog Goddard astray and into the hands of fiendish robots **Goddard, Come Home!** ,2007 **Darkling** K M Peyton, 2013-03-31 Darkling is ragged and wild but Jenny can't help falling for him As soon as her grandfather buys the chestnut colt she is thrilled But a racing colt turns out to be a frightening responsibility especially one as temperamental as Darkling Cast Out Malcolm Wood, 2021-10-19 In Nottingham England in 1810 John Marsden is jobless and desperate to find ways to feed his family For stealing two sheep he is imprisoned and transported to Van Diemen's Land Although missing his family badly Marsden works steadily knowing that freedom and opportunity beckon There will be no redemption for his former shipmates who have become bushrangers Or for the indigenous population locked in an increasingly bloody fight for survival as the colonists take their land Malcolm Wood's second historical novel is a graphic confronting story of poverty loneliness racism rapacity and violence **Adventure** ,1919 **All You Need Is Love** Russell J. Sanders, 2017-03-21 In the era of the Woodstock Festival and the Stonewall Riots 1969 Dewey Snodgrass is in high school in Fort Worth Texas He might be far from many of the changes taking place in the world but they still affect his life For one as his school's theater star Dewey takes part in a production about a young gay man protesting the Vietnam War During the play he meets another uninhibited young actress Lucretia Lulu Belton and their performances are a hit changing attitudes about the war especially the attitude of Dewey's dad It's also the year Dewey meets Jeep Brickthorn the school's hippie and a local musician They quickly become friends and although Dewey tries to suppress it they start to fall in love Though he knows his father won't condone their relationship Dewey can't resist his feelings for Jeep The times are changing and maybe the time has come for Dewey and Jeep to escape their repressive town for somewhere more open minded Somewhere they can pursue their interests in acting and music Somewhere they'll have the freedom to be in love **Jim's Journal** JD Eident, 2019-05-15 Diary written by a young James Newton Matthews about his daily activities when he was fourteen year old living in Mason Illinois in the late nineteenth century LIFE ,1963-10-04 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use **Averted Vision** BW Moran, 2025-02-21 In near future America disability isn't only shunned it's exterminated Those who avoid slaughter slip into the shadows The government incinerates these shadows Dr Joseph Buck leads the Birth Project an effort to eradicate congenital disability through genetic engineering His brother Noah is disabled and lives in hiding beneath their family home Their desperate work in the background aims to improve public opinion of disabled people so one day Noah can come out of hiding and see the sun for the first time in two decades Drawn by humankind's genetic engineering an intergalactic coalition makes contact with Earth America's authoritarian government

sees this as a threat to their regime and comes into immediate conflict with the disparate alien civilization Despite the danger Noah leaves home to show the aliens a different side of humanity and the Birth Project is used to create more soldiers With Joseph s plans thrown into chaos he must decide whether the future he believes in is worth pursuing even if he will not see it In Averted Vision B W Moran spins a harrowing tale of justice hope and sacrifice *The King Who Had To Go* Adrian Phillips,2016-10-13 The previously untold story of the hidden politics that went on behind the scenes during the handling of the Royal abdication crisis of 1936 The King Who Had to Go describes the harsh realities of how the machinery of government responds when even the King steps out of line It reveals the pitiless and insidious battles in Westminster and Whitehall that settled the fate of the King and Mrs Simpson Prime Minister Stanley Baldwin had to fight against ministers and civil servants who were determined to pressure the King into giving up Mrs Simpson and when that failed into abdicating Dubious police reports on Mrs Simpson s sex life poisoned the government s view of her and were used to blacken her reputation Threats to sabotage her divorce were deployed to edge the King towards abdication Covert intelligence operations convinced the hardliners that the badly coordinated and hopeless attempts of the King s allies particularly Winston Churchill to keep him on the throne amounted to a sinister anti constitutional conspiracy The book also shows how the King doomed his chances of keeping the throne by wildly unrealistic goals and ill thought out schemes As each side was overwhelmed by desperation and distrust Baldwin somehow held the balance and steered the crisis to as smooth a conclusion as possible
